Overview

<p>Atlas Technology Consulting and Management dba Atlas Consulting. Building Technology Assessments o Building Renovations o Master Planning o Security Risk Assessments • Building Technology Consulting o Information Technology ? Structured Cabling ? IT Equipment & Devices o Audiovisual o Public Address/Overhead Paging o Nurse Call o Smart Building Solutions ? IoT Integration ? Convergent System Coordination o In-Building Wireless Systems ? Wireless Access Point Planning ? Cellular DAS Systems ? Emergency Responder Radio Coverage Systems ? CBRS Networks o Access Control o Intrusion Detection o Video Surveillance Atlas Consulting is comprised of individuals who have worked in and around technology systems for K-12, Higher Education, Healthcare, Tenant Finish, Core and Shell, and miscellaneous other verticals for the past decade. Experience in greenfield construction, building renovations, upgrades, and retrofits. Starting with our fully prepared BIM Department, through design, and construction administration; we offer a full scope solution to ensure that all required systems both meet the end user requirements, but are also processed through the design team, as it impacts architectural, MEP Systems, and overall constructability. We are currently a certified HUB Provider through the State of Texas. We take pride in understanding each constituent impacted by our scope of work, ensuring the final build quality is comprehensive and non-invasive.</p>
