Overview

Imagine Learning is a leading provider of online and blended learning solutions, offering a comprehensive suite of K-12 digital curriculum accredited by Cognia (formerly AdvancED) as well as a variety of supplemental and intervention solutions in mathematics, reading/English language arts, Spanish Language Arts, and social emotional learning. Imagine Learning's robust suite of PreK-12 digital content and learning solutions are aligned to state and national standards with a rigorous approach that ensures students are prepared for success in each grade. Robust and standards-aligned content is available to address initial credit and credit recovery, core curriculum, supplemental and intervention, multilingual learners, virtual school services, social and emotional learning, career and technical education, and assessment. The comprehensive curriculum and age-appropriate learning environments engage students in meaningful learning experiences using innovative and exciting instructional strategies. Each program contains robust student tools to support learning and achievement for students at all levels, as well as detailed and powerful reports, showing a variety of data for teachers, administrators, students, and parents.
