### **Overview**

*Telgian Engineering & Consulting, LLC (TEC) is a full-service global engineering and risk mitigation consulting firm specializing in complex, multi-discipline public and private sector projects. TEC provides professional services related to the protection of people, property, information, and organizational mission against preventable losses.*

*TEC is a provider of strategic/enterprise risk management, fire protection engineering, industrial security, environmental health and safety, emergency management, operations continuity consulting, and construction administration services. Our professionals are dedicated to delivering value through effective safety protection solutions that meet today's risk challenges. In addition to a uniquely global perspective, we also provide in-depth knowledge of local, state, and federal compliance matters.*
