Overview

Palmer Hamilton provides smart, versatile and beautiful furnishing solutions to K-12, higher education, commercial markets, libraries, fab labs and makerspaces. We began manufacturing high quality cafeteria tables for schools more than 70 years ago and quickly became the industry leader in innovation, selection and service. Over the years, our product lines evolved to include mobile tables, wall pocket systems, outdoor furniture, food court furniture and décor—all designed to be as durable and safe as they are stylish and easy-to-use. Soon we made the natural transition to the higher education, commercial markets and libraries, bringing our expertise in creating exceptional dining, library and social environments to colleges, universities and commercial facilities.

With the largest and most diverse product offering in the industry, Palmer Hamilton has everything you need to create an exceptional dining and socializing environment in your school, on your campus, or in your commercial building. From cafeterias and food courts to lounges and meeting spaces—we have beautiful and functional table, seating and décor options to meet all needs and budgets.

When you want mobility, Palmer Hamilton offers an extensive selection of tables with benches or stools, in all colors, shapes and sizes. Our versatile wall pocket systems are the safest in the industry, with the most locking points available. Or choose from our ample selection of stylish booths and freestanding tables, in colors and designs that are both inviting and comfortable. You can even add custom graphic designs with no minimum quantity requirements to easily and affordably reinforce your brand.

Palmer Hamilton also provides cafeteria furniture, food court furniture, décor and design services. With our vast selection of high-top tables, booths, chairs, stools, lounge furniture, cabinets, accessories and artwork, we can create personalized environments for dining and interacting that are just right for your needs.

Palmer Hamilton provides innovative design and furnishing solutions to K-12, higher education, commercial markets, libraries, fab labs and makerspaces through an expansive network of dealers, agents and many local, state, regional
