### **Overview**

*We provide Networking, Servers, storage, wireless and the services and maintenance to go along with them. We eliminate lead times on most OEMs.*

*Savvy network owners have plenty of good reasons for a hardware refresh, but "because the OEM says so" isn't one of them. That's why we created Edgeium, a sensible alternative to artificial EOS/EOL cycles and rigid maintenance contracts.*

*Edgeium exists to help you execute your vision. When you need equipment, we help you understand all the options — not just the bleeding-edge technology, but previous and current generation hardware. With a global network of equipment suppliers, CCIE-certified support, and flexible maintenance options, we help you reclaim control of your network.*

*Critical CapEx and OpEx decisions should be up to you, not your ne*
