Texas Education Code Chapter 22 Contractor Certification for Contractor Employees

79 Texas Education Code Chapter 22 Contractor Certification for Contractor Employees

Introduction: Texas Education Code Chapter 22 requires entities that contract with school districts to provide services to obtain criminal history record information regarding covered employees. Contractors must certify to the district that they have complied. Covered employees with disqualifying criminal histories are prohibited from serving at a school district.

Definitions: Covered employees: Employees of a contractor or subcontractor who have or will have continuing duties related to the service to be performed at the District and have or will have direct contact with students. The District will be the final arbiter of what constitutes direct contact with students. Disqualifying criminal history: Any conviction or other criminal history information designated by the District, or one of the following offenses, if at the time of the offense, the victim was under 18 or enrolled in a public school:
(a) a felony offense under Title 5, Texas Penal Code; (b) an offense for which a defendant is required to register as a sex offender under Chapter 62, Texas Code of Criminal Procedure; or (c) an equivalent offense under federal law or the laws of another state.

I certify that:
NONE (Section A) of the employees of Contractor and any subcontractors are covered employees, as defined above. If this box is checked, I further certify that Contractor has taken precautions or imposed conditions to ensure that the employees of Contractor and any subcontractor will not become covered employees. Contractor will maintain these precautions or conditions throughout the time the contracted services are provided.

OR
SOME (Section B) or all of the employees of Contractor and any subcontractor are covered employees. If this box is checked, I further certify that:
(1) Contractor has obtained all required criminal history record information regarding its covered employees. None of the covered employees has a disqualifying criminal history.
(2) If Contractor receives information that a covered employee subsequently has a reported criminal history, Contractor will immediately remove the covered employee from contract duties and notify the District in writing within 3 business days.
(3) Upon request, Contractor will provide the District with the name and any other requested information of covered employees so that the District may obtain criminal history record information on the covered employees.
(4) If the District objects to the assignment of a covered employee on the basis of the covered employee's criminal history record information, Contractor agrees to discontinue using that covered employee to provide services at the District.

Noncompliance or misrepresentation regarding this certification may be grounds for contract termination.

