

TIPS VENDOR AGREEMENT

Between SOPA, Inc. **and**
(Company Name)

THE INTERLOCAL PURCHASING SYSTEM (TIPS)

For

RCSP 170801 Auditorium, Stadium, Field Seating, Bleachers and Installation Services (JOC)

PART 2 – Job Order Contract Installation Services

General Information

The Vendor Agreement (“Agreement”) made and entered into by and between The Interlocal Purchasing System (hereinafter referred to as “TIPS” respectfully) a government cooperative purchasing program authorized by the Region 8 Education Service Center, having its principal place of business at 4845 US Hwy 271 North, Pittsburg, Texas 75686. This Agreement consists of the provisions set forth below, including provisions of all Attachments referenced herein. In the event of a conflict between the provisions set forth below and those contained in any Attachment, the provisions set forth shall control.

The vendor Agreement shall include and incorporate by reference this Agreement, the terms and conditions, special terms and conditions, any agreed upon amendments, as well as all of the sections of the solicitation as posted, including any addenda and the awarded vendor’s proposal. Once signed, if an awarded vendor’s proposal varies or is unclear in any way from the TIPS Agreement, TIPS, at its sole discretion, will decide which provision will prevail. Other documents to be included are the awarded vendor’s proposals, task orders, purchase orders and any adjustments which have been issued. If deviations are submitted to TISP by the proposing vendor as provided by and within the solicitation process, this Agreement may be amended to incorporate any agreed deviations.

The following pages will constitute the Agreement between the successful vendors(s) and TIPS.

Definitions

PURCHASE ORDER is the TIPS Member’s approval providing the authority to proceed with the negotiated delivery order under the Agreement. Special terms and conditions as agreed to between the vendor and TIPS Member should be added as addendums or deleted from the PO. Items such as certificate of insurance, bonding requirements, small or disadvantaged business goals are examples of possible addenda.

Terms and Conditions

Freight

All quotes to members shall provide a line item for cost for freight or shipping regardless if there is a charge or not. If no charge for freight or shipping, indicate by stating "No Charge" or "\$0" or other similar indication.

Warranty Conditions

All supplies equipment and services shall include manufacturer's minimum standard warranty unless otherwise agreed to in writing. Vendor shall be an authorized dealer, distributor or manufacturer for all products. All equipment proposed shall be new unless clearly stated in writing.

Customer Support

The Vendor shall provide timely and accurate customer support to TIPS members. Vendors shall respond to such requests within one (1) working day after receipt of the request. Vendor shall provide training regarding products and services supplied by the Vendor unless otherwise clearly stated in writing at the time of purchase. (Unless training is a line item sold or packaged and must be purchased with product.)

Agreements

All Agreements and agreements between Vendors and TIPS Members shall strictly adhere to the statutes that are set forth in the Uniform Commercial Code as most recently revised.

Agreements for purchase will normally be put into effect by means of a purchase order(s) executed by authorized agents of the participating government entities.

Davis Bacon Act requirements will be met when Federal Funds are used for construction and/or repair of buildings. Members may determine the prevailing wage rate to be used on resulting contracts.

Tax exempt status

A taxable item sold, leased, rented to, stored, used, or consumed by any of the following governmental entities is exempted from the taxes imposed by this chapter: (1) the United States; (2) an unincorporated instrumentality of the United States; (3) a corporation that is an agency or instrumentality of the United States and is wholly owned by the United States or by another corporation wholly owned by the United States; (4) the State of Texas; (5) a Texas county, city, special district, or other political subdivision; or (6) a state, or a governmental unit of a state that borders Texas, but only to the extent that the other state or governmental unit exempts or does not impose a tax on similar sales of items to this state or a political subdivision of this state. Texas Tax Code § 151.309.

Assignments of Agreements

No assignment of Agreement may be made without the prior written approval of TIPS. Payment can only be made to the awarded Vendor or vendor assigned dealer.

Assignments of Agreements

No assignment of Agreement may be made without the prior written approval of TIPS. Payment can only be made to the awarded Vendor or vendor assigned dealer.

Disclosures

1. Vendor affirms that he/she has not given, offered to give, nor intends to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor or service to a public servant in connection with this Agreement.
2. Vendor shall attach, in writing, a complete description of any and all relationships that might be considered a conflict of interest in doing business with participants in the TIPS program.
3. The vendor affirms that, to the best of his/her knowledge, the offer has been arrived at independently, and is submitted without collusion with anyone to obtain information or gain any favoritism that would in any way limit competition or give an unfair advantage over other vendors in the award of this Agreement.

Renewal of Agreements

The Agreement with TIPS is for three (3) years with an option for renewal for additional one (1) consecutive year as provided in the related solicitation as specified on page one of this agreement. Total term of Agreement can be up to the number of years provided in the solicitation. The renewal option for the one additional year is at the agreement of the parties.

Automatic Renewal Clauses Incorporated in Awarded Vendor Agreements with TIPS Members Resulting from the Solicitation and with the Vendor Named in this Agreement.

No Agreement for goods or services with a TIPS member by the awarded vendor named in this Agreement that results from the solicitation award named in this Agreement, may incorporate an automatic renewal clause with which the TIPS member must comply. All renewal terms incorporated in an Agreement by the vendor with the TIPS member shall only be valid and enforceable when the vendor receives written confirmation by purchase order or executed Agreement issued by the TIPS member for any renewal period. The purpose of this clause is to avoid a TIPS member inadvertently renewing an Agreement during a period in which the governing body of the TIPS member has not properly appropriated and budgeted the funds to satisfy the Agreement renewal. This term is not negotiable and any Agreement between a TIPS member and a TIPS awarded vendor with an automatic renewal clause that conflicts with these terms is rendered void and unenforceable.

Shipments

The Vendor shall ship ordered products within a commercially reasonable time after the receipt of the order. If a product cannot be shipped within that time, the Vendor shall notify TIPS and the requesting entity as to why the product has not shipped and shall provide an estimated shipping date, if applicable. TIPS or the requesting entity may cancel the order if estimated shipping time is not acceptable.

Page 3 of 12

Invoices

The Vendor or vendor assigned dealer shall submit invoices, to the TIPS participant. Each invoice shall include the TIPS participant's purchase order number. The shipment tracking number or pertinent information for verification of TIPS participant receipt shall be made available upon request. The Vendor or vendor assigned dealer shall not invoice for partial shipments unless agreed to in writing in advance by TIPS and the TIPS participant.

Payments

The TIPS participant will make payments directly to the Vendor or vendor assigned dealer at net 30 days after receiving invoice.

Pricing

The Vendor agrees to provide pricing to TIPS and its participating governmental entities that is at least equal to the lowest pricing available to like cooperative purchasing customers and the pricing shall remain so throughout the duration of the Agreement.

The Vendor agrees to promptly lower the cost of any product purchased through TIPS following a reduction in the manufacturer or publisher's direct cost to the Vendor. Price increases will be honored according to the terms of the solicitation. However, the Vendor shall honor previous prices for thirty (30) days after written notification to TIPS of an increase.

All pricing submitted to TIPS shall include the participation fee, as provided in the solicitation, to be remitted to TIPS by the Vendor. Vendor will not show adding the fee to the invoice presented to customer. Failure to render the participation fee to TIPS shall constitute a breach of this agreement and shall be grounds for termination of this agreement and any other agreement held with TIPS.

Participation Fees

Vendor or vendor assigned dealer Agreements to pay the participation fee for all Agreement sales to TIPS on a monthly scheduled report. Vendor must login to the TIPS database and use the "Submission Report" section to report sales. The Vendor or vendor assigned dealers are responsible for keeping record of all sales that go through the TIPS Agreement. Failure to pay the participation fee will result in termination of Agreement. Please contact TIPS at tips@tips-usa.com or call (866) 839-8477 if you have questions about paying fees.

Indemnity

Indemnity for Personality Agreements. Vendor agrees to indemnify and hold harmless and defend TIPS, TIPS member(s), officers and employees, from and against all claims and suits for damages, injuries to persons (including death), property damages, losses, and expenses including court costs and attorney's fees, arising out of, or resulting from, Vendor's performance of this Agreement, including all such causes of action based upon common,

constitutional, or statutory law, or based in whole or in part, upon allegations of negligent or intentional acts on the part of the Vendor, its officers, employees, agents, subcontractors, licensees, invitees, whether or not such claims are based in whole or in part upon the negligent acts or omissions of the TIPS, TIPS member(s), officers, employees, or agents.

Indemnity for Performance Agreements. The Vendor agrees to indemnify and hold harmless and defend TIPS, TIPS member(s), officers and employees from and against all claims and suits for damages, injuries to persons (including death), property damages, losses, and expenses including court costs and attorney's fees, arising out of, or resulting from, Vendor's work under this Agreement, including all such causes of action based upon common, constitutional, or statutory law, or based in whole or in part, upon allegations of negligent or intentional acts on the part of the Vendor, its officers, employees, agents, subcontractors, licensees, or invitees. Vendor further agrees to indemnify and hold harmless and defend TIPS, TIPS member(s), officers and employees, from and against all claims and suits for injuries (including death) to an officer, employee, agent, subcontractors, supplier or equipment lessee of the Vendor, arising out of, or resulting from, Vendor's work under this Agreement whether or not such claims are based in whole or in part upon the negligent acts or omissions of the TIPS, TIPS member(s), officers, employees, or agents.

Attorney's Fees--Texas Local Government Code § 271.159 is expressly referenced.

Pursuant to §271.159, TEXAS LOC. GOV'T CODE, in the event that any one of the Parties is required to obtain the services of an attorney to enforce this Agreement, the prevailing party, in addition to other remedies available, shall be entitled to recover reasonable attorney's fees and costs of court.

Multiple Vendor Awards

TIPS reserves the right to award multiple vendor Agreements for categories when deemed in the best interest of the TIPS membership. Bidders scoring the RFP's specified percentage or above will be considered for an award. Categories are established at the discretion of TIPS.

State of Texas Franchise Tax

By signature hereon, the bidder hereby certifies that he/she is not currently delinquent in the payment of any franchise taxes owed the State of Texas under Chapter 171, Tax Code.

Miscellaneous

The Vendor acknowledges and agrees that continued participation in TIPS is subject to TIPS sole discretion and that any Vendor may be removed from the participation in the Program at any time with or without cause. Nothing in the Agreement or in any other communication between TIPS and the Vendor may be construed as a guarantee that TIPS participants will submit any orders at any time. TIPS reserves the right to request additional proposals for items already on Agreement at any time.

Purchase Order Pricing/Product Deviation

If a deviation of pricing/product on a purchase order occurs, TIPS is to be notified within 48 hours of receipt of order.

Termination for Convenience

TIPS reserves the right to terminate this agreement for cause or no cause for convenience with a thirty-day written notice. Termination for convenience is required under Federal Regulations 2 CFR part 200. All purchase orders presented to the Vendor by a TIPS Member prior to the actual termination of this agreement shall be honored at the option of the TIPS Member. The awarded vendor may terminate the agreement with ninety (90) days written notice to TIPS 4845 US Hwy North, Pittsburg, Texas 75686.

TIPS Member Purchasing Procedures

Purchase orders or their equal are issued by participating TIPS member to the awarded vendor indicating on the PO "Agreement Number". Order is emailed to TIPS at tipspo@tips-usa.com.

- Awarded vendor delivers goods/services directly to the participating member.
- Awarded vendor invoices the participating TIPS member directly.
- Awarded vendor receives payment directly from the participating member.
- Awarded vendor reports sales monthly to TIPS (unless prior arrangements have been made with TIPS to report monthly).

Form of Agreement

If a vendor submitting an offer requires TIPS and/or TIPS Member to sign an additional agreement, a copy of the proposed agreement must be included with the proposal. In response to submitted supplemental Vendor Agreement documents, TIPS will review proposed vendor Agreement documents. Vendor's Agreement document shall not become part of TIPS's Agreement with vendor unless and until an authorized representative of TIPS reviews and approves it.

Licenses

Awarded vendor shall maintain in current status all federal, state and local licenses, bonds and permits required for the operation of the business conducted by awarded vendor. Awarded vendor shall remain fully informed of and in compliance with all ordinances and regulations pertaining to the lawful provision of services under the Agreement. TIPS reserves the right to stop work and/or cancel Agreement of any awarded vendor whose license(s) expire, lapse, are suspended or terminated.

Novation

If awarded vendor sells or transfers all assets or the entire portion of the assets used to perform this Agreement, a successor in interest must guarantee to perform all obligations under this Agreement. TIPS reserves the right to accept or reject any new party. A simple change of name agreement will not change the Agreement obligations of awarded vendor.

