This Agreement consists of the provisions set forth below, including provisions of all Attachments referenced herein. In the event of a conflict between the provisions set forth below and those contained in any Attachment, the provisions set forth shall control unless otherwise agreed by the parties in writing and by signature and date on the attachment.

The vendor Agreement shall include and incorporate by reference this Agreement, the terms and conditions, special terms and conditions, any agreed upon amendments, as well as all of the sections of the solicitation as posted, including any addenda and the awarded vendor’s proposal. Once signed, if an awarded vendor’s proposal varies or is unclear in any way from the TIPS Agreement, TIPS, at its sole discretion, will decide which provision will prevail unless otherwise specifically agreed in writing by the parties.

A Purchase Order, Agreement or Contract is the TIPS Member’s approval providing the authority to proceed with the negotiated delivery order under the Agreement. Special terms and conditions as agreed to between the vendor and TIPS Member should be added as addendums to the Purchase Order, Agreement or Contract. Items such as certificate of insurance, bonding requirements, small or disadvantaged business goals are some of the addendums possible.

Vendors shall respond to such requests within a commercially reasonable time after receipt of the request. If support and/or training is a line item sold or packaged with a sale, support shall be as agreed with the TIPS Member.

## Agreements

**Agreements for purchase** will normally be put into effect by means of a purchase order(s) executed by authorized agents of the TIPS Member participating government entities, but other means of placing an order may be used at the Member's discretion.

## Tax exempt status

Most TIPS Members are tax exempt and the related laws and/or regulations of the controlling jurisdiction(s) of the TIPS Member shall apply.

## Assignments of Agreements

No assignment of Agreement may be made without the prior notification of TIPS. Written approval of TIPS shall not be unreasonably withheld. Payment for delivered goods and services can only be made to the awarded Vendor, Vendor designated reseller or vendor assigned company.

## Disclosures

1. Vendor and TIPS affirms that he/she or any authorized employees or agents has not given, offered to give, nor intends to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor or service to a public servant in connection with this Agreement.

2. Vendor shall attach, in writing, a complete description of any and all relationships that might be considered a conflict of interest in doing business with the TIPS program.
3. The Vendor affirms that, to the best of his/her knowledge, the offer has been arrived at independently, and is submitted without collusion with anyone to obtain information or gain any favoritism that would in any way limit competition or give an unfair advantage over other vendors in the award of this Agreement.

### **Renewal of Agreements**

The Agreement with TIPS is for three (3) years with an option for renewal for an additional one (1) consecutive year. The scheduled Agreement termination date shall be the last date of the month of the last month of the agreement's legal effect. **Example:** *If the agreement is scheduled to end on May 23, the anniversary date of the award, it would actually be extended to May 31 in the last month of the last year the contract is active.*

### **Automatic Renewal Clauses Incorporated in Awarded Vendor Agreements with TIPS Members Resulting from the Solicitation and with the Vendor Named in this Agreement.**

No Agreement for goods or services with a TIPS Member by the awarded vendor named in this Agreement that results from the solicitation award named in this Agreement, may incorporate an automatic renewal clause with which the TIPS Member must comply. All renewal terms incorporated in an Agreement by the vendor with the TIPS Member shall only be valid and enforceable when the vendor receives written confirmation by purchase order or executed Agreement issued by the TIPS Member for any renewal period. The purpose of this clause is to avoid a TIPS Member inadvertently renewing an Agreement during a period in which the governing body of the TIPS Member has not properly appropriated and budgeted the funds to satisfy the Agreement renewal. This term is not negotiable and any Agreement between a TIPS Member and a TIPS awarded vendor with an automatic renewal clause that conflicts with these terms is rendered void and unenforceable.

### **Shipments**

The Vendor shall ship, deliver or provide ordered products or services within a commercially reasonable time after the receipt of the order from the TIPS Member. If a delay in said delivery is anticipated, the Vendor shall notify TIPS Member as to why delivery is delayed and shall provide an estimated time for completion of the order. ## Payments

The TIPS Member will make payments directly to the Vendor or vendor assigned dealer after receiving invoice or in compliance with applicable statute, whichever is the greater time or as otherwise provided by an agreement of the parties.

