## **Overview**

*iLearn Collaborative provides Consulting and PD Services to ensure that the instruction provided at a given school or district are aligned with both its learning model and its readiness for student-centered learning. Through our work, we facilitate the adoption and evolution of cutting edge technology that supports pedagogical best practice, bridging the ed tech and instructional pillars. The core of our work is to help educators reach their full potential by providing Professional Development courses, workshops, and coaching on best practices for student-centered learning. Our courses, workshops, and coaching are built and delivered for educators by educator innovators and leaders. PD content delivered to leaders and teachers provides skills and strategies that are immediately applicable in the classroom, designed for optimum participation, and available for college credit and micro-credentials.*