Site Requirements (when applicable to service or job)

Cleanup: Awarded vendor shall clean up and remove all debris and rubbish resulting from their work as required or directed by TIPS Member. Upon completion of work, the premises shall be left in good repair and an orderly, neat, clean and unobstructed condition.

Preparation: Awarded vendor shall not begin a project for which TIPS Member has not prepared the site, unless awarded vendor does the preparation work at no cost, or until TIPS Member includes the cost of site preparation in a purchase order.

Site preparation includes, but is not limited to: moving furniture, installing wiring for networks or power, and similar pre-installation requirements.

Registered sex offender restrictions: For work to be performed at schools, awarded vendor agrees that no employee of a sub-contractor who has been adjudicated to be a registered sex offender will perform work at any time when students are or reasonably expected to be present. Awarded vendor agrees that a violation of this condition shall be considered a material breach and may result in the cancellation of the purchase order at the TIPS Member's discretion. Awarded vendor must identify any additional costs associated with compliance of this term. If no costs are specified, compliance with this term will be provided at no additional charge.

Safety measures: Awarded vendor shall take all reasonable precautions for the safety of employees on the worksite, and shall erect and properly maintain all necessary safeguards for protection of workers and the public. Awarded vendor shall post warning signs against all hazards created by the operation and work in progress. Proper precautions shall be taken pursuant to state law and standard practices to protect workers, general public and existing structures from injury or damage.

Smoking

Persons working under Agreement shall adhere to local smoking policies. Smoking will only be permitted in posted areas or off premises.

Invoices

The awarded vendor shall submit invoices to the participating entity clearly stating "Per TIPS Agreement". The shipment tracking number or pertinent information for verification shall be made available upon request.

Marketing

Awarded vendor agrees to allow TIPS to use their name and logo within website, marketing materials and advertisement. Any use of TIPS name and logo or any form of publicity, inclusive of press release, regarding this Agreement by awarded vendor must have prior approval from TIPS.

Supplemental agreements

The entity participating in the TIPS Agreement and awarded vendor may enter into a separate supplemental agreement to further define the level of service requirements over and above the minimum defined in this Agreement i.e. invoice requirements, ordering requirements, specialized delivery, etc. Any supplemental agreement developed as a result of this Agreement is exclusively between the participating entity and awarded vendor. TIPS, its agents, TIPS members and employees shall not be made party to any claim for breach of such agreement.

Survival Clause

All applicable software license agreements, warranties or service agreements that were entered into between Vendor and Customer under the terms and conditions of the Agreement shall survive the expiration or termination of the Agreement. All Purchase Orders issued and accepted by Order Fulfiller shall survive expiration or termination of the Agreement.

Legal obligations

It is the responding vendor's responsibility to be aware of and comply with all local, state and federal laws governing the sale of products/services identified in this RFP and any awarded Agreement thereof. Applicable laws and regulations must be followed even if not specifically identified herein.

Audit rights

Awarded Vendor shall, at their sole expense, maintain appropriate due diligence of all purchases made by TIPS Member that utilizes this Agreement. TIPS and Region 8 ESC each reserve the right to audit the accounting for a period of three (3) years from the time such purchases are made. This audit right shall survive termination of this Agreement for a period of one (1) year from the effective date of termination. TIPS shall have authority to conduct random audits of Awarded Vendor's pricing that is offered to TIPS Members. Notwithstanding the foregoing, in the event that TIPS is made aware of any pricing being offered to eligible entities that is materially inconsistent with the pricing under this agreement, TIPS shall have the ability to conduct the audit internally or may engage a third-party auditing firm. In the event of an audit, the requested materials shall be provided in the format and at the location designated by Region 8 ESC or TIPS.

Force Majeure

If by reason of Force Majeure, either party hereto shall be rendered unable wholly or in part to carry out its obligations under this Agreement then such party shall give notice and fully particulars of Force Majeure in writing to the other party within a reasonable time after occurrence of the event or cause relied upon, and the obligation of the party giving such notice, so far as it is affected by such Force Majeure, shall be suspended during the continuance of the inability then claimed, except as hereinafter provided, but for no longer period, and such party shall endeavor to remove or overcome such inability with all reasonable dispatch.

Services

When applicable, performance bonds and payment bonds will be required on construction or labor required jobs. Awarded vendor will meet the TIPS member's local and state purchasing requirements. Awarded vendors may need to provide additional capacity as jobs increase. Bonds will not require that a fee be paid to TIPS. The actual cost of the bond will be a pass through to the TIPS member and added to the purchase order or Agreement.

Scope of Services

The specific scope of work for each job shall be determined in advance and in writing between TIPS Member and Awarded vendor. It is okay if the TIPS member provides a general scope, but the awarded vendor should provide a written scope of work to the TIPS member as part of the proposal. Once the scope of the job is agreed to, the TIPS member will issue a PO and/or an Agreement with the estimate referenced as an attachment along with bond and any other special provisions agreed to for the TIPS member. If special terms and conditions other than those covered within this solicitation and awarded Agreements are required, they will be attached to the PO and shall take precedence over those in the base Agreement.

Project Delivery Order Procedures

The TIPS member having approved and signed an interlocal agreement, or other TIPS membership document, may make a request of the awarded vendor under this Agreement when the TIPS member has services that need to be undertaken. Notification may occur via phone, the web, email, fax, or in person.

Upon notification of a pending request, the awarded vendor shall make contact with the TIPS member as soon as possible, but must make contact with the TIPS member within two working days.

Scheduling of Projects

Scheduling of projects (if applicable) will be accomplished when the TIPS member issues a purchase order that will serve as "the notice to proceed". The period for the delivery order will include the mobilization, materials purchase, installation and delivery, design, weather, and site cleanup and inspection. No additional claims may be made for delays as a result of these items. When the tasks have been completed the awarded vendor shall notify the client and have the TIPS member inspect the work for acceptance under the scope and terms in the PO. The TIPS member will issue in writing any corrective actions that are required. Upon completion of these items, the TIPS member will issue a completion notice and final payment will be issued.

Support Requirements

If there is a dispute between the awarded vendor and TIPS member, TIPS or its representatives will assist in conflict resolution or third party (mandatory mediation), if requested by either party. TIPS, or its representatives, reserves the right to inspect any project and audit the awarded vendors TIPS project files, documentation and correspondence.

party. TIPS, or its representatives, reserves the right to inspect any project and audit the awarded vendors TIPS project files, documentation and correspondence.

Incorporation of Solicitation

The TIPS Request for Proposals or the Request for Competitive Sealed Proposals solicitation and all associated documents and forms made part of the solicitation process, including any addenda, that resulted in the execution of this agreement are hereby incorporated by reference into this agreement as if copied verbatim.

Special Terms and Conditions

It is the intent of TIPS to Agreement with a reliable, high performance vendor to supply products and services to government and educational agencies. It is the experience of TIPS that the following procedures provide TIPS, the Vendor, and the participating agency the necessary support to facilitate a mutually beneficial relationship. The specific procedures will be negotiated with the successful vendor.

- **Agreements:** All vendor purchase orders and/or Agreements/agreements must be emailed to TIPS at tipspo@tips-usa.com. Should an agency send an order direct to vendor, it is the vendor's responsibility to forward the order to TIPS at the email above within 24 business hours and confirm its receipt with TIPS.
 - **Promotion of Agreement:** It is agreed that Vendor will encourage all eligible entities to purchase from the TIPS Program. Encouraging entities to purchase directly from the Vendor and not through TIPS Agreement is a violation of the terms and conditions of this Agreement and will result in removal of the Vendor from the TIPS Program.
 - **Vendor custom website for TIPS:** If Vendor is hosting a custom TIPS website, then updated pricing must be posted by 1st of each month.
-

Term of Agreement is three (3) years with renewal options for up to one additional year as agreed by the parties and as provided in the solicitation. The solicitation provisions prevail over this paragraph.

35	Felony Conviction Notice:	(Required by the State of Texas) My firm is, as outlined on PAGE 5 in the Instructions to Bidders document: (Questions 36 - 37) Statutory citation covering notification of criminal history of contractor is found in the Texas Education Code #44.034. Following is an example of a felony conviction notice: State of Texas Legislative Senate Bill No. 1, Section 44.034, Notification of Criminal History, Subsection (a), states "a person or business entity that enters into a contract with a school district or ESC 8/TIPS must give advance notice to the district or ESC 8/TIPS if the person or an owner or operator of the business entity has been convicted of a felony. The notice must include a general description of the conduct resulting in the conviction of a felony." Subsection (b) states "a school district may terminate a contract with a person or business entity if the district determines that the person or business entity failed to give notice as required by Subsection (a) or misrepresented the conduct resulting in the conviction. The district must compensate the person or business entity for services performed before the termination of the contract."	(No Response Required)

38	If your firm is owned or operated by the following individual(s) who has/have been convicted of a felony:	Please provide details of the conviction. This is not necessarily a disqualifying factor and the details of the conviction determines the eligibility. Providing false or misleading information about the conviction is illegal.	
39	Pricing Information:	Pricing information section. (Questions 39 - 43)	(No Response Required)
40	Discount Offered	What is the MINIMUM percentage discount off of any item or service you offer to TIPS Members that is in your regular catalog (as defined in the RFP document), website, store or shelf pricing? This is a ceiling on your pricing and not a floor because, in order to be more competitive in the individual circumstance, you may offer a larger discount depending on the items or services purchased and the quantity at time of sale. Must answer with a number between 0% and 100%.	15%
41	TIPS administration fee	By submitting a proposal, I agree that all pricing submitted to TIPS shall include the participation fee, as designated in the solicitation or as otherwise agreed in writing and shall be remitted to TIPS by the Vendor as agreed in the Vendor agreement. I agree that the fee shall not and will not be added by the vendor as a separate line item on a TIPS member invoice, quote, proposal or any other written communications with the TIPS member.	(No Response Required)
42	Yes - No	Vendor agrees to remit to TIPS the required administration fee? TIPS/ESC Region 8 is required by Texas Government Code § 791 to be compensated for its work and thus, failure to agree shall render your response void and it will not be considered.	Yes
43	Yes - No	Do you offer additional discounts to TIPS members for large order quantities or large scope of work?	Yes

44	Start Time	Average start time after receipt of customer order is ____ working days?	90
45	Years Experience	Company years experience in this category?	20
46	Resellers:	Does the vendor have resellers that it will name under this contract? Resellers are defined as other companies that sell your products under an agreement with you, the awarded vendor of TIPS. EXAMPLE: Walmart is a reseller of Samsung Electronics. Instructions for Certification:

(No Response Required)

1. By agreeing to the Attribute question #56, the vendor and prospective lower tier participant is providing the certification set out herein in accordance with these instructions.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification in addition to other remedies available to the federal government, the department or agency with which this transaction originated may pursue available remedies, including suspension and / or debarment.
3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participants," "person," "primary covered transaction," "principal," "proposal" and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.
5. The prospective lower tier participant agrees by submitting this form that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.
6. The prospective lower tier participant further agrees by submitting this form that it will include this clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion-Lower Tier Covered Transaction" without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List.
8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible or voluntarily excluded from participation in this transaction, in addition to other remedies available to the federal government, the department or agency with which this

transaction originated may pursue available remedies, including suspension and / or debarment.

56 Suspension or Debarment Certification

Debarment and Suspension (Executive Orders 12549 and 12689)—A contract award (see 2 CFR 180.220) must not be made to parties listed on the governmentwide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

By submitting this offer and certifying this section, this bidder:
Certifies that no suspension or debarment is in place, which would preclude receiving a federally funded contract as described above.

57 Non-Discrimination Statement and Certification

In accordance with Federal civil rights law, all U.S. Departments, including the U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, religion, sex, gender identity (including gender expression), sexual orientation, disability, age, marital status, family/parental status, income derived from a public assistance program, political beliefs, or reprisal or retaliation for prior civil rights activity, in any program or activity conducted or funded by USDA (not all bases apply to all programs). Remedies and complaint filing deadlines vary by program or incident.

Persons with disabilities who require alternative means of communication for program information (e.g., Braille, large print, audiotope, American Sign Language, etc.) should contact the responsible Agency or USDA's TARGET Center at (202) 720-2600 (voice and TTY) or contact USDA through the Federal Relay Service at (800) 877-8339. Additionally, program information may be made available in languages other than English.

To file a program discrimination complaint, complete the USDA Program Discrimination Complaint Form, AD-3027, found online at How to File a Program Discrimination Complaint and at any USDA office or write a letter addressed to USDA and provide in the letter all of the information requested in the form. To request a copy of the complaint form, call (866) 632-9992. Submit your completed form or letter to USDA by: (1) mail: U.S. Department of Agriculture, Office of the Assistant Secretary for Civil Rights, 1400 Independence Avenue, SW, Washington, D.C. 20250-9410; (2) fax: (202) 690-7442; or (3) email: program.intake@usda.gov.

