# DSBS NEW FEATURES FOR MOBILE USERS: Phone number hotlinks can be used to dial the number on mobile phones. Address hotlinks can be used to show the address in Google Maps.

SBA has verified the following certifications in DSBS: HZ, WOSB, EDWOSB, SDB. Any other certification presented in DSBS (i.e., SDVOSB) is self-certified by a firm and not verified by SBA. Other than these SBA certifications, DSBS is generally a self-certifying database and SBA does not make any representation as to the accuracy of the data included. The SBA strongly recommends that contracting officers diligently review a bidder's small business self-certification before awarding a contract.

Please note that there is no specific project to award. TIPS utilizes IDIQ Contracts, where IDIQ is an abbreviation of the term "Indefinite Delivery/Indefinite Quantity". This is a type of contract that provides an indefinite quantity of supplies or services during a fixed period of time or for the life of the awarded agreement. This solicitation was issued as a prospective award for a pricing agreement to be used when a TIPS Member entity needs the goods or services offered under the agreement.

Best regards,

Sarah Reynolds
