Overview

MindWorks Resources designs theme based, creative products for before, during, and after school programs looking for research and evidence based, student centered academic enrichment. The kits provide an all inclusive design incorporating collaborative activities and materials for easy implementation. MindWorks Resources has three product lines. Our Academic Enrichment kits focus on math, language, and science. Each kit provides 36 hands-on lessons, 12 for each subject. These kits include high-quality instructional materials for up to 90 students. They are aligned with National Standards and are designed for elementary and middle school. Brain Boost is our second product line. These kits focus on math and language. Each kit contains 25 lessons and materials for groups of 15 students at a time. These kits are National Standard aligned and designed for elementary school. MindWorks Resources's third product line is Imagine Kits. These kits are theme-based providing 24 to 48 lessons. Materials for groups of 15 students at a time. These kits provide optimum flexibility with an open-ended design. This product line is designed for elementary and middle school. MindWorks Resources's kits are a one-stop-shop to student engaged learning and fun!