Terms, Conditions and Limitations

1. The only components of your roof that are covered by this warranty are the membrane and membrane flashing products specifically identified on the face of this warranty. Accordingly, any reference in this warranty to the "roof" means only these components.
2. All roof work must be performed by a roofing contractor who is authorized to offer a Soprema warranty (sometimes referred to in this warranty as an "authorized roofer" or some similar term). The authorized roofer who originally installed your roof is sometimes referred to in this warranty as the "installing contractor."
3. Warranty coverage starts on the substantial completion date set out on the face of this warranty and, subject to earlier termination, will continue for the specified length of time.
4. For purposes of this warranty, a "leak" means the admission of water into your building through an opening, separation or other similar defect in the roof and the term "warranted leak" means a leak through the roof caused by defects in factory workmanship or materials or defective workmanship by the installing contractor. A warranted leak is not, for example, a leak caused by or resulting from: (a) the direct or indirect effect of lightning, explosion, flood, hail, windstorm having a 3-second gust speed greater than 73 m.p.h. (as recorded by the data collection point that reports to the National Weather Service (whether official or unofficial) located nearest to your building), earthquake, hurricane, tornado, microburst, or other similar event; (b) a defect, settlement, movement, displacement, or structural failure in or of the surface over which the roof is applied or in or of the structure of your building; (c) moisture entering the roof through or around walls, copings, pipelines or conduit, skylights, vents, or other structures or fixtures; (d) defects in or faulty or improper design, specification, construction or engineering of your building or the surface or material over which the roof is applied; (e) faulty or improper design, specification or engineering of the roof assembly in relation to the physical characteristics of your building or the climate where your building is located; (f) damage from lack of positive drainage; (g) damage from exposure to corrosive substances, for example, animal guano, chlorofluorocarbons, solvents, gasoline, kerosene, turpentine, or other hydrocarbons, acids, alkalis, salt, oil, fat, grease, damaging exhausts, or residue from any of the foregoing; (h) damage from internal pressure conditions or condensation beneath the roof; (i) damage from fire or other source of excessive heat; (j) damage from deliberate or negligent acts such as vandalism, terrorism, misuse, abuse, or acts of civil disobedience or war; (k) damage caused by birds, animals, insects or vegetation; (l) damage from falling, flying, dropped or blown objects; (m) damage from excessive traffic over or storage of materials on the roof; (n) damage attributable to a change or changes in the usage of your building; (o) damage caused by or during installation of equipment, fixtures, utilities, or structures on, through, or near the roof; (p) installations on or through the roof; (q) damage attributable to repairs or modifications performed or materials supplied by others; (r) failure of the installing contractor to install all of the components of the roof identified on the project registration form; (s) damage attributable to your negligence or your failure to properly clean, care for and maintain the roof, or (t) the existence of any as-built condition that is not equal to or better than the requirements of Soprema's published details and general requirements. Soprema does not warrant that the roof will remain free of ridges, cracks, blisters, wrinkles, fishmouths or other similar conditions. Soprema does not warrant that the color of the membrane will not fade nor that the color of any replacement membrane will match the color of the original membrane.
5. This warranty does not become effective unless and until: (a) Soprema and any distributor from whom the installing contractor purchased products have been paid in full for all labor, materials, and supplies provided for or in connection with your roof; (b) the installing contractor has been paid in full by you for the installation of the roof, and (c) Soprema has been paid the warranty charge relating to this warranty.
6. Soprema does not have any obligation to repair any leak unless and until: (a) all of the conditions to the warranty becoming effective have been satisfied, (b) Soprema determines that the leak is a warranted leak, (c) Soprema receives the written notice of claim referred to in the claim procedure (Form 901) in a timely fashion; and (d) you properly care for and maintain the roof.
7. This warranty shall become null and void in the event of any of the following: any as-built condition exists on the roof that is not in compliance with Soprema's standard details and installation instructions (or other details accepted in writing by Soprema's Technical Department); any material change in the use (as described in the project registration form) of your roof or building after the substantial completion date; any subsequent work on or through the roof without Soprema's written approval of the methods and materials to be used; repairs or modifications to the roof made by someone other than an authorized roofer, or as otherwise provided herein. Emergency repairs to stop a leak will not void the warranty as long as they are reported to Soprema in writing within ten days.
