Overview

STAAR-Alt Helper is owned by Cindy Lovelace and husband Dave. Cindy is a retired Special Education teacher with 17 years in a low incidence classroom. She is certified to work with Special Education K-12, Emotionally Disturbed and Autism. Cindy created a set of lesson plans in the academic areas of Math, Science, American and Texas History, and Language Arts and Reading. The lessons came from experience in the classroom and apply to academic skills from Pre-K to 3rd Grade. They match the Texas Essence Statements used for STAAR testing. Using Symbolstix icons, Cindy has created communication necklaces and a dictionary used for non-verbal and ESL students. Cindy does training for special education teachers on effective teaching methods in the low incidence classroom.
