Overview

Spartan Sports Lighting provides a complete turnkey solution for any application regardless of field type, size, level of play, or existing site amenities. Manufactured in the United States and easy to install, Spartan Sports Lighting is the high-performance solution you will be proud to put on the field.

After decades of providing pre-stressed spun concrete poles and steel cross-arms to the sports lighting market, the addition of Spartan Sports Lighting and the STRATOS Sports Light further extends StressCrete Group's high level of customer service and superior quality products. Leveraging over 60 years of manufacturing and engineering experience, Spartan Sports Lighting simplifies the process of upgrading or adding high-quality field lighting to provide the best possible experience for fans, players, coaches, and students.