(Title VI of the Education Amendments of 1972; Section 504 of the Rehabilitation Act of 1973; the Age Discrimination Act of 1975; Title 7 CFR Parts 15, 15a, and 15b; the Americans with Disabilities Act; and FNS Instruction 113-1, Civil Rights Compliance and Enforcement – Nutrition Programs and Activities)

All U.S. Departments, including the USDA are equal opportunity provider, employer, and lender.

Not a negotiable term. Failure to agree will render your

proposal non-responsive and it will not be considered. I certify that in the performance of a contract with TIPS or its members, that our company will conform to the foregoing anti-discrimination statement and comply with the cited and all other applicable laws and regulations.

See form in the next attribute to complete entitled: Texas Education Code Chapter 22 Contractor Certification for Contractor Employees	(No Response Required)

79 Texas Education Code Chapter 22 Contractor Certification for Contractor Employees	Introduction: Texas Education Code Chapter 22 requires entities that contract with school districts to provide services to obtain criminal history record information regarding covered employees. Contractors must certify to the district that they have complied. Covered employees with disqualifying criminal histories are prohibited from serving at a school district. Definitions: Covered employees: Employees of a contractor or subcontractor who have or will have continuing duties related to the service to be performed at the District and have or will have direct contact with students. The District will be the final arbiter of what constitutes direct contact with students. Disqualifying criminal history: Any conviction or other criminal history information designated by the District, or one of the following offenses, if at the time of the offense, the victim was under 18 or enrolled in a public school: (a) a felony offense under Title 5, Texas Penal Code; (b) an offense for which a defendant is required to register as a sex offender under Chapter 62, Texas Code of Criminal Procedure; or (c) an equivalent offense under federal law or the laws of another state. I certify that: NONE (Section A) of the employees of Contractor and any subcontractors are covered employees, as defined above. If this box is checked, I further certify that Contractor has taken precautions or imposed conditions to ensure that the employees of Contractor and any subcontractor will not become covered employees. Contractor will maintain these precautions or conditions throughout the time the contracted services are provided. OR SOME (Section B) or all of the employees of Contractor and any subcontractor are covered employees. If this box is checked, I further certify that: (1) Contractor has obtained all required criminal history record information regarding its covered employees. None of the covered employees has a disqualifying criminal history. (2) If Contractor receives information that a covered employee subsequently has a reported criminal history, Contractor will immediately remove the covered employee from contract duties and notify the District in writing within 3 business days. (3) Upon request, Contractor will provide the District with the name and any other requested information of covered employees so that the District may obtain criminal history record information on the covered employees. (4) If the District objects to the assignment of a covered employee on the basis of the covered employee's criminal history record information, Contractor agrees to discontinue using that covered employee to provide services at the District. Noncompliance or misrepresentation regarding this certification may be grounds for contract termination.	None
80 Solicitation Deviation/Compliance	Does the vendor agree with the General Conditions Standard Terms and Conditions or Item Specifications listed in this proposal invitation?	Yes

81 Solicitation Exceptions/Deviations Explanation	If the bidder intends to deviate from the General Conditions Standard Terms and Conditions or Item Specifications listed in this proposal invitation, all such deviations must be listed on this attribute, with complete and detailed conditions and information included or attached. TIPS will consider any deviations in its proposal award decisions, and TIPS reserves the right to accept or reject any bid based upon any deviations indicated below or in any attachments or inclusions. In the absence of any deviation entry on this attribute, the proposer assures TIPS of their full compliance with the Standard Terms and Conditions, Item Specifications, and all other information contained in this Solicitation.	
82 Agreement Deviation/Compliance	Does the vendor agree with the language in the Vendor Agreement?	Yes
83 Agreement Exceptions/Deviations Explanation	If the proposing Vendor desires to deviate from the Vendor Agreement language, all such deviations must be listed on this attribute, with complete and detailed conditions and information included. TIPS will consider any deviations in its proposal award decisions, and TIPS reserves the right to accept or reject any proposal based upon any deviations indicated below. In the absence of any deviation entry on this attribute, the proposer assures TIPS of their full compliance with the Vendor Agreement.	
84 Texas Business and Commerce Code § 272 Requirements as of 9-1-2017	SB 807 prohibits construction contracts to have provisions requiring the contract to be subject to the laws of another state, to be required to litigate the contract in another state, or to require arbitration in another state. A contract with such provisions is voidable. Under this new statute, a "construction contract" includes contracts, subcontracts, or agreements with (among others) architects, engineers, contractors, construction managers, equipment lessors, or materials suppliers. "Construction contracts" are for the design, construction, alteration, renovation, remodeling, or repair of any building or improvement to real property, or for furnishing materials or equipment for the project. The term also includes moving, demolition, or excavation. BY RESPONDING TO THIS SOLICITATION, PROPOSER AGREES TO COMPLY WITH THE TEXAS BUSINESS AND COMMERCE CODE § 272 WHEN EXECUTING CONTRACTS WITH TIPS MEMBERS THAT ARE TEXAS GOVERNMENT ENTITIES. 2 CFR PART 200 Contract Provisions

Required Federal contract provisions of Federal Regulations for Construction Contracts for contracts with TIPS OR TIPS MEMBERS

The following provisions are required to be in place and agreed if the procurement is funded in any part with federal funds.

The TIPS OR TIPS MEMBERS is the subgrantee or Subrecipient by definition. The Rules are located in 2 CFR PART 200 - Appendix II to Part 200—Contract Provisions for Non-Federal Entity Contracts Under Federal Awards at 2 CFR PART 200

In addition to other provisions required by the Federal agency or non-Federal entity, all contracts made by the non-Federal entity under the Federal award must contain provisions covering the following, as applicable.

(D) Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of \$2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

Pursuant to Federal Rule (D) above, when federal funds are expended by TIPS OR TIPS MEMBERS, during the term of an award for all contracts and subgrants for construction or repair, when Federal Funds are expended, by the TIPS OR TIPS MEMBERS resulting for this procurement process the vendor will be in compliance with all provisions listed or referenced therein.

(E) Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be

2 CFR PART 200 Contract Provisions

required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

Pursuant to Federal Rule above, when federal funds are expended by TIPS or TIPS Members, the proposer certifies that during the term of an award by the TIPS OR TIPS MEMBERS resulting from this procurement process for construction contracts awarded by grantees and subgrantees the proposer agrees to be in compliance with all requirements listed or referenced therein.

Federal Requirements for Procurement and Contracting with small and minority businesses, women's business enterprises, and labor surplus area firms.

The Education Service Center Region 8 and TIPS Members anticipate possibly using federal funds for procurement under this potential award and is required to obtain the following compliance assurance.

1. Will you be subcontracting any of your work under this award if you are successful? (Circle one)

☒ **YES** or ☐ **NO**

2. If yes, do you agree to comply with the following federal requirements? (Circle one)

☒ **YES** or ☐ **NO**

2 CFR §200.321 Contracting with small and minority businesses, women's business enterprises, and labor surplus area firms.

(a) The non-Federal entity must take all necessary affirmative steps to assure that minority businesses, women's business enterprises, and labor surplus area firms are used when possible.

(b) Affirmative steps must include:

- (1) Placing qualified small and minority businesses and women's business enterprises on solicitation lists;
- (2) Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;
- (3) Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises;
- (4) Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises;
- (5) Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce ; and
- (6) Requiring the prime contractor, if subcontracts are to be let, to take the affirmative steps listed in paragraphs (1) through (5) of this section.

PERMA-CAP®

Hussey Seating Company provides the following warranty to the owner and operator of the facility in which Hussey Seating Products were purchased and installed in North America. The warranty period begins on the "date of purchase" shall be the date that the product is shipped from Hussey Seating Company. This warranty shall be void if the product has not been paid for in full.

WARRANTY:

Hussey Seating Company (Hussey Seating Company) warrants to the original owner for the period of five years from the date of purchase Hussey Seating Company Perma-Cap® bleacher covering system, subject to the limitations and conditions listed below, to be free of defects in materials or workmanship that, in the course of normal and proper use, result flaking, peeling, corroding, blistering or abnormal discoloration.

Hussey Seating Company will, at its option, repair, replace (excluding the cost of shipping or labor charges or other expenses of any kind associated with the installation or removal of the original or replacement product) the bleacher covering system component(s) found defective by Hussey Seating Company as follows: 100% in year 1, 70% in year 2, 40% in year 3 and 10% in year 4 and 5. Hussey Seating Company shall not have any warranty obligations after the end of the 5th year from the date of purchase.

For the purposes of this warranty, "date of purchase" shall be the date that the product is shipped from Hussey Seating Company. This warranty shall be void if the product has not been paid for in full.

TIME PERIOD:

5 Years
PERMA-CAP, End Caps & Splice Plates

EXCLUSIONS AND CONDITIONS: This warranty does not provide protection against any failure, defect or damage caused by situations, conditions or events beyond the control of Hussey Seating Company, including, but not limited to:

- Misuse, abuse, neglect or improper handling or storage.
- Improper installation or installation not in strict adherence to Hussey Seating Company's written instructions.
- Use of accessories that do not properly receive and/or secure Hussey Seating Company's products.
- Impact of foreign objects, fire, earthquake, lightening, hail, hurricane, tornado or other casualty or act of God.
- Applied Graphic Solutions.
- Movement, distortion, collapse or settling of the ground or structure on which the Hussey Seating Company product is installed.
- Negligence in or failure to provide reasonable and necessary maintenance to prevent an accumulation of surface dirt, chalk, staining or mildew, or damage resulting from the use of harmful cleaning compounds. (Please see care and maintenance instructions).
- Use of or connection with any non-Hussey Seating Company products.

In no event shall Hussey Seating Company's responsibility under this warranty exceed the amount of the product's original purchase price.

This warranty shall only extend to product in the stocking colors listed on our color chart. This warranty shall not apply to the color Black when used outdoors, or any special order colors unless Hussey Seating Company agrees in writing. The color of replacement product may be different from the color of remaining installed Hussey Seating Company product. This warranty does not cover, nor is Hussey Seating Company responsible for color differences between replacement product and remaining installed product.

Hussey Seating Company reserves the right to discontinue, modify or make changes in its products. If products covered by this warranty are not available, Hussey Seating Company has the option to substitute products of equal quality and value. Exposure to sunlight and the extremes of weather and temperature (normal weathering) will cause any colored surface to gradually fade, change color, darken, or chalk. The degree to which this occurs may be affected by air quality, the geographic location of the property or other local conditions over which Hussey Seating Company has no control. Fading and color change of the product due to normal weathering are to be expected and does not constitute "abnormal discoloration". Hussey Seating Company shall have the sole discretion to determine, based upon reasonable criteria, whether the product is suffering from abnormal discoloration.

CLAIM PROCEDURE

The original owner must give prompt notice of any defect to obtain service under this warranty. Notice of the defect must be mailed to Hussey Seating Company, 38 Dyer Street Ext., North Berwick, ME 03906. The remedies under this warranty, if applicable, shall be provided within a reasonable time after Hussey Seating Company's receipt of such notice. Proof of purchase showing the date of purchase such as sales receipt or other purchase document is required when requesting warranty service. Failure to provide satisfactory proof of purchase will void coverage under this warranty.

OTHER CONDITIONS:

This limited warranty is in lieu of all other warranties, express or implied including, without limitation, any implied warranties of merchantability or fitness for a particular purpose. Any express or implied warranty not provided herein, and any remedy for breach of contract, tort or otherwise which, but for this provision, might arise by implication or operation of law, is hereby excluded and disclaimed. Hussey Seating Company shall not be liable for inconvenience, labor, loss of time, or other incidental, special or consequential damages or losses arising in relation to the purchase or use of Hussey Seating Company products and regardless of whether arising from breach of warranty, breach of contract, negligence or other tort, or otherwise. Any implied warranties of merchantability or fitness for a particular purpose deemed applicable by law to Hussey Seating Company products shall BE limited I duration to the original purchaser for a period of FIVE years. This warranty gives you specific legal rights, and you may also have other rights, which vary from state to state. Some states do not allow the exclusion or limitations of incidental or consequential damages, or how long an implied warranty lasts, so the above limitations may not apply to you.

This is a "limited warranty" within the meaning of the Magnuson-Moss Warranty-Federal Trade Commission Improvement Act. This warranty gives you specific legal rights and you many also have other rights, which may vary from state to state.