8. This warranty is transferable to any subsequent owner of your building once you satisfy all of the transfer requirements set out at www.soprema.us.
9. Soprema's failure at any time or from time to time to enforce any of the terms, conditions, or limitations of this warranty shall not be construed to be a waiver of such provision(s) or any other term, condition or limitation hereof.
10. No suit or action whatsoever shall be brought against Soprema for the recovery of damages arising out of any claimed failure of the roof or for any breach of warranty unless, as a condition precedent thereto: (a) you have complied with all of the terms and conditions of this warranty applicable to you, and (b) the suit, action or proceeding is commenced within one (1) year after the cause of action accrues. The failure to satisfy either of these conditions precedent shall result in such claims being forever barred.
11. This warranty is governed by and shall be construed and enforced in accordance with the internal laws of Ohio, without giving effect to any choice of law rules that may require the application of the laws of another jurisdiction.
12. The terms of this warranty are severable so that any illegal, invalid or unenforceable provision, if feasible, shall be modified so that it becomes legal, valid and enforceable, or if not feasible, stricken, in either case without affecting the validity or enforceability of the remaining provisions.
13. The employees, agents, sales representatives, and distributors of Soprema are not authorized to make any modifications or additions to this warranty, except through a validly executed rider. Any proposed changes made by you or anyone else that is not documented in a validly issued rider is rejected by Soprema and is null and void. This warranty, together with any riders expressly made a part hereof, sets forth the entire agreement between the parties with respect to your roof assembly. Soprema disclaims, and you waive, any affirmation of fact or promise that may have been made by Soprema or any of its employees, agents, representatives, or distributors that is not expressly stated in this warranty.
14. The remedy set forth in this warranty is your **SOLE AND EXCLUSIVE REMEDY** against Soprema and Soprema's sole liability and obligation to you in the event the roof fails in whole or in part, regardless of whether you might otherwise be entitled to pursue a legal claim against Soprema, and regardless of the theory on which a claim might be based, including, without limitation, contract, tort, breach of warranty, strict and/or product liability, or misrepresentation.
15. **IN NO EVENT SHALL SOPREMA BE LIABLE TO YOU FOR ANY INDIRECT, CONSEQUENTIAL, SPECIAL, INCIDENTAL, PUNITIVE OR OTHER SIMILAR DAMAGES**, including, but not limited to, loss or reduction of profits, interruption of business, injury to or illness or death of persons, damage or loss caused by or attributable to indoor air quality (including, but not limited to, the presence or growth of mold, mildew or other similar substance in, on or about the roof assembly, walls, ceilings or other surfaces in your building), or damage or destruction of property, including your building or any of its contents, even if Soprema has been advised of the possibility, or even the likelihood, of any of these types of damages.
16. Since Soprema does not practice the professions of architecture or engineering, you agree that the review, inspection or approval, express or implied, by Soprema or its agents or representatives of the construction or condition of your existing roof, roof deck or building, or the drawings, plans or specifications for your new or replacement roof, did not in any way create a warranty by Soprema of such items and was not a substitute for the professional judgment of an architect or engineer. Any such action or activity by Soprema was gratuitous, solely for the benefit of Soprema in determining whether or not to issue this warranty, and did not and does not subject Soprema or any of its agents or representatives to any responsibility or liability, whether in contract, indemnity, warranty, tort (including negligence), strict liability or otherwise.
17. Any involvement by Soprema with respect to your roof, including any visits to the roof, whether prior to, during or after installation of the roof assembly, and any interaction with personnel involved in the installation of your roof, was or will be gratuitous and was or will be undertaken solely for the benefit of Soprema in determining whether or not to issue this warranty, whether or not a leak is a warranted leak, or what actions are necessary to repair a warranted leak. Accordingly, no such involvement expands the terms of this warranty nor subjects Soprema or any of its agents or representatives to any liability, whether in contract, indemnity, warranty, tort (including negligence), strict liability or otherwise. You are hereby advised that any roof inspections made prior to the date of this warranty were visual inspections only and that conditions might exist on the roof that are not in compliance with Soprema's standard details and installation instructions that were not noticed by the inspector, even if open and obvious. Noncompliant conditions, if they exist, have not been accepted by Soprema.
18. Any document on Soprema's website that is referred to in this warranty is incorporated herein by this reference, the same as if fully rewritten herein.

