It is okay if the member provides a general scope, but the awarded vendor should provide a written scope of work to the member as part of the proposal. Once the scope of the job is agreed to, the member will issue a PO with the estimate referenced as an attachment along with bond and any other special provisions agreed to for the member. If special terms and conditions other than those covered within this solicitation and awarded contracts are required, they will be attached to the PO and shall take precedence over those in the base contract.

Project Delivery Order Procedures

The member having approved and signed an inter-local agreement may make a request of the awarded vendor under this contract when the member has services that need to be undertaken. Notification may occur via phone, the web, email, fax, or in person.

Upon notification of a pending request, the awarded vendor shall make contact with the member as soon as possible, but must make contact with the member within two working days.

Scheduling of Projects

Scheduling of projects (if applicable) will be accomplished when the member issues a purchase order that will serve as “the notice to proceed”. The period for the delivery order will include the mobilization, materials purchase, installation and delivery, design, weather, and site cleanup and inspection. No additional claims may be made for delays as a result of these items. When the tasks have been completed the awarded vendor shall notify the client and have the member inspect the work for acceptance under the scope and terms in the PO. The member will issue in writing any corrective actions that are required. Upon completion of these items, the member will issue a completion notice and final payment will be issued.

Support Requirements

If there is a dispute between the awarded vendor and member, TIPS or its representatives will assist in conflict resolution or third party (mandatory mediation), if requested by either party.

TIPS, or its representatives, reserves the right to inspect any project and audit the awarded vendors TIPS project files, documentation and correspondence.

Special Terms and Conditions

It is the intent of TIPS to contract with a reliable, high performance vendor to supply commodities to government and educational agencies. It is the experience of TIPS that the following procedures provide TIPS, the Vendor, and the participating agency the necessary support to facilitate a mutually beneficial relationship. The specific procedures will be negotiated with the successful vendor.

- **Contracts:** All vendor purchase orders **must be emailed** to **tipspo@tips-usa.com**. Should an agency send an order direct to vendor, it is the vendor's responsibility to forward the order to TIPS at the address/email above within 24 business hours and confirm its receipt with TIPS.
 - **Promotion of Contract:** It is agreed that Vendor will encourage all eligible entities to purchase from the TIPS Program. Encouraging entities to purchase directly from the Vendor and not through TIPS contract is not acceptable to the terms and conditions of this contract and will result in removal of Vendor from Program. Vendor is expected to use marketing funds for the marketing and promotion of this contract.
 - **Daily Order Confirmation:** All contract purchase orders will be faxed twice daily from TIPS to vendor. The vendor must confirm receipt of orders to the member (customer) within 24 business hours.
 - **Vendor custom website for TIPS:** If Vendor is hosting a custom TIPS website, updated pricing must be posted by 1st of each month.
 - **Back Ordered Products:** If product is not expected to ship within 3 business days, customer is to be notified within 24 hours and appropriate action taken based on customer request.
