Overview

Live Growth Focused: Inspiring young people to believe in themselves: Academically, Socially, and Emotionally
With the help of colleagues and students, Dr. Michelle Ihrig developed the PreK-Young Adult Live Growth Focused program to inspire students to believe in themselves through developing a growth mindset. The social emotional learning program covers the five main CASEL components. Each identical series includes nine editions: Preschooler, Pre-K Learner, Young Kid, Exceptional Learner, Kid, Tween, Teen, Young Adult, and Grown-Up; the last five books include reflection questions and action steps at the end of each chapter. In addition, companion videos, lesson plans, and extension activities are available for each edition.
