### Overview

*The Lion Electric Co. is an innovative manufacturer of zero-emission vehicles. We design and manufacture all-electric school buses, midi/minibuses for special needs or urban transit as well as urban trucks. Lion is a leading OEM in transportation electrification in North America. We design, manufacture and assemble many components of our vehicles, including chassis, battery packs, cabin and powertrain.*

*Always actively seeking new technologies, Lion vehicles have unique features that are specifically adapted to its users and their everyday needs. We believe that transitioning to all-electric vehicles will lead to major improvements in our society, environment and overall quality of life.*
