Overview

CentralSquare provides software and information technology solutions specifically designed for the specialized needs of city and county governments, public safety and justice agencies, transits, state and federal government, and nonprofit organizations. Our mission is to improve quality of life by helping those who develop, support, and sustain the communities in which we live. CentralSquare brings 40 years of public sector experience to each project. Our staff has real-world experience with a deep understanding of proven industry best practices. When agencies choose CentralSquare to deliver software and implementation solutions, they are selecting a partner trusted by over 8,000 organizations, impacting 3 in 4 citizens across the U.S. and Canada.