PERMA-PLANK, Mounting Brackets [Deck, Floor and Riser Mount Attachments]

EXCLUSIONS AND CONDITIONS: This warranty does not provide protection against any failure, defect or damage caused by situations, conditions or events beyond the control of Hussey Seating Company, including, but not limited to:

- Misuse, abuse, neglect or improper handling or storage.
- Improper installation or installation not in strict adherence to Hussey Seating Company's written instructions.
- Use of accessories that do not properly receive and/or secure Hussey Seating Company's products.
- Impact of foreign objects, fire, earthquake, lightening, hail, hurricane, tornado or other casualty or act of God.
- Applied Graphic Solutions.
- Movement, distortion, collapse or settling of the ground or structure on which the Hussey Seating Company product is installed.
- Negligence in or failure to provide reasonable and necessary maintenance to prevent an accumulation of surface dirt, chalk, staining or mildew, or damage resulting from the use of harmful cleaning compounds. (Please see care and maintenance instructions).
- Use of or connection with any non-Hussey Seating Company products.

In no event shall Hussey Seating Company's responsibility under this warranty exceed the amount of the product's original purchase price.

Hussey Seating Company reserves the right to discontinue, modify or make changes in its products. If products covered by this warranty are not available, Hussey Seating Company has the option to substitute products of equal quality and value. Exposure to sunlight and the extremes of weather and temperature (normal weathering) will cause any colored surface to gradually fade, change color, darken, or chalk. The degree to which this occurs may be affected by air quality, the geographic location of the property or other local conditions over which Hussey Seating Company has no control. Fading and color change of the product due to normal weathering are to be expected and does not constitute "abnormal discoloration". Hussey Seating Company shall have the sole discretion to determine, based upon reasonable criteria, whether the product is suffering from abnormal discoloration.

CLAIM PROCEDURE

The original owner must give prompt notice of any defect to obtain service under this warranty. Notice of the defect must be mailed to Hussey Seating Company, 38 Dyer Street Ext., North Berwick, ME 03906. The remedies under this warranty, if applicable, shall be provided within a reasonable time after Hussey Seating Company's receipt of such notice. Proof of purchase showing the date of purchase such as sales receipt or other purchase document is required when requesting warranty service. Failure to provide satisfactory proof of purchase will void coverage under this warranty.

OTHER CONDITIONS:

This limited warranty is in lieu of all other warranties, express or implied including, without limitation, any implied warranties of merchantability or fitness for a particular purpose. Any express or implied warranty not provided herein, and any remedy for breach of contract, tort or otherwise which, but for this provision, might arise by implication or operation of law, is hereby excluded and disclaimed. Hussey Seating Company shall not be liable for inconvenience, labor, loss of time, or other incidental, special or consequential damages or losses arising in relation to the purchase or use of Hussey Seating Company products and regardless of whether arising from breach of warranty, breach of contract, negligence or other tort, or otherwise. Any implied warranties of merchantability or fitness for a particular purpose deemed applicable by law to Hussey Seating Company products shall BE limited I duration to the original purchaser for a period of FIVE years. This warranty gives you specific legal rights, and you may also have other rights, which vary from state to state. Some states do not allow the exclusion or limitations of incidental or consequential damages, or how long an implied warranty lasts, so the above limitations may not apply to you.

This is a "limited warranty" within the meaning of the Magnuson-Moss Warranty-Federal Trade Commission Improvement Act. This warranty gives you specific legal rights and you many also have other rights, which may vary from state to state.

PORTABLE BLEACHERS

husseyseatingTM
YOUR PARTNER FOR SEATING SOLUTIONS

Portability, Flexibility and Safety – All In One! Introducing **MAXAM 1™** Portable Bleachers

The next generation in portable bleacher seating is MAXAM 1™. Designed to be the safest and most comfortable portable bleachers available, MAXAM 1™ Portable Bleachers quickly bring the safety, comfort and durability of large gym bleacher systems to nearly any spot on your facility's campus.

One person. MAXAM 1™ Portable Bleachers are designed for quick & easy one-person transport and one-person operation. Hussey's legendary attention to detail means MAXAM 1™ was created with your environment in mind – whether that means fitting through tight doorways and onto elevators, or providing the safest portable bleacher system to own and operate.

One design. As the first – and only – closed deck portable bleachers to offer ergonomically contoured polymer seats, MAXAM 1™ delivers unmatched comfort. MAXAM 1™ Portable Bleachers aesthetically match our MAXAM telescopic bleachers for a seamless gymnasium appearance. Easily pump up the spirit with our customization options; you can even choose the decking material that works best for you.

Get the one changing the game. Take the great quality and durability of MAXAM anywhere you want to go – our tough yet lightweight aluminum frame means you can use MAXAM 1™ virtually anywhere*. Take your seating from courtside to rink-side, indoor pool to cafeteria, auditorium stage to meeting room with a new level of ease, safety and comfort backed by a best-in-class 5-year manufacturer's warranty.

One simple move. Designed to fit thru multi-directional casters make it easy courtside anymore – take MAXAM 1™ common freight elevators or large cap floor to floor.

Engineered for Easy Use Facility-Wide.

One minute – one person. We engineered MAXAM 1™ Portable Bleachers to be operated by a single person. Just extend each of the traction arms, tip the unit, give it a gentle push to lock it down, and it is ready to go. Gas struts provide a controlled descent and lift assistance to ensure easy operation. No more waiting for a crew or scheduling extra labor – just keep saving labor time and cost for the entire life of your seats.

One answer – anywhere. MAXAM 1™ colleges, fitness clubs, retail & corpor sports fields and playgrounds. Handli together. You can even use it outdoor outside the gym!

Get Seating with More Safety and Comfort.

One safe solution– anywhere, anytime! Safe seating is our first priority as well as yours. MAXAM 1™ sets a new standard for tip & roll bleachers by featuring a closed deck design to eliminate fore to aft openings and actively prevent foot slip-through injuries. Choose from classic wood decking or slip-resistant Polydeck in several colors. The gas strut controlled descent and lift assistance prevents back injuries and limit liability.

One comfortable solution. Comfortable portable bleachers are no longer a dream with MAXAM 1's™ CourtSide™ polymer seat modules. Incorporating a unique fore to aft contoured seat and a gradual "waterfall" curve on the forward edge, they reduce pressure to the thighs regardless of leg position. Seat spacers with or without cup holders are also available.

Through a door as narrow as 32" (813mm) wide, MAXAM 1's™ portable bleachers can be moved to get your seating to where it's needed. You're not stuck with traditional bleachers all over campus. Since it will even fit onto capacity passenger elevators, you can easily move units from

Complete Customization Options.

The end of each seat row offers a spot for your school's logo, mascot, or spirit message. These durable graphic logos are full-color and customizable.

Choose from over 15 standard colors for our CourtSide™ seat modules, or opt for custom color matching to turn up the school spirit.

MAXAM 1's™ Portable Bleachers fit in just about anywhere – schools, athletic training areas, recreation facilities, community centers, and larger groups is easy – simply connect multiple units temporarily in protected areas*. Get creative, and think

Standard or Custom Solutions

Designed for installation on flat and level surfaces, standard Angle Frame Bleachers are offered in 5, 8, 10, 15 and 20 rows. Our standard designs can be custom engineered for your specific site and seating needs.

Accommodates Expansion

As your facility and seating requirements increase, this type of bleacher system provides the flexibility of adding additional seats to continually meet the demand.

Versatility

Can be customized to accommodate various seating options including benches with straight backs, individual VIP chairs and armrest to designate exact seating for reserved areas.

An Economical Standard

For the ultimate in cost effective spectator seating, standard Angle Frame Bleachers provide the top quality features you expect, at a cost that will fit any budget for indoor and outdoor venues.

Recommended for:

Football	Baseball	Softball
Soccer	Lacrosse	Tennis
Track	Motorsports	Aquatic
Rodeo	Exposition	Ice Rink

Economical & versatile seating for all indoor and outdoor venues.

Structure

Our standard Angle Frame bleachers are built using a galvanized steel box frame construction that includes cross bracing and stringers spaced at 6 feet on center. Offered in both elevated or non-elevated applications and optional aluminum frame understructure.

Finish Applications

Standard features include anodized aluminum seating and risers, semi-closed or closed mill finished decks. Options include bench seating with straight backs or VIP chairs, press boxes, ramps, stairs or walkways.

Warranty

All Sturdisteel Products are warrantied for five years beginning at date of substantial completion of project - free from defect in materials and workmanship in the course of manufacture. This warranty excludes any other defects resulting from abnormal use, accidental or intentional damage or any occurrences beyond manufacturer's control.

Gross Seating Capacities

Gross seating is based on 18" per seat and is the total seating area (total rows multiplied by seating area length, divided by 1.5"). Net seating is the gross seating, less the seating lost due to aisles and handicap spaces requirements, and will vary based on local building code requirements. Net Seating is approximately 85% of Gross Seating and is the actual seating capacity.

THE TOTAL PACKAGE

From our brand new XtremeLogo™ bleacher graphics that make your gym come alive to our Clarin® portable logo chairs, the Total Package Graphics Program helps create the ultimate gymnasium. Inspire your team, students and community with vibrant colored rails, spirited CourtSide™ Contour Backrests, integral CourtSide seat graphic logos, vivid Safety End Closure Curtain graphics, exciting Media Platform Rail Sleeve graphics, and our sleek new StepSigns™ and CourtSigns™. The customization options are nearly endless!

"The bleachers have generated a great deal of school pride with our student body. The kids are so proud when players from opposing schools come into the gym and comment on how beautiful the bleachers are. They've turned a nice gym into a state of the art gym...it's stunning!"

XtremeLogo

The cornerstone of the Total Package Graphics Program, the XtremeLogo places your school's mascot or logo on a grand scale in the center of your bleacher sections. Using a proprietary graphic transfer process, your XtremeLogo is permanently bonded to the CourtSide bleacher seats – no peeling, scuffing or scratching. Whether the bleachers are opened or closed, your logo will impress.

Clarin Portable Sideline Chairs

The choice of colleges and pro teams nationwide, Clarin portable chairs offer state-of-the-art logo customization for backs, seats and even seat gussets. Durable, full-color imprints of your mascot, logo, and spirit message give big-league sideline impact. Clarin's proven worry-free dependable performance is legendary, delivering decades of service with the flexibility of interchangeable seats and backs.

CourtSide™ Graphic Logos

CourtSide gym seat modules offer a spot for every fan to see your school's logo or mascot at the end of each seating area. These durable, full-color custom graphic logos can even be individually customized for section designation.

StepSigns™

These ultra-durable full-color signs are pre-applied to the front of bleacher aisle steps during manufacturing. Offering full-color to single color imprinting, they are a great place to remind students, fans and competitors of your school motto or spirit message.

CourtSigns™

Featuring the same material and imprinting options as StepSigns, CourtSigns are pre-applied to the bleacher skirt boards during manufacturing. Their longer runs and placement make them ideal for ringing the court with your school name.

Media Platform

The rail sleeves of both detachable or permanently installed Media Platforms are the perfect spot to bring together your full-color logo, mascot, school name and spirit message to top off your bleachers with a message visible from anywhere in your gym.

THE TOTAL PACKAGE (cont.)

Portable Chair Storage Carts
Put an end to haphazard sideline chair storage with our specially engineered Clarin® chair storage carts. Make set-up and break down a breeze by using stacking, hanging, flat or studio carts to keep your chairs organized and all in one place.

Backrests and Seat Spacers
Contrasting color CourtSide™ CB contoured bleacher backrests deliver truly comfortable bleacher seating and turn up the spirit. They can be incorporated anywhere on your bleachers, with or without seat spacers.

Safety End Closure Curtain
MAXAM® bleacher end curtains boost gym security while displaying your school pride. Vibrant full-color customization can run all the way off the edges in large full-bleed designs to wow people with your spirit as soon as they walk in the door.

Auto-Rotating Center Aisle Rails
This Patent pending rail is permanently mounted to the bleacher, and automatically rotates to the proper open or closed position as you operate the bleacher with the push of a button. No tools, no labor, no more missing or improperly positioned rails.

Colored Rails
Your bleacher aisle, end, front and rear rails carry on your school's color scheme in one or more colors. Choose from a variety of standard color options or custom color matching to bring out school pride with a punch of color.

XTREMELOGOS™

FLEX-ROW™

Flex-Row is the crowning achievement of MAXAM®. It paves the way for your facility to easily accommodate the most challenging team sport and public access seating requirements. Create an endless variety of configurations to accommodate constantly changing needs like team seating, wheelchair access and scorer's tables.

Over time, seating codes, standards and regulations change. Why not give telescopic users the maximum flexibility to respond? Flex-Row™ is the answer, a bold stroke in quick utility.

In its unused position, Flex-Row maintains a standard telescopic bleacher appearance. In only minutes, you can easily re-configure your first bleacher row into any number of lock-in layouts to provide a variety of ADA solutions instead of just one. From a single wheelchair with a seated companion all the way up to a group of several wheelchairs, Flex-Row can handle them all.

