Overview

Since our founding in 2001, Solid IT Networks has been renowned and respected as the value-added reseller (VAR) that truly adds value to secure network systems. We have grown into one of the major providers of secure network sales and support in the South Central U.S. We owe this success to our relentless focus on the values that have gotten us here, and we look forward to carrying these values forward as we continue to grow SOLID RELATIONSHIPS by providing SOLID SOLUTIONS.
