Overview

3branch provides innovative, high-quality products that enhance the library experience, increase resource circulation and support programming. Collections include magbox, magbrowz & magstak acrylic display items; maker max, maker flex, maker flex kids and maker storage activity tables and discovery and discovery mini activity tables for young adult and children's programming and kurve desks--mobile, height-adjustable service points. Everything is designed with customizable features and for long-lasting use in public settings. They are an ideal fit for your library décor or environment.
