Overview

Playscapes LLC. Home of children's educational waiting room furniture for healthcare facilities. Children visiting the doctor or dentist will enjoy playing while they learn on our waiting room activities. Use our quality, educational centers in libraries, churches, and healthcare facilities.

We design our waiting room children's furniture to be more than something to keep children busy while they wait. With our furniture waiting room solutions, children think, try alternatives, learn healthy habits, and build positive life skills.

Play well.
