Overview

<p>Pacific OneSource Inc dba STS Education is a technology solutions company located in Southern California with distribution facilities throughout the US. For more than 15 years, STS has been providing the right technology for less money to K-12 schools and has been recognized by Inc. Magazine as one of the fastest growing privately-held companies since 2012. From Second-Life Hardware(TM) with a lifetime parts warranty to complete IT and network management solutions, STS is an upcoming industry leader with a foundation built on legendary customer service. The roots of STS started in 2001 when then EduTech began providing schools with reconditioned computers in response to a California state initiative that granted technology funding to high schools. In 2010 EduTech merged with Pacific OneSource, under a unified goal to provide cost-effective technology solutions to classrooms nationwide. Today, STS reaches schools throughout North America with its Second-Life Hardware(TM) and education technology.</p>
