Overview

At Axiom Learning, we are transforming the future of learning by integrating science and evidence with pedagogy to develop the best educational approaches, frameworks, methods, tools, and techniques to actualize every individual learner.

Axiom offers a wide range of tools to support student and teacher development and data-driven decision making. Axiom is especially known for our tools that enable educators to exponentially impact the academic growth of students with learning differences (or unique learners) in mainstream schools.

Axiom Learning offers: 1.) Classroom and Supplemental Curriculum & Assessment Software, 2.) Professional Staff Development Training, and 3.) Tutoring Services.