Easy-access activator, no remote or operation pendant required

Flex-Row also can open up bleacher cut-outs to provide a space for portable team sideline seating and scorer's tables. No matter what the use, Flex-Row features fully enclosed skirting to provide an added measure of safety for fans and students while keeping debris out from under the bleachers. Your Flex-Row can even include backrests to create VIP sideline seating that is fully retractable, or to provide integral visiting team seating.

Flex-Row keeps delivering benefits after the game too. When the entire bank of bleachers is closed, Flex-Row can be pulled out to provide the day-to-day gymnasium seating demanded by coaches, teams and P.E. classes. In these situations, Flex-Row naturally limits student climbing behaviors by providing a convenient place to sit and put book bags.

No matter what the use, you do not need keys, special tools, power, remotes or pendants to operate Flex-Row. The concealed mechanism is easy to operate with just a pull of a lever by your facility staff, coaches or even your faculty.

BLEACHER SEATING SOLUTION

Hussey's telescopic bleachers can be topped with a variety of different seating solutions. Choices range from classic wood benches to individual polymer seat modules, backrests, seat spacers and even cup holder options. With all of the seating and row spacing options available for MAXAM®, you can leave cookie-cutter bleachers behind and get the perfect bleacher system to match your facility's specific needs.

CourtSide CB Contoured Backrests

CourtSide XT Seat Spacer

A New Dimension of Comfort

Comfortable bleachers are no longer a dream, courtesy of Hussey's CourtSide™ modular gym seat line. Seat modules, contour backrests and seat spacers are just the ticket for seating spectators in truly comfortable bleacher seats – a welcome surprise for your fans.

CourtSide is completely modular, and using any piece of the CourtSide line will deliver an enhanced level of comfort to your bleacher seats. You can use all three types of modules throughout your gym, or mix and match to create different levels of seating within the same bleacher bank. Easily create a first row of integrated team seating, or build a section of reserved VIP seating for season ticket sales to your boosters.

Hussey's Courtside modular gym seat line includes two sizes of contoured seat modules, CourtSide CB contoured backrests, and CourtSide XT Seat Spacers, either with or without cup holders.

CourtSide CB backrests are ergonomically designed for maximum comfort. While cheering on the team, spectators can lean back and enjoy ideal low- and mid-back support. CB backrests are also designed for maximum fan safety and easy bleacher cleaning. One person can raise or lower up to seven interconnected backrests at a time, which minimizes labor and operational costs.

CourtSide XT seat spacers increase personal space by nearly 25%. This truly comfortable individual seat space better accommodates larger people who appreciate extra elbow room. Cup holder versions are available so you can maximize fan comfort and convenience.

Like all Hussey products, our CourtSide comfort features are engineered for quality and ease of use.

ROW SPACING

MAXAM® offers three different row spacing choices depending on capacity expectations. Standard dimensions are 22" (559 mm), 24" (610 mm), and 26" (660 mm). For larger gymnasiums or collegiate facility dimensions, MAXAM+™ allows for 30" (762 mm), 32" (813 mm) or 33" (838 mm) row spacing. As the row spacing increases, the required actual seat width decreases, influencing true seating capacity.

Seating Options

CourtSide™ XCS12

The world's only ergonomically designed gym seat module, the CourtSide XCS12 provides an individualized compound contoured seat that incorporates modern styling, dual texturing and waterfall edges. 12" (305 mm) wide and manufactured from 100% recyclable materials, the CourtSide is the perfect blend of ergonomic comfort, modern design, performance and value.

CourtSide XC10

CourtSide XC10 incorporates a unique fore to aft contoured seat and a gradual "waterfall" curve on the forward edge that reduces pressure to the sensitive region of the thighs regardless of the leg position. 10" (254 mm) wide. 100% recyclable.

Classic Wood

All our wood boards are finger-jointed Southern Pine Grade "B&B", the finest available. Each is triple sanded and finished with two separately UV cured coats of urethane.

Seating Customization

Fold-Down Bleacher Chairs

Do you need fold-down chairs on your telescopic seating? Look no further than our MAXAM+™ telescopic platforms with 30" to 33" (762 mm - 838 mm) row spacing. Our comfortable and stylish Metro™ chairs are available on just a few rows or your entire MAXAM+ system. Metro chairs are available in upholstered or all-polymer versions, and fold and store in the unit when closed. Available with either semi-automatic or foot assist operating mechanisms.

Standard Colors

The CourtSide™ XC10 and XCS12 are available in 15 standard colors. For accent lines, attention-grabbing signature logos or sticking with a solid color theme, CourtSide is your ideal seat. Production plastic and powder coat colors can vary from printed samples shown, so Hussey makes sample chips available upon request. Custom color matches are also available.

Signature Logo Program

Your local Hussey dealer will work with your community or school to develop a logo design that makes everyone proud. With the MAXAM Signature Logo Program, it is easy to create the most colorful and spirited bleacher logo design.

WALL ATTACHED

Our most popular telescopic gym seating solution. Wall attached systems are supplied in 3 to 30 tier banks, are extremely adaptable, and efficiently recover floor space, allowing you to easily get the most out of your facility at all times.

REVERSE-FOLD

Often utilized for balcony seating areas, reverse-fold systems retract from back to front to create additional space behind the unit. This space can be used for practice areas, batting cages, volleyball, gymnastics or any wide array of uses. Add back panels for a cleaner look, more versatility and improved safety.

Wall Attached Closed

Pendant Control
Pendant controls allow the operator to see the entire bank as it opens and closes—an important safety precaution. The pendant control can be easily removed to prevent unauthorized use.

Wireless Remote Control
All of the built-in safety features of our standard pendant control, with the additional convenience and freedom of movement offered by wireless operation.

Reverse-Fold Closed

Reverse-Fold Open

Reverse-Fold Delayed Action
Further increase your usable space by up to 3' (914 mm) with MAXAM's delayed action feature. The entire closed bleacher stack moves forward on a linkage to recover additional floor space.

RECESSED

This system utilizes a pocket in the wall to house the bleacher when closed. The ends may or may not be exposed, and the bleacher is hidden from view typically under a balcony or mezzanine.

Recessed bleachers are outfitted with upper and lower tracking guides, removable end rails, and can accommodate custom transition steps to the balcony when required.

PORTABLE & FREESTANDING

Portable

These bleacher sections allow you to easily move and store bleachers where you want them. Create any number of custom seating layouts for different events. Units may be equipped with locking floor pintels for extra safety and security.

Freestanding

With a hettler rear column that's permanently secured to the floor, these bleachers provide design flexibility for buildings that can't support wall loading or where wall loading is marginal.

Traveling Units

A hybrid of recessed and portable banks, traveling units use integral power to drive the entire bank from one setup position to another. Set-up time is greatly reduced compared to individual portable sections.

One minute – one person. We engineered MAXAM 1™ Portable Bleachers to be operated by a single person. Just extend each of the traction arms, tip the unit, give it a gentle push to lock it down, and it is ready to go. Gas struts provide a controlled descent and lift assistance to ensure easy operation. No more waiting for a crew or scheduling extra labor – just keep saving labor time and cost for the entire life of your seats.

One answer – anywhere. MAXAM 1™ Portable Bleachers fit in just about anywhere – schools, colleges, fitness clubs, retail & corporate training areas, recreation facilities, community centers, sports fields and playgrounds. Handling larger groups is easy – simply connect multiple units together. You can even use it outdoors temporarily in protected areas*. Get creative, and think outside the gym!

UNDERSTRUCTURE

Performance, Flexibility and Safety

A. Posi-Lock™ LX

These automatic row locks prevent accidental closure when the system is in use. This patented, innovative, low-profile design minimizes the chance of accidental damage, ensuring consistent operation.

B. Nose & Riser Beam

These rolled form structural members provide continuous deck support, and are through-bolted to the frame and stabilizers. These designs deliver unparalleled strength, durability and rigidity.

C. Continuous Positive Interglide

This interlocking glide system is a rigid, one-piece formed design which tracks better and operates easier than systems with 1/2" (13 mm) row to row engagement. The 10" (254 mm) minimum interlock provides the industry's most rigid, stable design. Our wheels are 5" (127 mm), resulting in less rolling friction.

D. Captive Interlock & Adjustable Row Stops

The Captive Interlock System engages and aligns deck to deck. In addition, MAXAM® can be configured for three different row-spacing setups—adjustable on-site if required. MAXAM incorporates three stabilizer assemblies per section to provide improved tracking and stability.

E. Independently Locking Flex-Row™

Each Flex-Row is equipped with an independent self-locking mechanism to deliver maximum flexibility, performance and safety.

F. Full-Length Captured Decking

Decking is captive in the riser beam and rests on the nose, firmly secured by the seat bracket. This system provides a stiff, secure walking surface with no exposed hardware. MAXAM is the only telescopic gym seat that utilizes transverse decking, using decking materials in accordance with their industry span rating. Thoroughly load tested and independently verified, MAXAM's continuous full-length deck support system provides an enhanced level of performance, safety and stability.

G. Slant Frame Design

Load-tested and certified for 30 tier single stack sections up to 25' 6" (7772 mm), our slant frame design delivers improved cantilever strength and capacity. It also simplifies the installation process, reducing downtime for the facility. Critical support areas are all fastened with bolts, lock washers and hex nuts. Only MAXAM incorporates a steel to steel connection where the frame meets the wall, creating a stronger union and a safer gym seat.

H. Tension Bracing

Through bolted to the frame to provide additional stability. All bracing is coined to remove sharp edges, and all ends are rounded for safety.

Rail Options

New Auto-Rotating Center Aisle Rails
Hussey's breakthrough center handrail design ensures your patrons will always find a secure hand hold while moving up or down the aisles – while dramatically reducing the labor of properly opening or closing your gym bleacher. This Patent pending rail is permanently mounted to the bleacher, and automatically rotates to the proper open or closed position as you operate the bleacher with the push of a button.

Colored Rails (Left)
Carry your color scheme throughout the facility with one or more of our palette of standard colors to show your school spirit. Aisle rails, end rails and front or rear rails can all be customized to match your school colors. Ask your Hussey dealer for more information.

Center Aisle Hand Rails
Safety rails include fixed, folding and removable options and feature a safe, fully closed design.

Fixed Front and Rear Rails
An ideal solution for truncations, elevated front aisles, freestanding, portables and reverse fold systems. All rails maintain a consistent design appearance.

Media Platform

Perfect for videotaping, photography, radio broadcasting or team talent scouting, the Hussey Media Platform creates a workable space for covering all the action. Optional rail sleeves can be customized to promote school spirit or generate revenue.

Fold & Stow Center Aisle Hand Rail
Requires no tool and stores on the deck in the bleacher's closed position. Rail rotates and snaps into place.

Self-Storing End Rails
This stylish self-storing rail is designed to meet the most stringent codes for rail loading and sphere passage. Add 12" (305 mm) to bank length for each railed end.

Powerglide™ Automatic Aisle Rails
Maximum safety with minimal effort. Open, the rail provides almost continuous support down the aisle. The rails automatically fold to the closed position as the bank closes.

Other Options

Safety End-Closure Curtains
Prevent unauthorized access to the underside of the bleacher, misuse that can result in injury, vandalism and potential liability risk. With Hussey Safety End-Closure Curtains, you can boost gym security while displaying your school pride. Built school-tough, they work beautifully and securely on new or existing bleachers. And Hussey offers the capability for full-bleed designs—including photographs. When paired with the CourtSide™ graphic logo, you can carry your school's identity throughout the gym.

CourtSide
Graphic Logo

Aisle Steps
Intermediate steps at each vertical aisle are mounted to the deck providing code-compliant rises and tread depth. Steps are fitted with non-skid strips and offer rounded edges to enhance safety.

Power Assist
Portable power permits one person to open and close manual sections by moving the tractor from section to section. Operates on standard 115 volt 20 amp service.

Integral Power
MAXAM®'s Powered Frame design applies force where needed—at the frames—and allows for better tracking over uneven floors. With five power options available, you buy only the power you need.

Elevated Front Aisle
Elevated front aisles start at various heights and run the length of the first row of the bleacher. EPA's improve sight lines and are ideal installations for hockey rinks and more. All can be outfitted with front rails, end rails, front panels or access stairs. An ideal solution to facilitate egress and accommodate your individual building requirements. Access stairs can be added as an option.

Motion Monitor
Audio-visual warning for an integrally powered unit that provides a flashing light with self-contained warning horn. Rated at 85 dB, it activates when bleachers are in motion.

Limit Switch
Limit switches ensure the motor stops once the bank is completely open or closed.

Sustainability

At Hussey Seating, respecting the landscape we live in—and the hard work and well-being of the people we work with—has always been in our DNA and part of our heritage. Our commitment to environmentally friendly business practices has taken many forms over the years as standards and technology have changed.