Johns Manville guarantees to the original Building Owner that during the Term commencing with the Date of Completion (as defined above), JM will pay for the materials and labor reasonably required in Johns Manville's sole and absolute discretion to repair the Roofing System to return it to a watertight condition if leaks occur due to: ordinary wear and tear, or deficiencies in any or all of the Johns Manville component materials of the Roofing System, or workmanship deficiencies only to the extent they arise solely out of the application of the Roofing System. Non-leaking blisters are specifically excluded from coverage. Should any investigation or inspection reveal the cause of a reported leak to be outside the scope of coverage under this Guarantee, then all such investigation and inspection costs shall be borne solely by the Building Owner.

WHAT TO DO IF YOUR ROOF LEAKS

If you should have a roof leak please refer to directions on the reverse side. Failure by the Building Owner to comply with any of the directions on the reverse side of this document will render the coverage provided under this Guarantee, including any applicable amendments and/or riders, null and void.

LIMITATIONS AND EXCLUSIONS

This Guarantee is not a maintenance agreement or an insurance policy; therefore, routine inspections and maintenance are the Building Owner's sole responsibility (see reverse side of this document). Failure to follow the Maintenance Program on the reverse side of this document will void the Guarantee in its entirety. This Guarantee does not obligate JM to repair or replace the Roofing System, or any part of the Roofing System, for leaks or appearance issues resulting, in whole or in part, from one or more of the following (a) natural disasters including but not limited to the direct or indirect effect of lightning, flood, hail storm, earthquake, tornados, hurricanes or other extraordinary natural occurrences and/or wind speeds in excess of 55 miles per hour; (b) misuse, abuse, neglect or negligence; (c) installation or material failures other than those involving the component materials expressly defined above as the Roofing System or exposure of the Roofing System components to damaging substances such as oil, fertilizers, or solvents or to damaging conditions such as vermin; (d) any and all (i) changes, alterations, repairs to the Roofing System, including, but not limited to, structures, penetrations, fixtures or utilities (including vegetative and solar overlays) based upon or through the Roofing System as well as any (ii) changes to the Building's usage that are not pre-approved in writing by JM; (e) failure of the Building substrate (mechanical, structural, or otherwise and whether resulting from Building movement, design defects or other causes) or improper drainage; (f) defects in or faulty/improper design, specification construction or engineering of the Building or any area over which the Roofing System is installed; (g) defects in or faulty/improper architectural, engineering or design flaws of the Roofing System or Building, including, but not limited to, design issues arising out of improper climate or building code compliance; or (h) in instances of a recover project, Johns Manville is not responsible for the performance of pre-existing materials that predated the recover. Instead, Johns Manville's sole responsibility in recover systems where JM materials are adhered to existing materials is limited to the installed recover JM Roofing materials up to the wind speed listed herein. Guarantee coverage is limited to replacing recover JM Roofing materials only (and not the pre-existing materials - which is the Owner's responsibility) as required to return the roofing system to a watertight condition due to a claim covered under the terms and conditions herein. Johns Manville is not responsible for leaks, injuries or damages resulting from any water entry from any portion of the Building structure not a part of the Roofing System, including, but not limited to, deterioration of the roofing substrate, walls, mortar joints, HVAC units and all other non-Johns Manville materials and metal components. Moreover, the Building Owner is solely and absolutely responsible for any removal and/or replacement of any overburdens, super-strata or overlays, in any form whatsoever, as reasonably necessary to expose the Roofing System for inspection and/or repair.

This Guarantee becomes effective when (1) it is delivered to Owner; and (2) all bills for installation, materials, and services have been paid in full to the Approved Roofing contractor and to JM. Until that time, this Guarantee is not in force, has no effect - and JM is under no obligation whatsoever to perform any services/work.

The Parties agree that any controversy or claims relating to this Guarantee shall be first submitted to mediation under the Construction Industry Arbitration and Mediation Rules of the American Arbitration Association (Regular Track Procedures) or to such other mediation arrangement as the parties mutually agree. No court or other tribunal shall have jurisdiction until the mediation is completed. In any action or proceeding brought against the Building Owner to enforce this Guarantee or to collect costs due hereunder, Johns Manville shall be entitled to recover its reasonable costs, expenses and fees (including expert witness' fees) incurred in any such action or proceeding, including, without limitation, attorneys' fees and expenses, and the Building Owner shall pay it.

TO THE FULLEST EXTENT PERMITTED BY LAW, JM DISCLAIMS ANY IMPLIED WARRANTY, INCLUDING THE WARRANTY OF MERCHANTABILITY AND THE WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE, AND LIMITS SUCH WARRANTY TO THE DURATION AND TO THE EXTENT OF THE EXPRESS WARRANTY CONTAINED IN THIS GUARANTEE.

THE EXCLUSIVE RESPONSIBILITY AND LIABILITY OF JM UNDER THIS GUARANTEE IS TO MAKE REPAIRS NECESSARY TO MAINTAIN THE ROOFING SYSTEM IN A WATERTIGHT CONDITION IN ACCORDANCE WITH THE OBLIGATIONS OF JM UNDER THIS GUARANTEE. JM AND ITS AFFILIATES WILL NOT BE LIABLE FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES TO THE BUILDING STRUCTURE (UPON WHICH THE ROOFING SYSTEM IS AFFIXED) OR ITS CONTENTS AND OR OCCUPANTS, LOSS OF TIME OR PROFITS OR ANY INCONVENIENCE, INJURY. JM SHALL NOT BE LIABLE FOR ANY CLAIM MADE AGAINST THE BUILDING OWNER BY ANY THIRD PARTY AND THE BUILDING OWNER SHALL INDEMNIFY AND DEFEND JM AGAINST ANY CLAIM BROUGHT BY ANY THIRD PARTY AGAINST JM RELATING TO OR ARISING OUT OF THE ROOFING SYSTEM OR JM'S OBLIGATIONS UNDER THIS GUARANTEE. JM AND ITS AFFILIATES SHALL NOT BE LIABLE FOR ANY DAMAGES WHICH ARE BASED UPON NEGLIGENCE, BREACH OF WARRANTY, STRICT LIABILITY OR ANY OTHER THEORY OF LIABILITY OTHER THAN THE EXCLUSIVE LIABILITY SET FORTH IN THIS GUARANTEE. THIS GUARANTEE DOES NOT COVER, AND EXPLICITLY EXCLUDES, ANY AND ALL INJURIES, CLAIMS AND/OR DAMAGES RESULTING, IN WHOLE OR IN PART, FROM ANY WATER ENTRY FROM ANY PORTION OF THE BUILDING STRUCTURE INCLUDING, BUT NOT LIMITED TO, THE ROOFING SYSTEM.

