Overview

Eduporium is a trusted EdTech reseller and source for educators to discover, purchase, and successfully implement STEAM, MakerEd, and other innovative 21st century tools in instruction. Our online store is filled with vetted educational technologies – from robotics kits to 3D printers – all in one place, offering a streamlined, one-stop STEM shopping experience. Our passionate team works with the top names in STEM education to create partnerships and help bolster STEM and inquiry-based opportunities for today's students. We are a certified Minority Business Enterprise and offer a monthly technology grant, an Educator Discount program, and provide blog and webinar content to help educators and technology specialists maximize their teaching with new instructional tools and strategies.
