(Company Name)

THE INTERLOCAL PURCHASING SYSTEM (TIPS), a Department of Texas Education Service Center Region 8 for **TIPS RFP 200105 Technology Solutions, Products and Services**

General Information

The Vendor Agreement ("Agreement") made and entered into by and between The Interlocal Purchasing System (hereinafter referred to as "TIPS" respectfully) a government cooperative purchasing program authorized by the Region 8 Education Service Center, having its principal place of business at 4845 US Hwy 271 North, Pittsburg, Texas 75686. This Agreement consists of the provisions set forth below, including provisions of all Attachments referenced herein. In the event of a conflict between the provisions set forth below and those contained in any Attachment, the provisions set forth shall control unless otherwise agreed by the parties in writing and by signature and date on the attachment.

A Purchase Order, Agreement or Contract is the TIPS Member's approval providing the authority to proceed with the negotiated delivery order under the Agreement. Special terms and conditions as agreed between the Vendor and TIPS Member should be added as addendums to the Purchase Order, Agreement or Contract. Items such as certificate of insurance, bonding requirements, small or disadvantaged business goals are some, but not all, of the addendums possible.

Terms and Conditions

Freight

All quotes to members shall provide a line item for cost for freight or shipping regardless if there is a charge or not. If no charge for freight or shipping, indicate by stating "No Charge" or "\$0", "included in price" or other similar indication. Otherwise, all shipping, freight or delivery changes shall be passed through to the TIPS Member at cost with no markup and said charges shall be agreed by the TIPS Member unless alternative shipping terms are agreed by TIPS as a result of the proposal award.

Warranty Conditions

All new supplies equipment and services shall include manufacturer's minimum standard warranty unless otherwise agreed to in writing. Vendor shall be legally permitted to sell all products offered for sale to TIPS Members if the offering is included in the Request for Proposal category. All goods proposed and sold shall be new unless clearly stated in writing.

Customer Support

The Vendor shall provide timely and accurate customer support for orders to TIPS Members as agreed by the Parties. Vendors shall respond to such requests within a commercially reasonable time after receipt of the request. If support and/or training is a line item sold or packaged with a sale, support shall be as agreed with the TIPS Member.

Agreements

Agreements for purchase will normally be put into effect by means of a purchase order(s) executed by authorized agents of the TIPS Member participating government entities, but other means of placing an order may be used at the Member's discretion.

Tax exempt status

Most TIPS Members are tax exempt and the related laws and/or regulations of the controlling jurisdiction(s) of the TIPS Member shall apply.

Assignments of Agreements

No assignment of this Agreement may be made without the prior notification of TIPS. Written approval of TIPS shall not be unreasonably withheld. Payment for delivered goods and services can only be made to the awarded Vendor, Vendor designated reseller or vendor assigned company.

Disclosures

- Vendor and TIPS affirms that he/she or any authorized employees or agents has not given, offered to give, nor intends to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor or service to a public servant in connection with this Agreement.
- Vendor shall attach, in writing, a complete description of any and all relationships that might be considered a conflict of interest in doing business with the TIPS program.
- The Vendor affirms that, to the best of his/her knowledge, the offer has been arrived at independently, and is submitted without collusion with anyone to obtain information or gain any favoritism that would in any way limit competition or give an unfair advantage over other vendors in the award of this Agreement.

Term and Renewal of Agreements

The Agreement with TIPS is for three (3) years with an option for renewal for an additional one (1) consecutive year if both parties agree. TIPS may or may not exercise the one-year extension beyond the base three-year term and whether or not to offer the extension is at the sole discretion of TIPS. The scheduled Agreement termination date shall be the last date of the month of the last month of the agreement's legal effect. **Example:** *If the agreement is scheduled to end on May 23, the anniversary date of the award, it would actually be extended to May 31 in the last month of the last year the contract is active.*

Automatic Renewal Clauses Incorporated in Awarded Vendor Agreements with TIPS Members Resulting from the Solicitation and with the Vendor Named in this Agreement.

No Agreement for goods or services with a TIPS Member by the awarded vendor named in this Agreement that results from the solicitation award named in this Agreement, may incorporate an automatic renewal clause that exceeds month to month terms with which the TIPS Member must comply. All renewal terms incorporated in an Agreement by the vendor with the TIPS Member shall only be valid and enforceable when the vendor receives written confirmation by purchase order, executed Agreement or other written instruction issued by the TIPS Member for any renewal period. The purpose of this clause is to avoid a TIPS Member inadvertently renewing an Agreement during a period in which the governing body of the TIPS Member has not properly appropriated and budgeted the funds to satisfy the Agreement renewal. This term is not negotiable and any Agreement between a TIPS Member and a TIPS awarded vendor with an automatic renewal clause that conflicts with these terms is rendered void and unenforceable.