## Pricing

Price increases will be honored according to the terms of the solicitation. All pricing submitted to TIPS shall include the participation fee, as provided in the solicitation, to be remitted to TIPS by the Vendor. Vendor will not show adding the fee to the invoice presented to TIPS Member customer. Failure to render the participation fee to TIPS shall constitute a breach of this agreement and shall be grounds for termination of this agreement and any other agreement held with TIPS.

## Participation Fees

The Participation Fee that was published as part of the Solicitation and the fee published is the legally effective fee, along with any Fee conditions stated in the RFP. Collection of the fees by TIPS is required under Texas Government Code §791.011 Et seq. Vendor or vendor assigned dealer Agreements to pay the participation fee for all Agreement sales to TIPS on a monthly scheduled report or as otherwise agreed by the parties. Vendor must login to the TIPS database and use the "Submission Report" section to report sales. The Vendor or vendor assigned dealers are responsible for keeping record of all sales that go through the TIPS Agreement and submitting same to TIPS.

Failure to pay the participation fee will result in termination of Agreement and possible legal action. Please contact TIPS at tips@tips-usa.com or call (866) 839-8477 if you have questions about paying fees.

## Indemnity

The Vendor agrees to indemnify and hold harmless and defend TIPS, TIPS Member(s), officers and employees from and against all claims and suits by third parties for damages, injuries to persons (including death), property damages, losses, and expenses including court costs and reasonable attorney's fees, arising out of, or resulting from, Vendor's work under this Agreement, including all such causes of action based upon common, constitutional, or statutory law, or based in whole or in part, upon allegations of negligent or intentional acts on the part of the Vendor, its officers, employees, agents, subcontractors, licensees, or invitees. Definitions: Covered employees: Employees of a contractor or subcontractor who have or will have continuing duties related to the service to be performed at the District and have or will have direct contact with students. The District will be the final arbiter of what constitutes direct contact with students. Disqualifying criminal history: Any conviction or other criminal history information designated by the District, or one of the following offenses, if at the time of the offense, the victim was under 18 or enrolled in a public school:

(a) a felony offense under Title 5, Texas Penal Code; (b) an offense for which a defendant is required to register as a sex offender under Chapter 62, Texas Code of Criminal Procedure; or (c) an equivalent offense under federal law or the laws of another state.

I certify that:

NONE (Section A) of the employees of Contractor and any subcontractors are covered employees, as defined above. If this box is checked, I further certify that Contractor has taken precautions or imposed conditions to ensure that the employees of Contractor and any subcontractor will not become covered employees. Contractor will maintain these precautions or conditions throughout the time the contracted services are provided.

OR

SOME (Section B) or all of the employees of Contractor and any subcontractor are covered employees. If this box is checked, I further certify that:

(1) Contractor has obtained all required criminal history record information regarding its covered employees. None of the covered employees has a disqualifying criminal history.

(2) If Contractor receives information that a covered employee subsequently has a reported criminal history, Contractor will immediately remove the covered employee from contract duties and notify the District in writing within 3 business days.

(3) Upon request, Contractor will provide the District with the name and any other requested information of covered employees so that the District may obtain criminal history record information on the covered employees.

(4) If the District objects to the assignment of a covered employee on the basis of the covered employee's criminal history record information, Contractor agrees to discontinue using that covered employee to provide services at the District.

Noncompliance or misrepresentation regarding this certification may be grounds for contract termination.

### **About Gateway Printing & Office Supply, Inc.**

Gateway Printing & Office Supply, Inc., is a Texas Corporation and has been satisfying South Texas customer needs for over 50 years. We employ over 200 Texans in our 6 Texas locations with our Headquarters being in San Antonio, Texas.

Gateway is currently one of the largest independent office supply operations in the State of Texas with the broadest offering of products and services in the markets we serve. We offer our customers top-quality office supplies which represents over 50% of the company's 40 million-dollar annual sales. Gateway also has two retail teacher stores to serve our South Texas Educators with all the supplies needed to educate our Texas students. Our state of the art printing plant, located in Edinburg has become one of the largest and best quality printers in south Texas. Our print offering includes custom printed promotional products for any occasion. Gateway also offers high quality school & office furniture from manufactures like, HON, National Furniture & Paoli. We also have our own furniture designers and installation crews on staff at all our locations to best serve our customers.

