We're All About Quality

Owned and run by Woodstock, our quality control department is located in China. We have our own engineers at the various contract manufactures that we use to make our chairs. Our engineers are university trained in Quality Control and Structural Engineering. They are on the Woodstock payroll.

Our Woodstock Quality Engineers actually live at the factories we work with. These University trained Quality Control employees of Woodstock do incoming, in process and final inspection. Production does not start until incoming inspection of raw materials is signed off. All during the production cycle Quality is being monitored and chairs do not leave the factory without a Woodstock approval.

Woodstock maintains a lab with testing machines that conduct various BIFMA tests that are appropriate to the specific chairs we make. We randomly take either complete chairs or component parts to our lab for testing to exceed at least 50% of the BIFMA requirement.

Our chairs, unlike some of the competition, are specifically made for the US Contract market. We are not buying items that were made for the Chinese domestic market and selling these chairs and tables to the US contract market. The sizes and quality are correct, the gauges of steel and aluminum are right. This is why we can exceed BIFMA.

We use Eco leather not vinyl, casters are oversized; bases are hand polished aluminum to name a few items. All our foam passes the California 117 fire code while at the same time being TCEP and TDCPP free. Many of our frames are 304 polished Stainless Steel.

To back everything up, we offer a 10 year warranty on the frame and 3 years on the upholstery.

We maintain two warehouses. One in Oakland, California and the other in Bethel, Connecticut. We attempt to ship from the closest warehouse, but if we are out of stock, we will ship at no additional cost from the warehouse that has the chairs in stock. Our prices include all freight to the lower 48 states.

Woodstock has over 5,000 chairs and tables in our inventory. We have 78 different sku's offering a wide variety of product and color for immediate shipment.

Our chairs and tables are primarily used in conference rooms. They are also used as room chairs in hotels, lounge and waiting rooms and of course task chairs successfully.

The designs are current. You'll find our chairs and tables on television sets and in commercials. Our customers include many manufacturers, designers, and professionals including Harrah's hotels, Kate Spade, Tori Burch, Paypal, Docusign and CBS.

Woodstock offers high design at a very reasonable price. Quick ship and you can rest easy, that you are selling a Contract grade commercial quality product.
