Overview

Innovative Roofing Solutions is not your typical roofing contractor. We focus on our customers needs making your goals our goals, keeping your building dry and your roofs in good condition for as long as possible. With our roof management and preventative maintenance programs we will help get the most out of your roofs while maintaining your current roof warranties. Our diagnostic testing and professional roof inspections will help you understand what you have and give you the best options moving forward.

Innovative Roofing Solutions was started because we understand it's hard to know who to trust when it comes to your commercial roof maintenance and upkeep. Our goal is to involve and educate our clients through the whole process. Innovative Roofing Solutions will set your mind at ease knowing that your roofs are being taken care of efficiently and correctly.
