This is generally a self-certifying database. The SBA does not make any representation as to the accuracy of any of the data included, other than certifications relating to 8(a) Business Development, HUBZone or Small Disadvantaged Business status. The SBA strongly recommends that contracting officers diligently review a bidder's small business self-certification before awarding a contract.

The SBA's 8(a), HUBZone and SDB certifications are also made available to external software via: SBSS Public Web Services.

For more information, see also **SBA Certifications** in the search help page.