Shipments

The Vendor shall ship, deliver or provide ordered products or services within a commercially reasonable time after the receipt of the order from the TIPS Member. If a delay in said delivery is anticipated, the

Vendor shall notify TIPS Member as to why delivery is delayed and shall provide an estimated time for completion of the order. TIPS or the requesting entity may cancel the order if estimated delivery time is not acceptable or not as agreed by the parties.

Invoices

Each invoice or pay request shall include the TIPS Member's purchase order number or other identifying designation as provided in the order by the TIPS Member. If applicable, the shipment tracking number or pertinent information for verification of TIPS Member receipt shall be made available upon request.

Payments

The TIPS Member will make payments directly to the Vendor, the vendor assigned dealer or as agreed by the Vendor and the TIPS Member after receiving invoice and in compliance with applicable payment statute(s), whichever is the greater time or as otherwise provided by an agreement of the parties.

Pricing

Price increases will be honored according to the terms of the solicitation. All pricing submitted to TIPS shall include the participation fee, as provided in the solicitation, to be remitted to TIPS by the Vendor. Vendor will not show adding the fee to the invoice presented to TIPS Member customer.

Participation Fees and Reporting of Sales to TIPS by Vendor

The Participation Fee that was published as part of the Solicitation and the fee published is the legally effective fee, along with any fee conditions stated in the RFP. Collection of the fees by TIPS is required under Texas Government Code §791.011 Et seq. Vendor or vendor assigned dealer agrees to pay the participation fee for all Agreement sales to TIPS on a monthly scheduled report or as otherwise agreed by the parties.

Reporting of Sales to TIPS by Vendor

Vendor is required to report all sales under the TIPS contract to TIPS. If the TIPS Member entity requesting a price from the awarded Vendor requests the TIPS contract, Vendor must include the TIPS Contract number on any communications with the TIPS Member entity. To report sales, login to the TIPS Vendor Portal and click on the PO's and Payments tab. Pages 3-7 of the Vendor Portal User Guide will walk you through the process of reporting sales to TIPS. Please refer to the TIPS Accounting FAQ's for more information about reporting sales and if you have further questions, contact the Accounting Team at accounting@tips-usa.com. The Vendor or vendor assigned dealers are responsible for keeping record of all sales that go through the TIPS Agreement and submitting same to TIPS. Failure to render the participation fee to TIPS shall constitute a breach of this agreement with our parent governmental entity, Texas Education Service Center Region 8, as established by the Texas legislature and shall be grounds for termination of this agreement and any other agreement held with TIPS and possible legal action. TIPS reserves all rights under the law to collect the fees due. Please contact TIPS at tips@tips-usa.com or call (866) 839-8477 if you have questions about paying fees.

Indemnity

The Vendor agrees to indemnify and hold harmless and defend TIPS, TIPS Member(s), officers and employees from and against all claims and suits by third parties for damages, injuries to persons (including death), property damages, losses, and expenses including court costs and reasonable attorney's fees, arising out of, or resulting from, Vendor's performance under this Agreement, including all such causes of action based upon common, constitutional, or statutory law, or based in whole or in part, upon allegations of negligent or intentional acts on the part of the Vendor, its officers, employees, agents, subcontractors, licensees, or invitees. Parties found liable shall pay their proportionate share of damages as agreed by the parties or as ordered by a court of competent jurisdiction over the case. **NO LIMITATION OF LIABILITY FOR DAMAGES FOR**

PERSONAL INJURY OR PROPERTY DAMAGE ARE PERMITTED OR AGREED BY TIPS/ESC REGION 8. Per Texas Education Code §44.032(f), and pursuant to its requirements only, reasonable Attorney's fees are recoverable by the prevailing party in any dispute resulting in litigation.

State of Texas Franchise Tax

By signature hereon, the bidder hereby certifies that he/she is not currently delinquent in the payment of any franchise taxes owed the State of Texas under Chapter 171, Tax Code.

Miscellaneous

The Vendor acknowledges and agrees that continued participation in TIPS is subject to TIPS sole discretion and that any Vendor may be removed from the participation in the Program at any time with or without cause. Nothing in the Agreement or in any other communication between TIPS and the Vendor may be construed as a guarantee that TIPS or TIPS Members will submit any orders at any time. TIPS reserves the right to request additional proposals for items or services already on Agreement at any time.