In the 1970s, when the rest of the nation began to become more environmentally aware, we had already laid walking trails and planted a tree farm on our beautiful Maine campus. Today, going green means developing environmentally friendly paints and finishes, sourcing sustainable woods and metals, going beyond local and national regulations in clean manufacturing and waste disposal, and making deliveries on time while reducing our carbon footprint. We reduced our air emissions by 90% while tripling our seating business. We know green business is good business.

Hussey seating solutions come in a wide range of colors—but every day our seats get greener. If you'd like to learn more about our sustainability efforts, please visit our website at www.husseyseating.com/sustainability

Hussey Seating Company™

The Hussey Seating Company story dates back to 1835 with William Hussey's tremendously successful plow design, and thus, the Hussey Plow Company was born. As times changed over the next sixty years, the family set about reinventing the business, evolving into the company that is now seating the world. Today, under the sixth generation of family leadership, Hussey Seating Company is proud to be known as the leading manufacturer of seating solutions throughout the world – in stadiums, arenas, schools, universities, colleges, places of worship and anywhere people gather.

YOUR PARTNER FOR SEATING SOLUTIONS

The Economical Bleacher Replacement

Perma-Cap® covers enhance and protect your bleacher investment, with installation and maintenance costs approximately half that of refinishing or replacing existing seating. In fact, Perma-Cap covers are a snap to install by your maintenance crew or an athletic boosters club.

Made from durable, UV stabilized vinyl, Perma-Cap covers maintain color fastness and impact properties over years of outdoor exposure, so pre-season maintenance is a breeze. And since Perma-Cap acts as an insulator, it won't draw heat from your body like aluminum will, making it an ideal way to add color and comfort to your existing aluminum grandstand.

Perma-Cap will rejuvenate your indoor gym bleachers as well. Perma-Cap eliminates the costly replacement and maintenance associated with lumber, and the vibrant colors will add a splash of school spirit as well!

For a complete plank replacement use Perma-Plank®, a sturdy galvanized steel plank covered with a durable layer of vinyl. The result is extra stable seating that can stand up to the worst weather, or glaring sunlight, for years on end without cracking or fading.

Hussey Seating Company™

The Hussey Seating Company story dates back to 1835 with William Hussey's tremendously successful plow design, and thus, the Hussey Plow Company was born. As times changed over the next sixty years, the family set about reinventing the business, evolving into the company that is now seating the world. Today, under the sixth generation of family leadership, Hussey Seating Company is proud to be known as the leading manufacturer of seating solutions throughout the world – in stadiums, arenas, schools, universities, colleges, places of worship and anywhere people gather.

SUPERIOR DESIGN

Create an extraordinary spectator seating experience with Quattro® fixed seating by Hussey Seating Company. Beautiful sculptural lines, state-of-the-art materials, ergonomic comfort and unprecedented flexibility are just a few of the features that set Quattro apart from the rest.

Choose from the contemporary **Quattro Collection** or the classic **Quattro Traditional Collection**, each offering our four sleek, modular seat series – Designer, Classic, Soft Side and Performance. No matter which you choose, every Quattro seat is backed by the Hussey Seating limited lifetime warranty – the best in the business.

Quattro Collection
From top to bottom, every aspect of the Quattro Collection has been designed to balance form and function in beautiful new ways. While you may opt for available end panels, Quattro Collection's stanchions are designed to be so captivating, they can stand all on their own.

Quattro Traditional Collection
A perfect blend of old and new, the Quattro Traditional Collection has a traditional stanchion and end panel, providing an elegant solution for those who prefer a more classic look. It's also a perfect solution when retrofitting to match an existing décor.

Whatever your auditorium layout, Quattro seats provide the design and dimensions you need to make a seating layout that works. Contact your local Hussey Seating expert today to start creating your custom Quattro seating layout.

THE QUATTRO® STORY STARTS AT THE BACK

The modular Quattro Collections are built on four superb seat styles, each featuring a chair back created for a distinct aesthetic and practical effect. With more choices for more applications, the Quattro Collections are built from the ground up to be different. By design.

Designer Series
The elegant upholstered Designer Series, complete with finished outer back, makes an impressive statement. Choose from a broad selection of wood veneers and quality laminates for a stunning look.

Classic Series
Timeless style, great looks and a durable polymer outer panel. The hard-working Classic Series offers all this and your choice of upholstery and tailoring options. A true multi-purpose classic.

Soft Side Series
Audiences will appreciate the plush comfort, beautiful styling and excellent acoustic qualities of the Soft Side's luxurious, fully-enveloped upholstered design.

Performance Series
Designed for high-use environments, the Performance Series is virtually maintenance free, yet still upholds Quattro's high standards for comfort, style and long-lasting performance.

DESIGNER SERIES

As elegant as it is functional, the Designer Series seat style combines rich wood or laminate tones and plush upholstered seats to offer the ultimate in fixed spectator seating. A simple, yet stunningly smooth back design creates an amazing visual effect from the back of the venue, while the luxurious upholstery and quilting options demand attention from the front. Not only will your events "wow" the crowd, so will your Designer Series seating.

PERFORMANCE SERIES

Discover seating as versatile as it is durable, attractive and safe. Sports arenas, entertainment venues, or educational facilities - the Quattro® Performance Series is comfortable in any setting. This affordable seating is designed for performance with an eye for beauty and style. And because Quattro Performance Series seats are interchangeable with other Quattro products, they're easy to upgrade or mix and match. You can easily create tiered seating that goes from polymer to plush, while maintaining a singular aesthetic style.

Performance Series - Plyform

Blending classic plywood design with advanced Hussey performance and safety, the Quattro® Performance Series Plyform stands up to the rigors of your school environment. The seats and backs are made from 11-ply cross-banded plywood. Flat-sided traditional oval steel stanchions add strength as well as style. Plus, our signature seat back design extends below the seat to keep toes from getting pinched.

A. Quattro Traditional Performance - Plyform

D. Quattro Performance - Polymer
Crescent back and cast aluminum standards.

Performance Series - Polymer

Quattro Performance Series Polymer seats are fashioned in school-proof polymer with style that adds a touch of class to auditoriums. Each part is easy to replace, and the seats are easy to upgrade with shared Quattro components.

All Performance Series chairs are available with optional tablet arm, including our new TR-1 Tablet when equipped with our Traditional steel stanchion. The TR-1's large (110 Sq.In.) tablet stows completely within the chair space, and yet provides more seating space for the user when in use than traditional tablets. It's panic proof operation features a controlled return mechanism to ensure smooth, quiet operation.

Customize your Performance Series Polymer seats with a plain, jungle or crescent style back. Available with cast aluminum, steel or traditional steel stanchions.

PERFORMING ARTS

In a perfect union of aesthetics, functionality and comfort, Quattro® is the perfect seating solution for performing arts venues. Designed to match the stunning architectural accents of your facility, Quattro seats are just as much a part of the show as the act is. Plus, with Quattro's whisper quiet seats you won't have to worry about distracting noise as patrons shuffle in and out of their seats.

Nostalgia End Standard Option

Creating the Look of Yesteryear

The Quattro® Nostalgia end standard option provides design lines of the golden live performance era. The decorative cast steel end standard can be customized with a logo or design to meet your architectural requirements. The scrolled wood armrest provides a fine finish detail to enhance the overall look of days gone by.

EDUCATION

Whether your goal is a luxurious lecture hall or a smaller, more affordable classroom, Quattro® has a fixed seating solution that fits the bill. For a formal lecture hall, choose the Quattro Designer Series or Classic Series, and for a less expensive option choose one of the Performance Series seats. No matter which seat you choose, you'll be happy with the durability, style and comfort.

Sustainability

At Hussey Seating, respecting the landscape we live in—and the hard work and well-being of the people we work with—has always been in our DNA and part of our heritage. Our commitment to environmentally friendly business practices has taken many forms over the years as standards and technology have changed.

In the 1970s, when the rest of the nation began to become more environmentally aware, we had already laid walking trails and planted a tree farm on our beautiful Maine campus. Today, going green means developing environmentally friendly paints and finishes, sourcing sustainable woods and metals, going beyond local and national regulations in clean manufacturing and waste disposal, and making deliveries on time while reducing our carbon footprint. We reduced our air emissions by 90% while tripling our seating business, so we know green business is good business.

Hussey seating solutions come in a wide range of colors—but every day our seats get greener. If you'd like to learn more about our sustainability efforts, please visit our website at www.husseyseating.com/sustainability

YOUR PARTNER FOR SEATING SOLUTIONS

MORE THAN JUST A GAME

A fan's seat is often the foundation of their entire experience at a game or event. Shouldn't your seats have as much thought put into them as you've put into the rest of the fan experience? We think so.

Here at Hussey Seating, we know a comfortable fan is a returning fan. That's why we put so much thought into designing our seats specifically for spectator events. Details like recessed hardware, ergonomic contours, and durable components combine with our decades of expertise to create comfortable seats that last season after season.

Our tradition is to listen to you, understand your unique needs, and collaborate with you to create the perfect solution. The result? Seating tailored specifically for your venue, no matter what type you need and where you need it. Durable seats that can stand up to thousands of spirited people, year after year. And comfortable fans who can't wait to come back for more.

DESIGNED TO PERFORM

Our decades-long history of seating the biggest and best sports facilities has provided us with a wealth of knowledge that makes our products the most reliable performers in the industry. We are dedicated to bringing our world-class quality to seating projects of every size.

Whether you are seating a few hundred fans or tens of thousands, Hussey Seating offers you the same quality, comfort and engineering innovation that we use in our professional-grade installations around the world. From small schools and local amphitheatres to leading universities and pro sports venues, Hussey delivers the perfect seating solution for your space. No one can offer more expertise in spectator seating of every kind, backed by an unrivaled network of local experts ready to assist you for the entire life of your seats.

LONG-LASTING QUALITY

Hussey offers the most reliable line of fixed chairs in the industry today. Our Fusion™, Legend™, and Quattro Extreme™ chairs have the proven strength and easy-cleaning convenience to withstand even the most raucous crowds, harshest weather conditions and messiest concession foods — year after year. We maintain strict quality controls throughout the production process, using state-of-the-art molding and solid cast aluminum or cast iron standards for all of our chairs. And it's all backed by the industry's best warranty.

FUSION™

Combining invincible strength with style and comfort, Fusion features contemporary lines, a smooth polished finish and unrivaled performance.

LEGEND™

It's seating fit for a legend. Designed for comfort, durability and value, Legend is a classic choice for the ballpark and beyond.

QUATTRO EXTREME™

Get the luxury of an upholstered indoor chair with the durability of an outdoor stadium seat when you choose Quattro Extreme.

FUSION™

The Fusion seat is the successful result of years of product development and testing. Combining the best features of two prior models – the invincible strength of the Olympiad and comfort of the Medallion – Fusion was born. Designed to stand up to the elements and rigors of a demanding sports and entertainment venue, Fusion seats will last season after season. Plus, the Fusion seat is contoured for ergonomic support to improve the spectator experience. And with contemporary lines and a smooth, polished surface, the seat looks as good as it feels.

Sturdy solid cast aluminum stanchions are rust-proof and remain cool to the touch, even under the hot sun.

Ductile cast iron hinge arms and threaded steel metal-to-metal fasteners add durability.

For extra comfort and style, the seat features no exposed hardware, and the through bolts on the back are recessed.

Choose from a wide range of standard or custom colors to complement your stadium and team colors.

For greater flexibility, we offer a complete line of accessories and custom options.

Bringing Fusion™ Indoors

Bring the comfort and durability of Fusion to your indoor fixed seating. Yukon High School chose Fusion seats for their fixed indoor gymnasium due to the exceptional comfort and easy installation into their existing concrete bleachers.

Preferred Seating

Not only does Fusion withstand the outdoor elements, it also creates impressive and comfortable preferred seating areas. These areas often bring in more revenue for boosters and team funds.

LEGEND™

Ballpark seating gets a new lease on life with the classic Hussey Legend. Designed for comfort, durability and value, the Legend is equally at home in minor-league ballparks and schools as it is in big-league stadiums and arenas. Beyond the ballpark, Legend can be a versatile choice in many different venues, including indoor facilities.

Legend™ features a durable, blow-molded slatted back with a durable polymer seat.

Available with padded or upholstered seats.

Includes detailed cast iron standards that can be customized for your facility with an integral cast logo.

Choose from a wide range of standard or custom colors to complement your stadium and team colors.

Comfortable in the Spotlight
When the Arizona Sports and Tourism Authority undertook a \$20 million renovation of Tempe Diablo Stadium in Tempe, AZ, they turned to Hussey Seating to provide the experience, the expertise and the right seating solution, the Legend chair.