No one is authorized to change, alter, or modify the provision of this Guarantee other than the Manager, Guarantee Services or authorized delegate. JM's delay or failure in enforcing the terms and conditions contained in this Guarantee shall not operate as a waiver of such terms and conditions. This Guarantee is solely for the benefit of the Building Owner identified above and Building Owner's rights hereunder are not assignable. Upon sale or other transfer of the Building, Building Owner may request transfer of this Guarantee to the new owner, and JM may transfer this Guarantee, in its sole and absolute discretion only after receiving satisfactory information and payment of a transfer fee, which must be paid no later than 30 days after the date of Building ownership transfer.

In the event JM pays for repairs which are required due to the acts or omissions of others, JM shall be subrogated to all rights of recovery of the Building Owner to the extent of the amount of the repairs.

Because JM does not practice Engineering or Architecture, neither the issuance of this Guarantee nor any review of the Building's construction or inspection of roof plans (or the Building's roof deck) by JM representatives shall constitute any warranty by JM of such plans, specifications, and construction or in any way constitute an extension of the terms and conditions of this Guarantee. Any roof inspections are solely for the benefit of JM.

JM does not supervise nor is it responsible for a roofing contractor's work except to the extent stated herein, and roofing contractors are not agents of JM.

THE GUARANTEE/SOLE AND EXCLUSIVE REMEDY

GAF guarantees to you, the original owner of the building described above, that GAF will provide "Edge To Edge" protection by repairing leaks through the GAF roofing membrane, liquid applied membrane or coating, base flashing, high wall waterproofing flashing, insulation, expansion joint covers, preflashed accessories, and metal flashings used by the contractor of record that meet SMACNA standards (the "GAF Roofing Materials") resulting from manufacturing defects, ordinary wear and tear, or workmanship in applying the GAF Roofing Materials.

There is no dollar limit on covered repairs. Leaks caused by any materials other than those listed above, such as the roof deck, non-GAF insulation, or any other materials used in the construction of the roof system, are not covered.

GUARANTEE PERIOD

This guarantee ends on the expiration date listed above. NOTE: Lexsuco® flashings are covered by this guarantee only for the first ten years.

OWNER'S RESPONSIBILITIES

Notification of Leaks

In the event of a leak through the GAF Roofing Materials, you must make sure that GAF is notified directly about the leak, in writing, within 30 days by email (preferred) at guaranteeservices@gaf.com or by mail to Guarantee Services Department, 1361 Alps Road, Bldg. 11-1, Wayne, New Jersey 07470, or GAF will have no responsibility for making repairs. NOTE: The roofing contractor is NOT an agent of GAF; notice to the roofing contractor is NOT notice to GAF.

By notifying GAF, you authorize GAF to investigate the cause of the leak. If the investigation reveals that the leak is not covered by this guarantee, you agree to pay an investigation cost of \$500. This guarantee will be cancelled if you fail to pay this cost within 30 days of receipt of an invoice for it.

Preventative Maintenance and Repairs

- A. In order to help keep your roof performing properly, you must perform regular inspections and maintenance and keep records of this work.
- B. To keep this guarantee in effect, you must repair any conditions in the building structure or roofing system that are not covered by this guarantee but that GAF concludes may be threatening the integrity of the GAF Roofing Materials (e.g., porous walls allowing water entry into the roofing system).
- C. You may make temporary repairs to minimize damage to the building or its contents in an emergency, at your sole expense. These repairs will not result in cancellation of the guarantee as long as they are reasonable and customary and do not result in permanent damage to the GAF Roofing Materials.
- D. Any equipment or material that impedes any inspection or repair must be removed at your expense so that GAF can perform inspections or repairs.

