Overview

Bella Luna Engineering & Maintenance is a multi-disciplined multi-trade. construction and facilities maintenance company serving local, state, and federal governmental agencies as well as commercial and industrial customers. Our mission is to provide a wide range of construction, commercial trades services, whole-building envelope maintenance, and repairs with pride and respect for our services.

Established in 2017, Bella Luna is a Certified Veteran Owned (SDVOSB) Business, State of Texas Certified H.U.B. Business, and various trade licenses for the State of Texas, various national certifications, and licensed general contractor for the City of El Paso. Bella Luna is headquartered in Downtown El Paso, serving the greater West Texas area.

We currently have or have successfully completed construction, maintenance and janitorial contracts over the last 7 years with many agencies to include but not limited to: Department of Veteran Affairs, State of Texas Health and Human Services, County of El Paso, El Paso Water Utilities, State of Texas Office of Emergency Services, University Medical Center, Texas Land Management, U.S. Army Directorate of Public Works, the City of Albuquerque, and the City of El Paso.
