Overview

We create educational training programs, coaching supports, and professional development opportunities for schools and districts. Our objective is to promote research-based practices while modeling highly effective teaching behaviors and strategies.

With UnTapped Genius Coaching Firm as a partner you can expect a personalized experience designed to the specific needs of your campus and its community. Our unprecedented approach to professional development and coaching models include: observations and feedback, and mentoring while providing relevant teaching activities.

Our purpose is to produce (untap) local scholars that will become Global Graduates.