EXCLUSIONS FROM COVERAGE

(e.g., items that are not "ordinary wear and tear" or are beyond GAF's control)

This guarantee does NOT cover conditions other than leaks. This guarantee also does not cover leaks caused by the following:

1. Inadequate roof maintenance, that is, the failure to follow the Scheduled Maintenance Checklists provided with this guarantee (extra copies available by calling Guarantee Services at 1-800-ROOF-411).
2. Unusual weather conditions or natural disasters including, but not limited to, windstorms, hail, floods, hurricanes, lightning, tornados, and earthquakes, unless specifically covered under this guarantee.
3. Damage to the roof constructed of the GAF Roofing Materials due to: (a) movement or cracking of the roof deck or building; (b) improper installation or failure of any non-GAF insulation or materials; (c) infiltration or condensation of moisture through or around the walls, copings, building structure, or surrounding materials except where high wall GAF waterproofing flashings are installed; (d) chemical attack on the membrane, including, but not limited to, exposure to grease or oil; (e) the failure of wood nailers to remain attached to the structure; or (f) use of materials that are incompatible with the GAF Roofing Materials.
4. Traffic of any nature on the roof unless using GAF walkways applied in accordance with GAF's Application and Specifications Manual.
5. Blisters in the GAF Roofing Materials that have not resulted in leaks.
6. Changes in the use of the building or any repairs, modifications, or additions to the GAF Roofing Materials after the roof is completed, unless approved in writing by GAF.
7. Exposure to post-installation sustained temperatures in excess of 160°F for roofing systems using standard EverGuard® TPO or PVC membrane and 195°F for systems with EverGuard® Extreme® TPO membrane.
8. Any condition (e.g., base flashing height or lack of counterflashing) that is not in accordance with GAF's Application and Specifications Manual or any deviation or modification from any specification published in the Manual, unless specifically authorized by a GAF Field Services Manager or Director in writing.

No representative, employee, or agent of GAF has the authority to assume any additional liability or responsibility for GAF, except in writing signed by an authorized GAF Field Services Manager or Director. NOTE: Any inspections made by GAF are limited to a surface inspection only, are for GAF's sole benefit, and do not constitute a waiver of any of the terms and conditions of this guarantee.

TRANSFERABILITY

You may transfer or assign this guarantee to a subsequent owner of this building for the remaining term ONLY if: 1) the request is in writing to GAF at the address listed below within 60 days after ownership transfer; 2) you make any repairs to the GAF Roofing Materials or other roofing or building components that are identified by GAF after an inspection as necessary to preserve the integrity of the GAF Roofing Materials; and 3) you pay an assignment fee of \$500. This guarantee is NOT otherwise transferable or assignable by contract or operation of law, either directly or indirectly.

LIMITATION OF DAMAGES; MEDIATION; JURISDICTION; CHOICE OF LAW

THIS GUARANTEE IS EXPRESSLY IN LIEU OF ANY OTHER GUARANTEES OR WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, and of any other obligations or liability of GAF, whether any claim against it is based upon negligence, breach of warranty, or any other theory. IN NO event shall GAF be liable for any CONSEQUENTIAL OR INCIDENTAL DAMAGES of any kind, including, but not limited to, interior or exterior damages and/or mold growth.

The parties agree that, as a condition precedent to litigation, any controversy or claim relating to this guarantee shall be first submitted to mediation before a mutually acceptable mediator. In the event that mediation is unsuccessful, the parties agree that neither one will commence or prosecute any lawsuit or proceeding other than before the appropriate state or federal court in the State of New Jersey. This guarantee shall be governed by the laws of the State of New Jersey, without regard to principles of conflicts of laws. Each party irrevocably consents to the jurisdiction and venue of the identified courts above.

NOTE: This guarantee becomes effective only when all bills for installation and supplies have been paid in full to the roofing contractor and materials suppliers, and the guarantee charge has been paid to GAF.

This guarantee must have a raised seal to be valid.