Bringing the Legend Indoors
Beyond the ballpark, the Legend can be a versatile choice in many different seating applications. At the Conseco Field House arena in Indianapolis, Legend chairs were used exclusively to maintain a consistent look throughout the facility. Hussey provided a combination of all-plastic Legends, padded Legends and custom-engineered fold-down Legend chairs mounted on Hussey telescopic platforms. This unique indoor installation has proven to be a hit with the owner, the architect and the fans alike!

QUATTRO EXTREME™

Quattro Extreme combines the luxury of an upholstered indoor chair with the durability of an outdoor stadium seat for your open-air seating. Rugged and weather-resistant, Quattro Extreme has rust-proof stanchions, corrosion resistant hardware, and marine-grade fabric to protect your seats while offering spectators the most comfortable outdoor seating experience.

Solid cast aluminum stanchions won't rust, even if the finish is nicked. Each component is finished individually before assembly, which ensures full encapsulation for maximum protection against the elements.

Stainless steel hardware is corrosion-resistant.

Exterior-grade plastic and marine-grade Naugahyde resists UV light and mildew.

Inner seat and back panels feature marine-grade plywood made from Okoume wood veneers (naturally resistant to moisture and mildew) and water- and boil-proof (WPB) glue.

Outdoor Luxury

Make an impact on your most important revenue-generating guests with luxurious fixed seating that will hold up to the elements. We'll help you create a custom layout like we did at Arrowhead Stadium in Kansas City, MO, that's sure to impress even your most exclusive of guests.

Custom Logo

Put the final touches on your VIP seating areas with a custom logo on the end of each seating row.

Special-Needs Features, Options and Accessories

Innovative options, accessories and special-needs features put Hussey in a league all our own. Hussey Seating gives you the flexibility to customize a solution for any venue — including innovative features to keep your facility compliant with all ADA, state and local regulations regarding special-needs access.

ADA Solutions

Flip-up and Armless Chairs
We offer solutions for semi-ambulatory spectators who need to easily slip into a regular seat. The flip-up arm allows access into end-row chairs and can be easily flipped down for a full armrest once the patron is seated. Both types can be used for standard seating when maximum capacity is required.

Skid-Mounted and Companion Chairs
Seats are mounted on skids for standard seating, and the entire assembly can be unbolted and removed at a moment's notice to accommodate wheelchair patrons. Adjacent chairs remain available for companion seating. Sections are available in 2-chair (approximately 46 7/16 mm) or 3-chair (approximately 66 7/16 mm) widths to fit one or two wheelchairs.

In-Fill Decks
To help you meet ADA code, the top two rows of chairs below the cross-aisle or concourse are removable, and can be in-filled with an aluminum platform at the same elevation as the cross-aisle. Wheelchair patrons can wheel across the concourse and directly onto the platform. When not needed, this flexible option allows you to recover the two rows of fixed chairs, maximizing your facility's revenue potential.

Roll-A-Way
This feature is made from floor mount stanchions attached to a steel base with tubular supports. Four swivel casters are mounted on hinged plates to either fold underneath for easy mobility or fold up out of the way when secured to the floor. Available in 2-chair (approx. 46 7/16 mm) or 3-chair (approx. 66 7/16 mm) widths to accommodate one or two wheelchairs. Adjacent companion chairs can be permanently installed.

Options & Accessories

Integral Logo
Your team or facility's logo can be integrated into each chair's cast iron end stanchion. Vinyl appliques can be added to color the logo.

Fusion™ Logo Plate
With Fusion's optional logo plate, graphic or cast logos can be applied at time of installation or at any point in the future.

Redirected Seating
Seats can be angled 12 degrees towards home plate, reducing neck strain. (Legend standards only).

Expansion Joints
Various plates are available for different attachment methods to accommodate expansion joints in the seating bowl.

Cup Holders
Cup holders can be attached to chairs for spill-proof convenience. Multiple styles and configurations are available, including back-attached (bolt-on or clamp-on), wall-attached and rail-attached.

Padded Backs
For extra comfort, soft padded backs on our Fusion chairs are a popular option.

Padded Seats
Foam and fabric pads add style and comfort to any of our polymer chairs.

Upholstered Seats
Add cushioned comfort with a fully upholstered Quattro Extreme™ seat while maintaining the rugged practicality of a blow-molded polymer back. Or combine with a padded back for even more comfort!

Standard Colors & Options

Fusion & Legend Colors
Fifteen standard colors are available for all chairs; custom colors are available on request.

Quattro Extreme Colors
Five standard colors are available for all chairs; custom colors are available on request.

Note: Production molded parts and paint colors will vary from printed samples shown. Please request a production sample or color chip when selecting an actual color.

Seating Layout & Dimensional Data

Our Legend™, Fusion™ and Quattro Extreme™ chairs come in a variety of configurations to suit any purpose. Using the options on the previous page and the drawings and information listed here, you can choose any combination of these chairs to develop a custom Hussey Seating solution.

Stanchion Mounting Options

Calculating Row Length

These examples illustrate how to maximize the number of seats and calculate spacing for your custom design solution.

- End spacing is 2" (51 mm) per aisle end for a total of 4" (102 mm) per continuous row.
- Note that many row lengths have varying chair size combinations not shown in these examples.

- General Notes:**
- All Pre-Cast or Poured-in-Place concrete treads must be a min. 4" (102 mm) thick with the top 2" (51 mm) clear of rebar.
 - All Pre-Cast or Poured-in-Place concrete risers must be a min. 4 1/2" (114 mm) thick. Proper anchorage will require the first 3" (76 mm) to be free and clear of rebar or any other obstruction.
 - All normal concrete must have a min. strength of 3000 psi for proper anchor attachment.
 - All light weight concrete must have a min. strength of 5000 psi for proper anchor attachment.
 - All steel risers must be a min. 1/4" - 3/8" (6-10 mm) thick Grade A-36 steel.
 - All wood floors must be a solid min. 1 1/2" (38 mm) thick.

MAXAM+™ TELESCOPIC PLATFORM

Available with our full line of seating from our premiere Quattro, Gallery, and Metro lines, to budget friendly Premia or Courtside seating collections, MAXAM+ is great for small to medium size entertainment facilities. With features like custom and variable rise, tapered sections and extruded aluminum decking, MAXAM+ is ready to perform in the most demanding audience environments. Whether it's a full house for game day in your arena, or opening night for a major production in your performing arts center, we can provide the solution to execute your vision and meet the unique needs of your facility.

A New Dimension of Comfort

With the wide variety of seating solutions that MAXAM+™ can support, a comfortable seating solution is just around the corner. All seats are available in both telescopic and fixed versions, allowing an aesthetic continuity throughout a facility.

Easily fitting into both new and existing facility dimensions—our telescopic seating systems allow easy adjustment and make future maintenance, chair replacement and upgrading a breeze. State-of-the-art composite finishes and fully integrated systems allow maximum seating—while providing patrons with a singularly comfortable seating experience.

A-B Quattro Classic Series

Shown as a Forward Fold. Available in nose mount, fixed, and portable stacking options. The Quattro Classic Series blends the comfort of a premium auditorium chair with the flexibility of telescopic seating platform, making these high value locations truly the best seats in the house. Designed to decrease labor costs and changeover time, platforms with Quattro Classic can efficiently change from stored to event-ready with each staff member operating rows of up to 14 chairs at a time for a single operator.

C. Gallery 3

Shown as Fold Down Upholstered. Gallery 3's contemporary European styling gives your facility a fresh look and enhances the experience of your patrons.

With multiple chair widths available, your attendees will enjoy even lengthy performances. Available in manual, lift-assist, and semi-automatic, these rail mounted seats with a surprisingly slim envelope can be event ready with minimal effort.

MAXIMUM SEATING OPTIONS

Ranging from fold-down chairs and benches to polymer gym-seat modules, MAXAM+™ telescopic platforms can support a wide variety of audience seating options.

CourtSide™ Modular Gym Seats

Designed to fit anywhere on your MAXAM+ units, CourtSide is completely modular. CourtSide seat modules, backrests and seat spacers are just the ticket for seating spectators in truly comfortable bleacher seats – a welcome surprise for your fans. You can use all three types of modules throughout your gym, or mix and match to create different levels of seating within the same bleacher bank. Easily create a first row of integrated team seating, or build a section of reserved VIP seating for season ticket sales to your boosters.

Metro Upholstered and Polymer

Metro's innovative and distinctive design incorporates both comfort and style. The entire seat is molded using advanced engineering polymers, and is available in 18", 19", 20", 21", and 22" (450 mm, 475 mm, 500 mm, 525 mm, and 550 mm) standard widths (or any variation in-between). Metro has a full line of arm options including polymer, upholstered and wood, as well as cup holders, and many other accessories.

Premia Upholstered

With a sprung foam seat and back, the fully upholstered Premia chair offers big comfort in a small package. This low-maintenance chair with folding backrest offers an innovative way to provide ergonomic comfort in a compact individual chair with semi-automatic operation.

Seating Customization

Premia Polymer

The same design as the Premia Upholstered, the Premia Polymer is an affordable alternative with the increased durability that Polymer offers. No sacrifice to design is necessary as Polymer options come in 19 different colors to match your desired color palette.

Upholstered Bench Seats | Club Bench

The Club Bench closes into a small space, allowing for a minimum rise per row of just under 10½" (260 mm). The manual folding, preformed plywood seat and back come with your choice of upholstery. Also available without the backrest.

CourtSide 12 and 10 with Backrests

Ergonomically designed for maximum comfort to provide ideal low- and mid-back support. Also engineered for maximum fan safety and easy bleacher cleaning. One person can raise or lower up to seven interconnected backrests at a time to minimize labor and operational costs.

THE TOTAL PACKAGE

From our brand new XtremeLogo™ bleacher graphics that make your gym come alive to our Clarin® portable logo chairs, the Total Package Graphics Program helps create the ultimate gymnasium. Inspire your team, students and community with vibrant colored rails, spirited CourtSide™ Contour Backrests, integral CourtSide seat graphic logos, vivid Safety End Closure Curtain graphics, exciting Media Platform Rail Sleeve graphics, and our sleek new StepSigns™ and CourtSigns™. The customization options are nearly endless!

"The bleachers have generated a great deal of school pride with our student body. The kids are so proud when players from opposing schools come into the gym and comment on how beautiful the bleachers are. They've turned a nice gym into a state of the art gym...it's stunning!"

XtremeLogo

The cornerstone of the Total Package Graphics Program, the XtremeLogo places your school's mascot or logo on a grand scale in the center of your bleacher sections. Using a proprietary graphic transfer process, your XtremeLogo is permanently bonded to the CourtSide bleacher seats – no peeling, scuffing or scratching. Whether the bleachers are opened or closed, your logo will impress.

Clarin Portable Sideline Chairs

The choice of colleges and pro teams nationwide, Clarin portable chairs offer state-of-the-art logo customization for backs, seats and even seat gussets. Durable, full-color imprints of your mascot, logo, and spirit message give big-league sideline impact. Clarin's proven worry-free dependable performance is legendary, delivering decades of service with the flexibility of interchangeable seats and backs.

CourtSide™ Graphic Logos

CourtSide gym seat modules offer a spot for every fan to see your school's logo or mascot at the end of each seating area. These durable, full-color custom graphic logos can even be individually customized for section designation.

StepSigns™

These ultra-durable full-color signs are pre-applied to the front of bleacher aisle steps during manufacturing. Offering full-color to single color imprinting, they are a great place to remind students, fans and competitors of your school motto or spirit message.

CourtSigns™

Featuring the same material and imprinting options as StepSigns, CourtSigns are pre-applied to the bleacher skirt boards during manufacturing. Their longer runs and placement make them ideal for ringing the court with your school name.

Media Platform

The rail sleeves of both detachable or permanently installed Media Platforms are the perfect spot to bring together your full-color logo, mascot, school name and spirit message to top off your bleachers with a message visible from anywhere in your gym.

Contrasting color CourtSide™ CB contoured bleacher backrests deliver truly comfortable bleacher seating and turn up the spirit. They can be incorporated anywhere on your bleachers, with or without seat spacers.

Safety End Closure Curtain
MAXAM® bleacher end curtains boost gym security while displaying your school pride. Vibrant full-color customization can run all the way off the edges in large full-bleed designs to wow people with your spirit as soon as they walk in the door.

Auto-Rotating Center Aisle Rails
This Patent pending rail is permanently mounted to the bleacher, and automatically rotates to the proper open or closed position as you operate the bleacher with the push of a button. No tools, no labor, no more missing or improperly positioned rails.

Colored Rails
Your bleacher aisle, end, front and rear rails carry on your school's color scheme in one or more colors. Choose from a variety of standard color options or custom color matching to bring out school pride with a punch of color.