Purchase Order Pricing/Product Deviation

If a deviation of pricing/product on a purchase order or contract modification occurs between the Vendor and the TIPS Member, TIPS must be notified within five (5) business days of receipt of change order.

Termination for Convenience of TIPS Agreement Only

TIPS reserves the right to terminate this agreement for cause or no cause for convenience with a thirty (30) days prior written notice. Termination for convenience is conditionally required under Federal Regulations 2 CFR part 200 if the customer is using federal funds for the procurement. All purchase orders presented to the Vendor, but not fulfilled by the Vendor, by a TIPS Member prior to the actual termination of this agreement shall be honored at the option of the TIPS Member. The awarded vendor may terminate the agreement with ninety (90) days prior written notice to TIPS 4845 US Hwy North, Pittsburg, Texas 75686. The vendor will be paid for goods and services delivered prior to the termination provided that the goods and services were delivered in accordance with the terms and conditions of the terminated agreement. This termination clause does not affect the sales agreements executed by the Vendor and the TIPS Member customer pursuant to this agreement. TIPS Members may negotiate a termination for convenience clause that meets the needs of the transaction based on applicable factors, such as funding sources or other needs.

TIPS Member Purchasing Procedures

Usually, purchase orders or their equal are issued by participating TIPS Member to the awarded vendor and should indicate on the order that the purchase is per the applicable TIPS Agreement number. Orders are typically emailed to TIPS at tipspo@tips-usa.com.

Request may be made by email to TIPS@TIPS-USA.COM

Supplemental Agreements

The TIPS Member entity participating in the TIPS Agreement and awarded vendor may enter into a separate Supplemental Agreement or contract to further define the level of service requirements over and above the minimum defined in this Agreement such as but not limited to, invoice requirements, ordering requirements, specialized delivery, etc. Any Supplemental Agreement or contract developed as a result of this Agreement is

exclusively between the TIPS Member entity customer and the Vendor. TIPS, its agents, TIPS Members and employees not a party to the Supplemental Agreement with the TIPS Member customer, shall not be made party to any claim for breach of such agreement unless named and agreed by the Party in question in writing in the agreement. If a Vendor submitting a Proposal requires TIPS and/or TIPS Member to sign an additional agreement, those agreements shall comply with the award made by TIPS to the Vendor. Supplemental Vendor's Agreement documents may not become part of TIPS's Agreement with vendor unless and until an authorized representative of TIPS reviews and approves it. TIPS review and approval may be at any time during the life of this Vendor Agreement. TIPS permits TIPS Members to negotiate additional terms and conditions with the Vendor for the provision of goods or services under the Vendor's TIPS Agreement so long as they do not materially conflict with this Agreement.

In order to ensure and confirm compliance with this agreement, TIPS shall have authority to conduct audits of Awarded Vendor's pricing or TIPS transaction documentation with TIPS Members with 30 days' notice unless the audit is ordered by a Court Order or by a Government Agency with authority to do so without notice. Notwithstanding the foregoing, in the event that TIPS is made aware of any pricing being offered to eligible entities that is materially inconsistent with the pricing under this agreement, TIPS shall have the ability to conduct the audit internally or may engage a third- party auditing firm to investigate any possible non-compliant conduct or may terminate the Agreement according to the terms of this Agreement. In the event of an audit, the requested materials shall be reasonably provided in the time, format and at the location acceptable to Region 8 ESC or TIPS. TIPS agrees not to perform a random audit the TIPS transaction documentation more than once per calendar year, but reserves the right to audit for just cause or as required by any governmental agency or court with regulatory authority over TIPS or the TIPS Member.

If by reason of Force Majeure, either party hereto shall be rendered unable wholly or in part to carry out its obligations under this Agreement then such party shall give notice and full particulars of Force Majeure in writing to the other party within a reasonable time after occurrence of the event or cause relied upon, and the obligation of the party giving such notice, so far as it is affected by such Force Majeure, shall be suspended during the continuance of the inability then claimed, except as hereinafter provided, but for no longer period,

and such party shall endeavor to remove or overcome such inability with all reasonable dispatch.

The parties agree that either or both of them may file a copy of this paragraph with any court as written evidence of the knowing, voluntary and freely bargained for agreement between the parties irrevocably to waive any objections to venue or to convenience of forum. If Resellers fail to report sales to TIPS under your Agreement, the awarded Vendor is responsible for their contractual failures and shall be billed for the fees. The awarded vendor may then recover the fees from their named reseller.

