## Welcome to the Dynamic Small Business Search

All search form hotlinks open a new browser window.

All form fields that require typing in data have "tooltips" with data format information.

## Search Guidance

**NEW FEATURES FOR MOBILE USERS:**  
Phone number hotlinks can be used to dial the number on mobile phones.  
Address hotlinks can be used to show the address in Google Maps.

**SBA has verified the following certifications in DSBS: HZ, WOSB, EDWOSB, SDB. Any other certification presented in DSBS (i.e., SDVOSB) is self-certified by a firm and not verified by SBA. Other than these SBA certifications, DSBS is generally a self-certifying database and SBA does not make any representation as to the accuracy of the data included. The SBA strongly recommends that contracting officers diligently review a bidder's small business self-certification before awarding a contract.**

### Search Results Display Options

Maximum number of profiles to be returned at a time:

Show All ▼

Note: "Show All" shows as many profiles as you're allowed to receive, which may increase that limit to 5000. But due to a database restriction, adding "one-to-many" fields to the profile list (next item), lowers the limit to 1000. Choosing HTML Import format,below, automatically sets "Show All".

Show the following fields in the profile list:

Name and Trade Name of Firm; Contact; Address and City,  
State Zip; Capabilities Narrative; E-mail Address

Dear vendor addressed,

You were registered on the State of Texas CMBL website under one or more of the following NIGP code 360 which includes the topic of this Request for Proposals.

The Interlocal Purchasing System (TIPS) has available now, at the link below, a Request for Proposals 201102 Floor Covering, Supplies and Services 2 Part with JOC. You are invited to participate.

<https://tips.ionwave.net/CurrentSourcingEvents.aspx>

Please note that there is no specific project to award. TIPS utilizes IDIQ Contracts, where IDIQ is an abbreviation of the term "Indefinite Delivery/Indefinite Quantity". This is a type of contract that provides an indefinite quantity of supplies or services during a fixed period of time or for the life of the awarded agreement. This solicitation was issued as a prospective award for a pricing agreement to be used when a TIPS Member entity needs the goods or services offered under the agreement."

**NOTE: Due to very restrictive email filtering for our governmental entity and to ensure I have received your email, please send all email to me delivery receipt or read receipt requested. Thank you.**

Regards,

Rick Powell
