### **Overview**

*PMCS Services is an Austin based and public and private sector focused minority owned business specializing in IT Services. We are proud of our 17 years of continuous growth serving state agencies, municipalities, and higher education entities. Poised for dynamic future growth, we look forward to tailoring our capabilities to support your business objectives. Our Vision is to become trusted advisors and the preferred provider of superior IT services to public sector and commercial clients in Austin and throughout the united states. Our goal is guided by our People-Service-Value objectives, PMCS is focused foremost on the happiness of our valuable team members. By providing a genuine opportunity for Austin's top talent to grow and earn more, and to achieve real and lasting work/life balance, our customers experience an unmatched level of professional service. Truly happy People produce outstanding customer Service and project outcomes, which results in sustainable increases in Value for PMCS and our client relationships. Please contact our local leadership team today for further information.*