### **Quality Assurance Plan:**

Gateway's quality assurance program from the time that an order is received through the delivery, backorder, invoicing and credit phases of the process.

We utilize a DDMS/ECI2 software system designed specifically for the office supply dealer that provides us with automation of the order process from order entry to accounting. Gateway has been successfully using this system for 24 years. In addition to the automation and accuracy our system provides, Gateway employs highly trained warehouse personnel to pick, pack & wrap orders. We check every order for accuracy prior to delivery and process the billing on each order after it has been verified. Our delivery personnel also double check each order for accuracy as it is being loaded for delivery.

If an item is backordered due to being out of stock or discontinued we have an automated report that is emailed to our CSR's the next business morning with the details of the backorder. The CSR will investigate the backorder early in the morning and will call the end user to discuss the situation and offer a resolution.

If a credit request is given to our driver out on the route they are trained to handle credit/pickup requests professionally and have a process to document the pickup request to give to our CSR's to process the credit when they return to the branch. If an end user calls in a credit/pickup request our CSR's will create a pickup request. The driver will normally pick the return up the next business day and the CSR will process the credit within 48 hours.

### **Gateway's historical performance metrics on contracts of this nature:**

Gateway maintain a 99% success rate for next day deliveries and a 99.1% fill rate for orders. Gateway also maintains a 99% order/invoice accuracy for CSR entered orders. Web order accuracy is user dependent and beyond our control. Non-stock & direct orders are included in the CSR entered orders metrics listed above.

**Additional Relevant Information:**

**Gateway's E-Commerce System (Online Ordering):**

Gateway's online ordering system is extremely user friendly. Our online ordering site allows shoppers to easily search for products as well as the ability to quickly add multiple items to the cart via "Quick Order" and has a user customizable "Favorites" list feature to make re-orders simple. Our online system has a powerful approval system. This approval system is completely customizable and will allow us to establish multiple approval levels as well as cross department approvals if required.

In a basic shopper/approver setup the shopper can place an order in the system and an email acknowledgement is immediately sent to both the shopper and approver. The shopper's email acknowledgement will state that their order has been submitted and is waiting on approval from their established approver. The approver will also get an email acknowledgement that an order has been placed by a shopper that is awaiting their approval.

At this point the approver has the following options: The approver will log into the system and will have a button that easily identifies the order to be approved. The approver will access the pending order(s) and can quickly approve the whole order with a single mouse click or open the order to review it. Once the order is open the approver can easily deny the whole order and add notes about the order which will then be sent back to the shopper to modify. The approver also can deny single lines on the order with notes and send back to the shopper for modification. The approver will also can add/delete items on the order and process it without any further assistance from the shopper.

Gateway also offers a mobile application is compatible with most smart phones and tablets!

Gateway will be open to discussion and willing to invest in this system with CPS at any time during the contract period.

### **Managed Print Services (MPS)**

Gateway has the technology to provide managed print services. What is "managed print services" (MPS)? Managed print services are gaining visibility and control of your in-house printing, which helps save money and boost productivity. Managed print also helps you improve environmental sustainability and document security. By "printing," we mean the total cost of managing and optimizing your printers, their output, and the people and processes that support these devices. This includes:

- Pages produced by office workers, mobile workers and production print operations
- Office desktop printers, multifunction printers, copiers, scanners, fax machines and high-volume printers
- Materials sent out for quick printing, offset printing, mailing and distribution
- IT help desk support, technical service, maintenance, and add, move and change requests
- Paper, ink, toner and other supplies and consumables

This is a technical process the usually involves the IT department and is a big decision for the customer. We simply wanted to state that we are technically competent and capable of providing this service if the need arises.

