Overview

KHT is an Audio video and security integrator for Texas. Technology is finding its way into the classroom more and more in our digital age, providing our children with new ways to learn. Whether it's tools that bring teaching to life or security integration that keeps schools safe, KHT equips educators with the resources they need for success. Whether your school integrates innovative tech into new construction or outfitting old classrooms with upgraded tools, we provide a custom solution to address your unique demographic and goals. We also provide our customers with training and educational resources to instill confidence and ease of use, ensuring that classroom tech doesn't hinder the educational atmosphere but cultivates it.
