The vendor Agreement shall include and incorporate by reference this Agreement, the terms and conditions, special terms and conditions, any agreed upon amendments, as well as all of the sections of the solicitation as posted, including any addenda and the awarded vendor’s proposal. Once signed, if an awarded vendor’s proposal varies or is unclear in any way from the TIPS Agreement, TIPS, at its sole discretion, will decide which provision will prevail unless otherwise specifically agreed in writing by the parties.

A Purchase Order, Agreement or Contract is the TIPS Member’s approval providing the authority to proceed with the negotiated delivery order under the Agreement. Special terms and conditions as agreed to between the vendor and TIPS Member should be added as addendums to the Purchase Order, Agreement or Contract. Items such as certificate of insurance, bonding requirements, small or disadvantaged business goals are some of the addendums possible.

Most TIPS Members are tax exempt and the related laws and/or regulations of the controlling jurisdiction(s) of the TIPS Member shall apply.

## Assignments of Agreements

No assignment of Agreement may be made without the prior notification of TIPS. Written approval of TIPS shall not be unreasonably withheld. Payment for delivered goods and services can only be made to the awarded Vendor, Vendor designated reseller or vendor assigned company.

## Disclosures

1. ### **Renewal of Agreements**

The Agreement with TIPS is for one (1) year with an option for renewal for an additional one (1) consecutive year if both parties agree. TIPS may or may not exercise the one-year extension beyond the base one-year term and whether or not to offer the extension is at the sole discretion of TIPS. The scheduled Agreement termination date shall be the last date of the month of the last month of the agreement's legal effect. **Example:** *If the agreement is scheduled to end on May 23, the anniversary date of the award, it would actually be extended to May 31 in the last month of the last year the contract is active.*

Collection of the fees by TIPS is required under Texas Government Code §791.011 Et seq. ## EXECUTIVE SUMMARY

Cash is considered as thing of the past for some people. In the 7th century money was developed as a form of real-time payments for citizens to obtain commodities. These forms entailed the exchange of paper, metal, and hard currencies. Today, our real-time payment systems offer an instant, 24/7, interbank electronic fund transfer service that is fused through smartphones, tablets, digital wallets, and the worldwide web. You would not go on an unaccustomed journey or into uncharted territory alone. We do not expect business challenges or payment initiatives to be any different.

AdComp Systems Group has built a reputation as an organization with head, heart, and a passion for what we do— delivering tangible measurable results for our clients. Your type of business drives us. We make things easy. We make ideas happen. We believe in relationships and problem-solving. We are navigators of solutions and the payments processes landscape. With more than hundreds of active accounts, we work across the global economy. Our clients are remarkably diverse: large and small, private, and public, to local and state governments. We help them grow, sustain, and transform: whatever it takes to embrace their future. Since 1993 we have been engineering, manufacturing, and endorsing payment kiosks.

Our cloud controlled JACK (Justified Automated Collection Kiosk) is currently operating in numerous of telecom corporations, utility providers, local governments, and private sectors across the world. AdComp's capabilities extend far beyond just taking payments on the web. We are one of the few companies that can accept payments via Web, IVR, Kiosk and from mobile phones sending SMS alerts. We know we can never be “too rigorous to a customer needs” or be “overly listening”. It is because of our customers that we recognize and encapsulate market shifts, measure our attainments, and strategize to produce solutions. Our customers and faith combined with our culture—is what makes us a “merchant of choice” for many cities.

*Payments is not just a piece of our business, it is our business...*

### *Grand Bahamas Power Company, Caribbean Islands (2017-Present)*

The Grand Bahamas Power Company has reported a total of 18,000+ active utility accounts. In the beginning it was just a basic kiosk project. After a few months AdComp Systems provided them a web portal for their customers to make online payments, along with Bill Presentment services, and our Utility Express program. From the success of the utility account payments, the Grand Bahamas Power Company gave a referral to Grand Bahamas Port Authority to use our services. Currently we are implementing our products and services for Grand Bahamas Port Authority and St. Vincent Electric Company in the Grenada Islands.

### *Dalton, Georgia (2017-2018)*

Across the urban districts of Dalton, Georgia lies a total of 10 JACK kiosks acquired from AdComp Systems. They have two major utility companies: Optilink and Dalton Utilities that residents use. They wanted to make it more convenient for their customers, so we merged the two companies onto our JACK kiosks. We designed a solution for their customers to pay their utility bills by scanning a unique barcode from a paper bill or a special key fob card. Our kiosk is also located in Lou's Bakery to provide faster servicing for their customers.

### *EnergyUnited, North Carolina (2016-Present)*

EnergyUnited customers are actively using the kiosks around the clock-day and night. However, EnergyUnited has developed a special system for their customers to save for their future bills. If one was to make a payment in cash, the kiosk will dispense bills, but will not provide change. Instead, the customer has the option to either contribute to the Operation Round-Up Program to help the less fortunate or apply the change onto the next bill. For example, if your bill is \$79.80 and you pay 80 dollars in cash, you can donate the remaining 20 cents left over to either Operation Round-Up or you can credit the change to your account. EnergyUnited has really made in difference for their community by to giving back to those in need.
