Overview

DynEd International, Inc. develops computer and mobile-based English language teaching solutions. Our courses and assessment tools allow students to learn English by following a sequence of listening, speaking, reading, and writing. Our company provides schools with a suite of English learning tools, including software, tests, assessments, and teacher training support. Our courses cover various proficiency levels and include a range of age-appropriate courses for kids in schools to adults in corporations, airlines, and vocational schools. Our company customers include private and public schools, community colleges, universities, corporations, training organizations, and government agencies.