TIPS, or its representatives, reserves the right to inspect any project and audit the awarded Vendor's TIPS project files, documentation and correspondence related to the requesting TIPS Member's order. If there are confidentiality requirements by either party, TIPS shall comply to the extent permitted by law.

Incorporation of Solicitation

The TIPS Solicitation which resulted in this Vendor Agreement, whether a Request for Proposals, the Request for Competitive Sealed Proposals or Request for Qualifications solicitation, or other, the Vendor's response to same and all associated documents and forms made part of the solicitation process, including any addenda, are hereby incorporated by reference into this Agreement as if copied verbatim.

5**Choice of Law clauses with TIPS Members**

Student Records

Student records of all types, including registration forms, report cards, academic transcripts, attendance, and financial aid documents, must be managed accurately, securely, and privately. Traditionally, students, education administrators, and management teams have relied heavily on paper records, from enrollment and registration forms to grade files and transcripts. This reliance on paper is resource consuming, cumbersome, slow, and prone to human error. K-12 school districts need a better approach to enterprise content management (ECM).

Student Solutions with Content360[®]

Content360[®] is an ECM solution that is integrated with PowerSchool SIS and eSchoolPLUS. Providing a direct connection to secure student records, correspondence, and files, Content360[®] streamlines the process of locating information, storing data, and maintaining accurate records for PowerSchool school districts. Student records are vital pieces of information that must be handled, processed, stored, and accessed in a specific way. Content360[®] provides several crucial benefits for schools and students:

PowerSchool Registration Integration

Content360[®] provides integration with PowerSchool Registration to provide seamless document management and digital cumulative folder creation. Documents uploaded to PowerSchool Registration during the enrollment or re-enrollment process are automatically imported and categorized in Content360[®] and linked to the correct student in either PowerSchool SIS or eSchoolPLUS. These documents create the kernel of the digital cumulative student folder.

State Reporting

Content360[®] can automatically capture, sort, burst, and store state reports for rapid access by school districts. No more printing massive reports and wasting paper, which costs the average

school \$30,000-\$50,000 per year. Improve efficiencies across all operational areas with Content360[®].

Digital Student Records

Student cumulative records can be stored electronically in a central repository so they “move” as the student moves. No more lost student records or misplaced files, and no more worrying about security during folder transfer. Content360[®] improves administrative processes.

Transfer and Continuance

Managing transfer requests for students between campuses is simple with Content360[®]. The entire process is digital, with no printing and no moving paper. All necessary documents are submitted for approval together, the approval is documented and the appropriate departments are notified when the transfer is approved. Transfer requests suffer no increased chance of becoming lost or misplaced, or sent to incorrect departments or people.

Teacher Access to Student Records

Content360[®] integrates with PowerSchool to allow teachers to see appropriate documents from a student’s file right from their in-class computers with just the click of a button. No more waiting for inter-school mail or traveling from one location to another to acquire student documents.

Improve Document Access

Diplomas, transcripts, and report cards are available with immediate access to qualified persons in a private, secure, and reliable manner. Students or parents are no longer required to travel to a school or provide correspondence via mail in order to retrieve these commonly requested documents.

Finance

Getting bills paid accurately and on time is a tedious, resource-draining, weekly process for Finance Department personnel. Human error is a risk, and delayed payments, oversights, and redundancy happen, creating even larger issues not just for the payee, but also for the payer. K-12 school districts today simply cannot afford time-consuming errors. The amount of paperwork generated by and kept on file for the Finance Department is astounding - it can consume huge amounts of desk space, cabinet space, and shelf space, and files are difficult to keep organized in a manner that is easily, but securely accessible. Documents kept on paper are at risk of theft, misplacement, and loss.

The Solution: Content360[™]

Gain complete control of your school district's financial processes with our enterprise content management (ECM) solution: Content360°. Content360° enables finance process automation allowing users to gain control of financial processes while freeing up company resources and budget for more important tasks. An integrated ECM solution can automate finance processes, eliminating delayed pay-outs, redundancy, oversights, and human error.

You'll be able to reduce processing costs, improve productivity, and achieve better accuracy. Link related documents from any department to accounting software records in your financial software application, and instantly retrieve information from any location faster and more accurately than with paper-based accounting methods. Benefits to the finance process include:

Digital Finance Documents

All financial documents are grouped by transaction and stored securely for viewing by only authorized personnel. This allows a single view into a transaction and all related documents for quick processing.

