Supplier Notes

Geraci Consulting, LLC. provides Construction Management services for government, institutions, and private entities for new construction, existing buildings, renovations, and building additions. The firm's primary focus is facility and system related commissioning services. Bid Notes

Dear potential TIPS Vendor, you are awarded under TIPS RFP 170602 or 180402 Consulting and Other Related Services, there is no need to respond to this RFP unless you are making changes to your terms and conditions.

As you review the solicitation information, you are probably looking for detailed job specifications and a scope of work for which to submit a proposal.

Because of the way TIPS and most other purchasing cooperatives procure contracts, there is no specific project to award. TIPS awards an IDIQ contract, where IDIQ is an abbreviation of the term Indefinite Delivery/Indefinite Quantity. This is a type of contract that provides for an indefinite quantity of supplies or services during a fixed period of time or life of the awarded agreement. This RFP/solicitation was issued as a prospective award for a pricing agreement to be used when a TIPS member entity needs the goods or services offered under the agreement in the different categories of solicitations.

If you have any additional questions, please don't hesitate to reach out to us here at TIPS!
