### Overview

*Inspired by the distinctiveness of Scandinavian design, we had a vision to fuse this design style with Britain's renowned craftsmanship. This blend remains at the heart of the Frövi brand today.*

*Since 1976, we've honed our skills to design & produce distinctive furniture, created through the best of British craftsmanship. Every one of our new products is created in-house from the ground up. We're a team of creative thinkers, trend spotters, pattern makers, metal workers, wood crafters, seam stitchers and comfort testers.*

*Frövi designs and manufactures innovative furniture for social spaces, crafted to meet the growing demand for a new approach to communal areas within a variety of environments. Frövi furniture is produced using a variety of materials and techniques, both traditional and innovative, to produce the distinctive Frövi style and quality.*

*At Frövi, we pride ourselves on creating forward thinking innovative products; that is why we have our own in-house designers that consistently exceed convention and deliver new concepts that create ripples throughout the industry. Based in Oxfordshire, our designers produce increasingly impressive concepts, with a keen attention to detail and the use of innovative new materials.*
