Overview

ATI Restoration (ATI) improves the lives of its customers by helping them recover from property damage. Founded in 1989, ATI has grown to become the nation's largest family-operated disaster recovery services provider with over 2,000 employees spanning 60+ locations from coast to coast. The Company uses cutting-edge technology to serve both residential and commercial customers, primarily in the wake of water, fire, or other environmental damage, and differentiates itself through its end-to-end restoration offering that spans everything from initial disaster mitigation to final reconstruction. ATI benefits from a strong culture, grounded in its family-based values, which translates into unparalleled service and support during its customers' most stressful life events. For more information, visit ATIRestoration.com.