SEATING CUSTOMIZATION

Signature Logo Program
Your local Hussey dealer will work with your community or school to develop a logo design that makes everyone proud. With the MAXAM+ Signature Logo Program, it is easy to create the most colorful and spirited bleacher logo design.

Standard Colors
The CourtSide™ XC10 and XCS12 are available in 15 standard colors (top 3 rows) and Metro is available in all 19. For accent lines, attention-grabbing signature logos or sticking with a solid color theme, select CourtSide or Metro as your ideal seat. Production polymer and powder coat colors can vary from printed samples shown, so Hussey makes sample chips available upon request. Custom color matches are also available.

Flex-Row™
Create an endless variety of lock-in configurations to accommodate constantly changing needs like team seating, wheelchair access and scorer's tables. Available with CourtSide™, Metro™, Club Bench and Gallery 2 seating.

UNDERSTRUCTURE

Performance, Flexibility and Safety

A. Posi-Lock™ LX

These automatic row locks prevent accidental closure when the system is in use. This patented, innovative, low-profile design minimizes the chance of accidental damage, ensuring consistent operation.

B. Nose & Riser Beam

These rolled form structural members provide continuous deck support, and are through-bolted to the frame and stabilizers. These designs deliver unparalleled strength, durability and rigidity.

C. Continuous Positive Interglide

This interlocking glide system is a rigid, one-piece formed design which tracks better and operates easier than systems with 1/2" (13 mm) row to row engagement. The 10" (254 mm) minimum interlock provides the industry's most rigid, stable design. Our wheels are 5" (127 mm), resulting in less rolling friction.

D. Captive Interlock & Adjustable Row Stops

The Captive Interlock System engages and aligns deck to deck. In addition, MAXAM® can be configured for three different row-spacing setups—adjustable on-site if required. MAXAM incorporates three stabilizer assemblies per section to provide improved tracking and stability.

E. Independently Locking Flex-Row™

Each Flex-Row is equipped with an independent self-locking mechanism to deliver maximum flexibility, performance and safety.

F. Full-Length Captured Decking

Decking is captive in the riser beam and rests on the nose, firmly secured by the seat bracket. This system provides a stiff, secure walking surface with no exposed hardware. MAXAM is the only telescopic gym seat that utilizes transverse decking, using decking materials in accordance with their industry span rating. Thoroughly load tested and independently verified, MAXAM's continuous full-length deck support system provides an enhanced level of performance, safety and stability.

G. Slant Frame Design

Load-tested and certified for 30 tier single stack sections up to 25' 6" (7772 mm), our slant frame design delivers improved cantilever strength and capacity. It also simplifies the installation process, reducing downtime for the facility. Critical support areas are all fastened with bolts, lock washers and hex nuts. Only MAXAM incorporates a steel to steel connection where the frame meets the wall, creating a stronger union and a safer gym seat.

H. Tension Bracing

Through bolted to the frame to provide additional stability. All bracing is coined to remove sharp edges, and all ends are rounded for safety.

Rail Options

New Auto-Rotating Center Aisle Rails
Hussey's breakthrough center handrail design ensures your patrons will always find a secure handhold while moving up or down the aisles – while dramatically reducing the labor of properly opening or closing your gym bleacher. This Patent pending rail is permanently mounted to the bleacher, and automatically rotates to the proper open or closed position as you operate the bleacher with the push of a button.

Colored Rails (Left)
Carry your color scheme throughout the facility with one or more of our palette of standard colors to show your school spirit. Aisle rails, end rails and front or rear rails can all be customized to match your school colors. Ask your Hussey dealer for more information.

Center Aisle Hand Rails
Safety rails include fixed, folding and removable options and feature a safe, fully closed design.

Fixed Front and Rear Rails
An ideal solution for truncations, elevated front aisles, freestanding, portables and reverse fold systems. All rails maintain a consistent design appearance.

Media Platform

Perfect for videotaping, photography, radio broadcasting or team talent scouting, the Hussey Media Platform creates a workable space for covering all the action. Optional rail sleeves can be customized to promote school spirit or generate revenue.

Fold & Stow Center Aisle Hand Rail
Requires no tool and stores on the deck in the bleacher's closed position. Rail rotates and snaps into place.

Self-Storing End Rails
This stylish self-storing rail is designed to meet the most stringent codes for rail loading and sphere passage. Add 12" (305 mm) to bank length for each railed end.

Powerglide™ Automatic Aisle Rails
Maximum safety with minimal effort. Open, the rail provides almost continuous support down the aisle. The rails automatically fold to the closed position as the bank closes.

Other Options

Safety End-Closure Curtains
Prevent unauthorized access to the underside of the bleacher, misuse that can result in injury, vandalism and potential liability risk. With Hussey Safety End-Closure Curtains, you can boost gym security while displaying your school pride. Built school-tough, they work beautifully and securely on new or existing bleachers. And Hussey offers the capability for full-bleed designs—including photographs. When paired with the CourtSide™ graphic logo, you can carry your school's identity throughout the gym.

CourtSide
Graphic Logo

Aisle Steps
Intermediate steps at each vertical aisle are mounted to the deck providing code-compliant rises and tread depth. Steps are fitted with non-skid strips and offer rounded edges to enhance safety.

Power Assist
Portable power permits one person to open and close manual sections by moving the tractor from section to section. Operates on standard 115 volt 20 amp service.

Integral Power
MAXAM®'s Powered Frame design applies force where needed—at the frames—and allows for better tracking over uneven floors. With five power options available, you buy only the power you need.

Elevated Front Aisle
Elevated front aisles start at various heights and run the length of the first row of the bleacher. EPA's improve sight lines and are ideal installations for hockey rinks and more. All can be outfitted with front rails, end rails, front panels or access stairs. An ideal solution to facilitate egress and accommodate your individual building requirements. Access stairs can be added as an option.

Motion Monitor
Audio-visual warning for an integrally powered unit that provides a flashing light with self-contained warning horn. Rated at 85 dB, it activates when bleachers are in motion.

Limit Switch
Limit switches ensure the motor stops once the bank is completely open or closed.

WALL ATTACHED

Our most popular telescopic gym seating solution. Wall attached systems are supplied in 3 to 30 tier banks, are extremely adaptable, and efficiently recover floor space, allowing you to easily get the most out of your facility at all times.

REVERSE-FOLD

Often utilized for balcony seating areas, reverse-fold systems retract from back to front to create additional space behind the unit. This space can be used for practice areas, batting cages, volleyball, gymnastics or any wide array of uses. Add back panels for a cleaner look, more versatility and improved safety.

Wall Attached Closed

Pendant Control
Pendant controls allow the operator to see the entire bank as it opens and closes—an important safety precaution. The pendant control can be easily removed to prevent unauthorized use.

Wireless Remote Control
All of the built-in safety features of our standard pendant control, with the additional convenience and freedom of movement offered by wireless operation.

Reverse-Fold Closed

Reverse-Fold Delayed Action
Further increase your usable space by up to 3' (914 mm) with MAXAM's delayed action feature. The entire closed bleacher stack moves forward on a linkage to recover additional floor space.

RECESSED

This system utilizes a pocket in the wall to house the bleacher when closed. The ends may or may not be exposed, and the bleacher is hidden from view typically under a balcony or mezzanine.

Recessed bleachers are outfitted with upper and lower tracking guides, removable end rails, and can accommodate custom transition steps to the balcony when required.

PORTABLE & FREESTANDING

Portable

These bleacher sections allow you to easily move and store bleachers where you want them. Create any number of custom seating layouts for different events. Units may be equipped with locking floor pins for extra safety and security.

Freestanding

With a heavier rear column that's permanently secured to the floor, these bleachers provide design flexibility for buildings that can't support wall loading or where wall loading is marginal.

Traveling Units

A hybrid of recessed and portable banks, traveling units use integral power to drive the entire bank from one setup position to another. Set-up time is greatly reduced compared to individual portable sections.

Portable Closed

Portable Dolly

Most economical for large number of small portable sections. Two dollies are required to move one section. Maximum section weight of 4000 lbs (1800 kgs).

Integral Dolly

Ideal for high tier units, the integral lifting mechanism allows your staff to move multiple portable sections without additional equipment. Four mechanical screw jacks lift the unit and 12 large wheels allow for effortless transportation of your bleacher. Maximum section weight of 7000 lbs (3150 kgs).

MXP TELESCOPIC PLATFORM

Featuring an amazingly stable and durable telescopic platform that accommodates Hussey's premium seating styles, MXP is expertly engineered for arenas to save time and labor costs while providing the most comfortable and luxurious telescopic platform seating experience available.

Integrated Program Supports
MXP platforms offer nearly endless customization options for professional arena needs. Adding Integrated Program Supports to an MXP platform allows the section to be truncated at any row. You get the flexibility of choosing how many rows each section needs, on-demand. Engaging this feature is quick and easy with no extra personnel, parts or labor required, and the section is completely stable no matter where it is truncated.

Heavy-Duty Arena Features
MXP platforms focus on delivering on-the-spot configuration flexibility. Completely independent powered sections accommodate nearly any concert configuration easily and change over quickly. Railings can be customized to attach to any row within sections for maximum flexibility and to deliver the crowd control often required by popular tours. Best of all, railings store right on each section to eliminate loose parts and storage hassles.

Professional Grade Style, Comfort & Functionality

MXP platforms are designed to support fully upholstered chairs – even premium VIP chairs from our Quattro® Collections.

Accommodating up to a 39 3/4" (1M) premium seat back, your patrons will love the look and feel of MXP. With deeper row spacing, more legroom and our premium upholstered chair options, telescopic seating has never been more comfortable.

Plus, our new chair mounting system delivers the most stable, solid telescopic seating experience available today - one with the feel of a fixed auditorium chair and the flexibility of a telescopic platform.

No matter what chair you choose, it folds flat into the telescopic platform. MXP platforms and the chairs it supports are professional arena grade – designed to withstand the rigors of multiple changeovers a day.

MXP™ Seat Options

Quattro® Nose-Mount Seating
Our Quattro nose-mount chairs can be raised and lowered in pairs, with the armrest locking into place providing an exceptionally solid, stable seat.

Quattro Forward-Fold Seating
Setup and changeover is fast and easy with a single operator by simply unlocking our Quattro forward-fold upholstered chair rows and raising or lowering up to 14 seats at a time.

Metro Semi-Automatic Seating
Our Metro seats can be configured for true semi-automatic operation of up to 14 chairs at once. The chairs automatically lower as the system is closed and when opened, the operator provides a manual assist to lock the chairs into place.

MXP™ Understructure

Flexibility, Safety, Performance & Reliability

The understructure of any telescopic platform is the backbone of the system, and MXP's understructure is engineered to provide maximum flexibility, safety, performance and reliability. Utilizing Hussey's proven vertical frame design, MXP accommodates rises from 4" - 24" (102-610 mm), row spacing from 32" - 39 3/8" (813mm - 1M) in 1" (25 mm) increments, and tapered sections up to 22 1/2 degrees, providing maximum seating configuration flexibility.

A. Soft-Start Steerable Power

The most efficient system in the industry, our Soft-Start Steerable Power system utilizes existing power sources, has a controlled start to prevent wear and tear on the system and your facility, and allows a single operator to steer the section and fine-tune its final position.

B. Fully Captive Interlocks

Providing the ultimate in safety and performance, fully captive upper and lower interlocks ensure the frames can never separate. Plus, the upper interlocks provide a stable, locked deck when loaded so your audience will feel as safe and stable on the 30th row as on the first.

C. Adjustable Cantilevers

Creating an exceptionally quiet deck and better overall operational performance, the adjustable cantilevers eliminate friction points during open/close.

D. Tubular Knee Bracing

Designed to withstand heavy use and heavy loads, the tubular knee braces provide a safe, rigid walking surface.

E. Lower Captive Interlocks

The lower interlock design nests completely, permitting a zero-offset between tiers that minimizes the closed footprint of the system. Pre-tension guide rods cannot be bent or disengaged resulting in smooth, reliable operation every time.

Sustainability

At Hussey Seating, respecting the landscape we live in—and the hard work and well-being of the people we work with—has always been in our DNA and part of our heritage. Our commitment to environmentally friendly business practices has taken many forms over the years as standards and technology have changed.

In the 1970s, when the rest of the nation began to become more environmentally aware, we had already laid walking trails and planted a tree farm on our beautiful Maine campus. Today, going green means developing environmentally friendly paints and finishes, sourcing sustainable woods and metals, going beyond local and national regulations in clean manufacturing and waste disposal, and making deliveries on time while reducing our carbon footprint. We reduced our air emissions by 90% while tripling our seating business, so we know green business is good business.

Hussey seating solutions come in a wide range of colors—but every day our seats get greener. If you'd like to learn more about our sustainability efforts, please visit our website at www.husseyseating.com/sustainability
