The scheduled Agreement termination date shall be the last date of the month of the last month of the agreement's legal effect. **Example:** *If the agreement is scheduled to end on May 23, the anniversary date of the award, it would actually be extended to May 31 in the last month of the last year the contract is active.*

Definitions: Covered employees: Employees of a contractor or subcontractor who have or will have continuing duties related to the service to be performed at the District and have or will have direct contact with students. The District will be the final arbiter of what constitutes direct contact with students. Disqualifying criminal history: Any conviction or other criminal history information designated by the District, or one of the following offenses, if at the time of the offense, the victim was under 18 or enrolled in a public school:

(a) a felony offense under Title 5, Texas Penal Code; (b) an offense for which a defendant is required to register as a sex offender under Chapter 62, Texas Code of Criminal Procedure; or (c) an equivalent offense under federal law or the laws of another state.

I certify that:

NONE (Section A) of the employees of Contractor and any subcontractors are covered employees, as defined above. If this box is checked, I further certify that Contractor has taken precautions or imposed conditions to ensure that the employees of Contractor and any subcontractor will not become covered employees. Contractor will maintain these precautions or conditions throughout the time the contracted services are provided.

OR

SOME (Section B) or all of the employees of Contractor and any subcontractor are covered employees. If this box is checked, I further certify that:

(1) Contractor has obtained all required criminal history record information regarding its covered employees. None of the covered employees has a disqualifying criminal history.

(2) If Contractor receives information that a covered employee subsequently has a reported criminal history, Contractor will immediately remove the covered employee from contract duties and notify the District in writing within 3 business days.

(3) Upon request, Contractor will provide the District with the name and any other requested information of covered employees so that the District may obtain criminal history record information on the covered employees.

(4) If the District objects to the assignment of a covered employee on the basis of the covered employee's criminal history record information, Contractor agrees to discontinue using that covered employee to provide services at the District.

Noncompliance or misrepresentation regarding this certification may be grounds for contract termination.

Environment

Really Good Stuff™ started its major green initiative in February 2008 by installing energy-efficient fluorescent lighting in the company's 80,000 square foot distribution center in Monroe, CT. From there, we installed solar panels that currently generate close to 30% of our electric power.

We have also installed large moving fans throughout our distribution center. The blades are 12 – 24 feet in size and efficiently circulate the cool air in the summer and the warm air in the winter. This translates into a more comfortable and energy efficient working environment.

Protecting our forests

Really Good Stuff is reducing the size of their environmental footprint by purchasing from many print manufacturers that obtain tree fiber from sustainable sources. These sources are either certified by the Forest Stewardship Council (FSC) or Sustainable Forestry Initiative (SFI). Look for the FSC or SFI logo on the print products that you purchase from us and know that together we are all doing our part to help sustain the environment!
