Overview

WHAT WE DO: RAE Security is a leader in designing security solutions, delivering service excellence and building long lasting relationships with our customers. We strive to be the finest providers of Mechanical Door Hardware, Access Control, Locksmithing, Masterkey and Break Fix Service. Our professional sales, engineering, project management, installation and after sales service is unrivaled in the security industry. We aim to differentiate ourselves from our competition by exceeding our customers' expectations through every step of the sales, install, to ongoing service process. Our long history of relationship with our customers is a testimony to the culture and vision we have built within RAE Security.

EXCELLENCE IN EVERYTHING WE DO: Excellence is not just a word, it is a way of business. Our employees follow our vision to excel in every aspect, from the relationship with the customer to the delivery of the solution to their facility. Providing excellence ensures that we will deliver security solutions in a timely manner without sacrificing quality. Our dedication to speed and quality will continue to be the primary reason we grow our partnerships with our customers.

DEDICATED TO A WORLD CLASS INSTALL AND SERVICE: World class installations provided by our best in class technicians. We actively communicate before, during and after the install to make sure the customer is always aware of our progress. A follow up post installation is a critical aspect of our process that helps RAE Security continue to improve and lead the market in installation satisfaction.
