He's playing a little, of course. The follow up (in theaters Dec. 15) to all time box office champ *The Boyz n the Hood* is a top secret project I'm in post production, but one that Johnson is tackling proudly while playing cow "The creative work has felt like play," says Johnson, whose previous work includes the high school mur mystery *Reckless* and Lene travel drama *Lucerne*. "It's hell, reser-

In an interview conducted before the death of *Star Wars* star Carrie Fisher, who had finished her work on *Episode VIII*, the filmmaker teases about what's to come in the galaxy far, far away.

2. FANS LEARN MORE ABOUT

2. FANS LEARN MORE ABOUT 'FORCE AWAKENS' HEROES
Episode VIII continues where *The Force Awakens* left off as the journey of Jedi-in-training Rey (Daisy Ridley, former Stormtrooper Finn [John Boyega] and new X-wing pilot Poe Dameron [Oscar Isaac]). "I wanted to know more about each of them and that doesn't just mean information or back story," Johnson says. "Figure out what's the most difficult thing each of them could be challenged with now."

3. REY AND LUKE SKYWALKER

3. REY AND LUKE Skywalker DEVELOP A STRONG BOND.
The new film from the start will explore the relationship between Luke (Mark Hamill) and Rey, who shows up as his mentor in a galactic island, with his lightsaber, which means knowing what's going to happen and also having a lot of expectations in her head about how this is going to turn out," Johnson says. "It very much feels like what we all go through in adolescence, the dawning of this new chapter of our lives." The director adds that the deepening of familial themes is "a huge part of especially Rey's character, something that was a really powerful part of her setup and something I really wanted to dig into with this."

"The approach [is] hanging it with a take that I hope feels honest and real and is going to be interesting to folks and make sense," Johnson says.

"It was in the very first draft I wrote," Johnson says. So how bad does he want to get that big secret off his chest? "I'll just blurt it out right now!" he yokes. "All in good time, my friend."
