Overview

ER2 specializes in innovative technology life cycle solutions that help organizations manage their IT Assets. We understand that when large organizations refresh their technology, it can be complicated, costly and high risk. We simplify the entire process and make it affordable and secure, giving you the ability to manage your technology efficiently and confidently. From initial purchase to disposal, ER2 lends an efficient and cost-effective solution that maximizes the impact of an organization's IT Assets and positively impacts the communities they serve.