Automated Accounts Payable

Content360° allows you to capture invoices as soon as they are received. Invoices in Content360° can then be routed electronically for approval before finally being keyed for payment. This greatly speeds up the payment process and reduces the chance for lost or misplaced invoices.

Finance Record Retention

Finance records have retention time periods of at least 7 years. Records in Content360° are categorized by type, allowing the district to comply with state records management requirements.

Improved Access

Allow vendors and district employees to have secure and immediate access to the information they need via the web instead of having to contact the Finance Department when they have questions.

Budgeting and Reporting

When budget season arrives or it's the end of a financial quarter, let Content360° help with the distribution of necessary information. Content360° can store reports and budgets online, allowing schools or remote district employees to access the information they need without having to print voluminous reports.

Audits are Easy

When the auditors arrive, provide them with a limited license of Content360° allowing them to retrieve the documents they need to quickly complete the auditing process. Audits are completed rapidly with minimal impact on Finance personnel.

Human Resources

Human Resources involves processing massive amounts of data over the course of an employee's career, from recruiting, hiring, and training to development, changes, and off-boarding. K-12 schools have large volumes of staff turn-over from one school year to the next. They face the immense challenge of handling an incredible amount of paper files, from retaining storage space, to purchasing labor and supplies, to creating new files, updating existing papers, and maintaining organization of it all. K-12 school districts need a better approach to enterprise content management (ECM).

The Content360™ Solution

Content360° is an ECM solution seamlessly integrated with your Human Resources software applications. Content360° ensures superior handling of resumes, applications, payroll inquiries, insurance forms, disciplinary actions, medical records, and more, by storing records and forms electronically. Audits are also simple: easy access to records, including HIPAA and other regulated documents, is available to authorized personnel. Collect, store, and access employee records of all types with Content360°.

Process Management

Use Content360° electronic forms to quickly enter, track, and route documents through all of your employee-based processes. Information is entered online, and forms and documents are routed to the correct personnel for evaluation and approval. The entire process is recorded for audit purposes. Process management with Content360° provides the following benefits:

Professional Development Requests

Approve PDRs quickly and accurately with Content360°. An electronic "paper trail" is retained for safe, private, and accessible file-keeping.

Employee Change Requests

Cut delivery time, investigatory time, and processing time by maintaining an organized process for deduction modifications, division transfers, position updates, pay increases or any other changes to employee information.

Employee On-Boarding

Allow new employees to only fill out information once, electronically. Make sure everything is ready for the first day by notifying departments that a new employee is starting soon. Ensure nothing is missed during the hiring process and that all documents are in place before the employee begins.

Employee Off-Boarding

Make sure access to sensitive information is restricted when an employee leaves your district. Keep files safe and secure, immediately after an employee has off-boarded.

Benefits Documentation

Capture all benefits selections using electronic forms and cut documentation time drastically. Reduce the cost of filing papers, printing, and mailing; employees can access materials and files electronically using a safe, private, and up-to-date system.

Applicant Tracking Application Integration

Content360° provides integration with the major applicant tracking applications to provide seamless document management and digital employee file creation. Documents uploaded to the applicant tracking application are automatically imported and categorized in Content360 once a hiring decision is made. These documents create the kernel of the digital employee file folder.

Supplemental Pay

Manage payment in a timely fashion: generating paperwork, tracking and approving the extra job or assignment, determining which funding source should be applied, reporting to payroll, storing documentation for audits, and more.

Employee Contracts

Automate the generation of contracts, along with delivery and tracking approval. Maintain accurate records of contracts going into effect, changes in contracts, and contract expiry in a secure, automated system.

Payroll

Generating and processing accurate payroll is a time-consuming, resource-draining, weekly process for school district payroll departments. Human error is a risk, and delayed pay-outs, oversights, and redundancy happen, creating even larger issues not just for the payee, but also for the payer. School districts today simply cannot afford time-consuming errors. The amount of paperwork involved in and kept on file for payroll is astounding - it often consumes a huge amount of desk space, cabinet space, and shelf space, and files are difficult to keep organized in a manner that is easily, but securely accessible. Documents kept on paper are at risk of theft, misplacement, and loss.

