### **Description of the Firm:**

E-Rate Elite Services, Inc. is a minority-certified, full service consulting firm incorporated in the state of Delaware. The firm currently manages \$200+ million in E-Rate funding and projects and has managed in excess of \$600 million in E-Rate funding, audits and appeals, since its inception in 2001. EES was awarded the Top 100 MBE Award in 2007 and currently represents some of the top 50 largest school districts in the nation, state department of educations, as well as numerous smaller districts, charter, private and parochial schools. EES also assists clients with project management, from IT system implementations to physical moves, utility billing audits, and strategic planning.

### **Experience and Qualifications:**

E-Rate Elite Services business model operates with a "Compliance First" approach, while maximizing funding and reducing costs for our clients. It is our goal to create transparent partnerships with our clients to resolve their most intricate E-Rate management matters.

Our team will work with schools and libraries to identify their needs and budget. EES is set apart from other consulting firms in many ways. Unlike other firms, we don't just talk once a year or simply ask for what services you want and keep you in the dark. We hold monthly account review calls to ensure you are aware of the deadlines, we discuss future planning, and review current changes to the program. We share our E-Rate knowledge and experience through strategic planning sessions where we discuss overall governance of your program and the upcoming funding year prior to filing any forms.

With the recent developments in the program, we have exercised a considerable amount of diligence with guiding our clients through the competitive bidding process, eligible services and technology planning.

Our team has worked for USAC, or Solix the company subcontracted by USAC to perform application reviews for the E-Rate Program. Our team includes Auditors, PIA Reviewers, Cost Effectiveness Reviewers, Helping Applicants to Succeed (HATS) Team Leader, and an Ombudsman. We know how to properly apply for all the funding you deserve.

While at USAC, our Director of Operations, Chris Lenhardt, met with the Puerto Rico Department of Education regarding their E-Rate compliance, monitored the engagement of KPMG auditing schools in Puerto Rico as well as conducted audits when the auditors needed to be recused from the audits.

Our Director of Sales, David LeNard, monitored and directed the site reviewers for the Site Visit Program and HATS Program, including follow-up and outreach to the schools when rule violations were identified.

### **Project Manager and Project Personnel:**

E-Rate Elite Services is proposing that these services be managed by our Director of Sales, David LeNard. Mr. LeNard will lead a team comprised of an experienced Account Manager and Data Analyst. Mr. LeNard will be responsible for the day-to-day management of the account's, ensuring that all deadlines are met. Mr. LeNard will work with the contracted Schools designated personnel to develop an E-Rate application strategy that works in synergy with the schools technology plans. Mr. LeNard's responsibilities also include keeping the schools personnel apprised of any changes in the E-Rate program rules or regulations, as well as final review of all E-Rate application forms and other communications with USAC.

For the Account Manager position we are recommending John Muhammad. Prior to joining EES Mr. Muhammad worked for eight years as a PIA Reviewer. In this capacity Mr. Muhammad was responsible for reviewing E-Rate applications and working with applicants to ensure the applications were in compliance with the E-Rate program rules. Mr. Muhammad will be responsible for data gathering and forms preparation. He will also assist with preparing responses to PIA requests pertaining to the Schools E-Rate applications.

Mr. Lenhardt, Director of Operations, will review all work produced. Providing both a second set of eyes, but also providing further guidance and clarification for compliance.

Also included on the account team will be our CEO, Garnet Person. Mr. Person will utilize his 21 years of experience with the E-Rate program to assist the account team in whatever capacity is needed, from provided his expertise while determining the best application strategy to pursue, to acting as a back-up to one of the account team members if needed.
