Overview

BK Technologies is a U.S. small business manufacturer based in West Melbourne, FL, BK Technologies has been in business for more than seventy (70) years. BK radios are developed, manufactured, and assembled in the United States. As the original equipment manufacturer (OEM) of our products, we design, manufacture, and market wireless communications P25 products consisting of two-way land mobile radios, repeaters, base stations, and related components and subsystems. Our mission is to remain deeply rooted in the critical communications industry for all public safety heroes, first responders, and military. We are also proud to say that more than ten percent (10%) of our work force are veterans.