The Solution: Content360[°]™

Gain complete control of your payroll process with our enterprise content management (ECM) solution: Content360[°]. Content360[°] enables payroll automation, allowing users to gain control of processes and freeing up additional resources and budget for more important tasks. An integrated ECM payroll solution can automate the manual processes, avoiding delayed pay-outs, redundancy, oversights, and human error. Benefits to the payroll process include:

Pay Run Reports

Search through pay run reports via the employee ID, not just by the pay run date. This allows quick access to information around specific payroll information. Easily retrieve pay run reports and electronic finance records for audits, inquiries, budget planning, and more.

Digital Payroll Documents

All payroll documents are stored securely for only payroll personnel and the employee to view them. Reprinting information can be accomplished very quickly and easily without involving the Payroll Department.

Payroll Checks

Securely store payroll checks online for employee access. Set up user access based upon your employees' requirements. Ensure your employees are taken care of, so you can focus on other responsibilities within your district.

Payroll Records Management

Cut delivery time, investigatory time, and processing time by maintaining an organized process for employee change requests, whether it's a deduction modification, division transfer, position update, location change, or any other change.

Tax Records

Managing paper tax records, such as 1099 and W2 forms, is extremely time-consuming and often requires excessive personnel resources. Content360[°] organizes, maintains, and presents a concise view of all payroll records for quick and secure delivery in the event of an inquiry or audit.

Document Management for PowerSchool™

K-12 school districts traditionally have relied on paper files for documentation - hundreds, thousands, millions of papers containing information that is critically important. In today's advanced world, an electronically-based document management solution is required for forward-thinking school districts who want to efficiently reduce operating expenses, secure and save information, and increase service levels to students and parents.

Relying on old-fashioned paper filing systems puts your schools at risk for loss, theft, inadvertent misplacement, disorganization, and a lack of preparedness when files need to be found for use. Employees spend hours upon hours every week keeping track of paper files, adding to them, revising them, and searching for needed information that is trapped on paper, wasting thousands of dollars and hours of time. The space required to store so many documents in file cabinets and shelves is enormous - and just grows larger as time passes.

Document Management

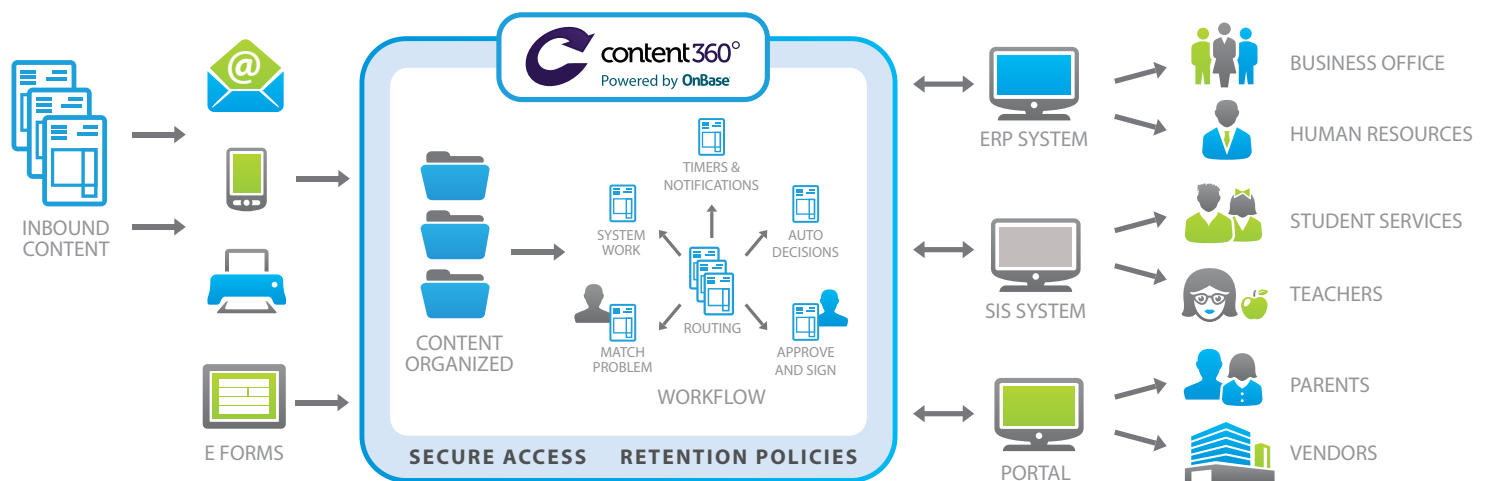

Free up space, protect your documents, and never waste hours of your time searching for paper files again! Everything is stored in and can be shared from one single repository - safely and electronically with Content360°.
