Overview

Sabroff Technologies provides IT consulting services and solutions for customers of all sizes. Our customers include, large enterprise, state and local government, education (K-12 and Higher Ed), financial institutions, and small to medium businesses in many market verticals. Our background is in the enterprise, our passion is to bring that expertise to all our customers, regardless of size. Network, Voice, Wireless and Security are the core of our expertise. Our consultants understand how technology is leveraged by businesses of all sizes and will guide our customers to the solutions that are most appropriate for them.
