Overview

Bansar Technologies founded in 2005, is a certified Texas HUB, specialized on IT Staffing and IT Services. We have consistently provided high-quality IT Personnel in a cost-effective manner and on time.

We offer specialized resources that deliver their area of responsibility while maintaining a "big picture" perspective to ensure the overall success of the project. We identify, manage, and mitigate risk, both technical and non-technical. Our people come with extensive experience in various industries and understand the unique challenges that must be met to deliver successful projects.

Bansar has been a trusted DIR ITSAC vendor since 2006 for more than 20 Texas state agencies and many public entities.
