Overview

Since 1979, Sunland Asphalt & Construction, LLC has completed projects across the country, ranging from parking lot maintenance to major highways. With offices in Arizona, Colorado, Nevada and New Mexico, Sunland has grown from an asphalt maintenance company into a full service general contractor. We offer an array of construction and maintenance services including asphalt repairs, crack sealing, sealcoating, chip seal, milling, pulverizing, reconstruction, paving, striping, earthwork and grading, as well as concrete, utility adjustments and underground wet utilities. With experienced team members, high quality materials and state-of-the-art equipment, we do what we say we'll do, when we say we'll do it.