### **Same day emergency orders**

In the event of an emergency order the buyer can call, email or come by any of our locations. Gateway stocks most products in our San Antonio distribution center. Toners & Copy paper represent the majority of emergency calls we get and we will have them readily available in our distribution center as well.

### **Gateway's procedures concerning substitutions**

Our policy and procedure for product substitutions is dependent on how the customer would like us to handle them. Substitutions are not automatically processed in our system or organization without consent from the customer. If substitutions are allowed our CSR's are trained to handle them in the following manner. Substitutions are usually caused by an item being out of stock or discontinued (backorder). In the event of a backorder our local CSR's will receive an automated email backorder report the next business morning with the details of the backorder. The CSR will investigate the backorder and either make the appropriate substitution or contact the buyer to discuss the options to appropriately handle the situation dependent on the requirements of the customer.

### **Notification of backorders**

In the event of a backorder our local CSR's will receive an automated email backorder report the next business morning with the details of the backorder. The CSR will investigate the backorder and locate and suitable substitution & contact the buyer to discuss the options to appropriately handle the order.

### **Gateway's Delivery policy**

Gateway will deliver all orders placed on line or via customer service before 5:00PM (central) the next business day. There is no minimum order requirement and we do not charge a delivery fee. This applies to all catalog orders.

### **Gateway's delivery processes for both dock and desktop delivery**

Gateway owns both standard delivery vans and box trucks. We can deliver one small box to a desktop or multiple pallets to a delivery dock. We will deliver the product to the exact spot or space requested by the customer.

### **Gateway's "typical" daily delivery schedule**

Our delivery vehicles leave our docks at appx. 9:00AM every morning with the all the previous day's orders systematically loaded by route and zip code. Each of our drivers have a specific route based on zip code. The first stop on a particular route will typically be the closest customer to our branch and then the next closest and so on and so forth. In the event a customer calls in an emergency order we may choose to deliver that order first or pick a different staff member to make the rush delivery. We do not charge for emergency deliveries and are glad to do them when they are necessary.

During holidays we typically hold orders until the next available business day unless told otherwise and will then make the delivery the next available delivery date. Your Gateway Account Manager will also communicate holidays or closures with the warehouse personnel to hold orders until the next available delivery date.

Gateway Response: Our drivers will deliver all orders to the address listed on the printed delivery ticket. The ship to address is pulled from the customers master in our system. We verify that the information in the ship to section of our customers master is correct upon setup. If the ship to address has been over written it is will only be done at the request of the customer or stated on a purchase order.

### **Credits, Returns and Exchange Policy**

Gateway has a 100% satisfaction guarantee on everything we sell. This means that a customer can return a product at any time for any reason. Once the product has been returned to Gateway we will issue full credit for the return within 48 hours.

Gateway standard credit policy is Net 30. The delivery ticket that is included with the order is the actual customer invoice. Once the order is completed and accepted by the buyer the invoice is typically turned into

the business office/accounts payable to match up with the statement we send at the beginning of the prior month for the orders billed in the previous month to process payment.

Gateway also can customize statements as well as the ability to provide a customized flat file that may be uploaded into the customers system to reconcile Gateway invoices quickly and efficiently. We do this for many customers and it has reduced the amount of time and labor in the accounts payable process. We would be happy to have more discussions on this topic.

### **Customer Reports**

We do currently provide a customer business review for all our customers on a quarterly or semi-annual basis. The report includes sales, credits, ordering method, top sellers, cost center sales recaps, backorder stats and much more. Since the report is created internally through our reporting servers we can modify this report to accommodate any metrics to the liking of our customers.

### **Training:**

Gateway will provide training to the shoppers in whatever fashion works best. We can provide webinars or classroom training in large or small groups as well as one on one training at the shopper's site. We can hold the training at either yours or our facility. In addition to our IT team, your Gateway Account Manager is an expert with our online ordering system and will be a valuable asset to the shoppers for ongoing training and support throughout the life of the contract.

**Samples:** Gateway has a liberal sampling program for our customers. We are a valuable part of all our manufacturer partners business therefore they use our account managers to deliver samples to our customers throughout the year. When new products are available we often have sale or promotional flyers along with product samples that we take out to our customers.
