Introduction: Texas Education Code Chapter 22 requires entities that contract with school districts to provide services to obtain criminal history record information regarding covered employees. Contractors must certify to the district that they have complied. Covered employees with disqualifying criminal histories are prohibited from serving at a school district.

Definitions: Covered employees: Employees of a contractor or subcontractor who have or will have continuing duties related to the service to be performed at the District and have or will have direct contact with students. The District will be the final arbiter of what constitutes direct contact with students. Disqualifying criminal history: Any conviction or other criminal history information designated by the District, or one of the following offenses, if at the time of the offense, the victim was under 18 or enrolled in a public school:

(a) a felony offense under Title 5, Texas Penal Code; (b) an offense for which a defendant is required to register as a sex offender under Chapter 62, Texas Code of Criminal Procedure; or (c) an equivalent offense under federal law or the laws of another state. certify that: (Section A) of the employees of Contractor and any subcontractors are covered employees, as defined above. If this box is checked, I further certify that Contractor has taken precautions or imposed conditions to ensure that the employees of Contractor and any subcontractor will not become covered employees. Contractor will maintain these precautions or conditions throughout the time the contracted services are provided. (Section B) or all of the employees of Contractor and any subcontractor are covered employees. If this box is checked, I further certify that:

(1) Contractor has obtained all required criminal history record information regarding its covered employees. None of the covered employees has a disqualifying criminal history.

(2) If Contractor receives information that a covered employee subsequently has a reported criminal history, Contractor will immediately remove the covered employee from contract duties and notify the District in writing within 3 business days.

(3) Upon request, Contractor will provide the District with the name and any other requested information of covered employees so that the District may obtain criminal history record information on the covered employees.

(4) If the District objects to the assignment of a covered employee on the basis of the covered employee's criminal history record information, Contractor agrees to discontinue using that covered employee to provide services at the District.

Noncompliance or misrepresentation regarding this certification may be grounds for contract termination.

80	Texas Business and Commerce Code § 272 Requirements as of 9-1-2017	SB 807 prohibits construction contracts to have provisions requiring the contract to be subject to the laws of another state, to be required to litigate the contract in another state, or to require arbitration in another state. To whom it may concern:

As surety, McGriff Insurance Services has been the surety company for Hi-Mark Roofing for 4 years and as such has provided a single bond limit in excess of \$2,000,000 and in the aggregate has a program over \$2,000,000. Current available aggregate capacity is approximately \$4,000,000 or higher.

We would favorably consider requests from Hi-Mark Roofing to provide bid, performance and payment bonds on projects they are currently contemplating. Such prequalification and approval would be conditioned upon applicable underwriting considerations such as acceptable contract terms & conditions, bonds forms and confirmation of satisfactory financing as well as a favorable review of current underwriting information at the time bonds are requested.

Hi-Mark Roofing is a valued customer of McGriff Insurance Services and we recommend them highly. You understand, of course, that any arrangement to provide bid bonds and/or final bonds on a project is a matter between Hi-Mark Roofing and McGriff Insurance Services and we assume no liability to third parties if we do not execute said bond(s).

Regards,

Clayton Tolliver

## THE GUARANTEE/SOLE AND EXCLUSIVE REMEDY

GAF guarantees to you, the owner of the building described above, that GAF will repair leaks through roofing systems containing products sold under the UNITED COATINGS, HYDROSTOP, and TOPCOAT brands (the "GAF Products") resulting from a manufacturing defect, ordinary wear and tear, or workmanship in applying the GAF Products.

There is no dollar limit on covered repairs. Leaks caused by any non-GAF materials, such as the roof deck or non-GAF insulation, are not covered.

## GUARANTEE PERIOD

This guarantee ends on the expiration date listed above.

## OWNER RESPONSIBILITIES

### Notification of Leaks

In the event of a leak through the GAF Products, you **MUST** make sure that GAF is notified directly about the leak, in writing, within **30 days** of discovery of a leak by email (preferred) at [guaranteeleak@gaf.com](mailto:guaranteeleak@gaf.com), or by postal mail to GAF Guarantee Services, 1 Campus Drive, Parsippany, New Jersey 07054, or GAF will have no responsibility for making repairs. **NOTE:** The roofing contractor is **NOT** an agent of GAF; notice to the roofing contractor is **NOT** notice to GAF.

By notifying GAF, you authorize GAF to investigate the cause of the leak. If the investigation reveals that the leak is not covered by this guarantee, you agree to pay an investigation cost of \$500. Any such repairs to the roofing system must be performed by a GAF-certified roofing contractor. Failure to make timely repairs may jeopardize guarantee coverage.
- You may make temporary repairs to minimize damage to the building or its contents in an emergency, at your sole expense. These repairs will not result in cancellation of the guarantee as long as they are reasonable and customary and do not result in permanent damage to the GAF Products.
- Any equipment or material that impedes any inspection or repair must be removed at your expense so that GAF can perform inspections or repairs.

In NO event shall GAF be liable for any CONSEQUENTIAL OR INCIDENTAL DAMAGES of any kind, including, but not limited to, interior or exterior damages and/or mold growth.

The parties agree that, as a condition precedent to litigation, any controversy or claim relating to this guarantee shall be first submitted to mediation before a mutually acceptable mediator. This guarantee shall be governed by the laws of the State of New Jersey, without regard to principles of conflicts of laws. Each party irrevocably consents to the jurisdiction and venue of the above identified courts.
