Show All ▼

Note: "Show All" shows as many profiles as you're allowed to receive, which may increase that limit to 5000. But due to a database restriction, adding "one-to-many" fields to the profile list (next item), lowers the limit to 1000. Choosing HTML Import format, below, automatically sets "Show All".

Show the following fields in the profile list:

Dear Vendor,

The Interlocal Purchasing System (TIPS) is required under Federal regulations to notify SBA vendors of our procurement solicitations. You were registered on the United States Small Business Administration website under one or more of the following NAICS Codes, 236220,333415,562910,237110,238320 which include the topic of this Solicitation.

The Interlocal Purchasing System (TIPS) has available now, at the link below, Solicitation 250504 Job Order Contracting (e Converge JOC) (2 Part with CJP Accreditation). You are invited to participate.

<https://tips.ionwave.net/HomePage.aspx>

Please note that there is no specific project to award. TIPS utilizes IDIQ Contracts, where IDIQ is an abbreviation of the term “Indefinite Delivery/Indefinite Quantity”. This is a type of contract that provides an indefinite quantity of supplies or services during a fixed period of time or for the life of the awarded agreement. This solicitation was issued as a prospective award for a pricing agreement to be used when a TIPS Member entity needs the goods or services offered under the agreement.

Thank you,

Jessica Monreal

Dear MBDA,

The Interlocal Purchasing System (TIPS) is required under Federal regulations to work with the MBDA in an effort to notify potential vendors of our procurement solicitations.

You are invited to notify and encourage the companies you assist to participate in these opportunities. TIPS present procurement solicitations are available at the following link:

Thank you,
