Between Reading Horizons and  
(Company Name)

**THE INTERLOCAL PURCHASING SYSTEM (TIPS),**  
a Department of Texas Education Service Center Region 8 for  
**TIPS RFP 200105 Technology Solutions, Products and Services**

## General Information

The Vendor Agreement (“Agreement”) made and entered into by and between The Interlocal Purchasing System (hereinafter referred to as “TIPS” respectfully) a government cooperative purchasing program authorized by the Region 8 Education Service Center, having its principal place of business at 4845 US Hwy 271 North, Pittsburg, Texas 75686. This Agreement consists of the provisions set forth below, including provisions of all Attachments referenced herein. In the event of a conflict between the provisions set forth below and those contained in any Attachment, the provisions set forth shall control unless otherwise agreed by the parties in writing and by signature and date on the attachment.

A Purchase Order, Agreement or Contract is the TIPS Member’s approval providing the authority to proceed with the negotiated delivery order under the Agreement. Special terms and conditions as agreed between the Vendor and TIPS Member should be added as addendums to the Purchase Order, Agreement or Contract. Items such as certificate of insurance, bonding requirements, small or disadvantaged business goals are some, but not all, of the addendums possible.

## Terms and Conditions

### Freight

All quotes to members shall provide a line item for cost for freight or shipping regardless if there is a charge or not. If no charge for freight or shipping, indicate by stating “No Charge” or “\$0”, “included in price” or other similar indication. Otherwise, all shipping, freight or delivery charges shall be passed through to the TIPS Member at cost with no markup and said charges shall be agreed by the TIPS Member unless alternative shipping terms are agreed by TIPS as a result of the proposal award.

### Warranty Conditions

All new supplies equipment and services shall include **manufacturer's minimum standard warranty** unless otherwise agreed to in writing. Vendor shall be legally permitted to sell all products offered for sale to TIPS Members if the offering is included in the Request for Proposal category. All goods proposed and sold shall be new unless clearly stated in writing.

### Customer Support

The Vendor shall provide timely and accurate customer support for orders to TIPS Members as agreed by the Parties. Vendors shall respond to such requests within a commercially reasonable time after receipt of the request. If support and/or training is a line item sold or packaged with a sale, support shall be as agreed with the TIPS Member.

## Agreements

Agreements for purchase will normally be put into effect by means of a purchase order(s) executed by authorized agents of the TIPS Member participating government entities, but other means of placing an order may be used at the Member's discretion.

### **Tax exempt status**

Most TIPS Members are tax exempt and the related laws and/or regulations of the controlling jurisdiction(s) of the TIPS Member shall apply.

### **Assignments of Agreements**

No assignment of this Agreement may be made without the prior notification of TIPS. Written approval of TIPS shall not be unreasonably withheld. Payment for delivered goods and services can only be made to the awarded Vendor, Vendor designated reseller or vendor assigned company.

### **Disclosures**

- Vendor and TIPS affirms that he/she or any authorized employees or agents has not given, offered to give, nor intends to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor or service to a public servant in connection with this Agreement.
- Vendor shall attach, in writing, a complete description of any and all relationships that might be considered a conflict of interest in doing business with the TIPS program.
- The Vendor affirms that, to the best of his/her knowledge, the offer has been arrived at independently, and is submitted without collusion with anyone to obtain information or gain any favoritism that would in any way limit competition or give an unfair advantage over other vendors in the award of this Agreement.

### **Term and Renewal of Agreements**

The Agreement with TIPS is for three (3) years with an option for renewal for an additional one (1) consecutive year if both parties agree. TIPS may or may not exercise the one-year extension beyond the base three-year term and whether or not to offer the extension is at the sole discretion of TIPS. The scheduled Agreement termination date shall be the last date of the month of the last month of the agreement's legal effect. **Example:** *If the agreement is scheduled to end on May 23, the anniversary date of the award, it would actually be extended to May 31 in the last month of the last year the contract is active.*

### **Automatic Renewal Clauses Incorporated in Awarded Vendor Agreements with TIPS Members Resulting from the Solicitation and with the Vendor Named in this Agreement.**

No Agreement for goods or services with a TIPS Member by the awarded vendor named in this Agreement that results from the solicitation award named in this Agreement, may incorporate an automatic renewal clause that exceeds month to month terms with which the TIPS Member must comply. All renewal terms incorporated in an Agreement by the vendor with the TIPS Member shall only be valid and enforceable when the vendor receives written confirmation by purchase order, executed Agreement or other written instruction issued by the TIPS Member for any renewal period. The purpose of this clause is to avoid a TIPS Member inadvertently renewing an Agreement during a period in which the governing body of the TIPS Member has not properly appropriated and budgeted the funds to satisfy the Agreement renewal. This term is not negotiable and any Agreement between a TIPS Member and a TIPS awarded vendor with an automatic renewal clause that conflicts with these terms is rendered void and unenforceable.

### **Shipments**

The Vendor shall ship, deliver or provide ordered products or services within a commercially reasonable time after the receipt of the order from the TIPS Member. If a delay in said delivery is anticipated, the

Vendor shall notify TIPS Member as to why delivery is delayed and shall provide an estimated time for completion of the order. TIPS or the requesting entity may cancel the order if estimated delivery time is not acceptable or not as agreed by the parties.

### **Invoices**

Each invoice or pay request shall include the TIPS Member's purchase order number or other identifying designation as provided in the order by the TIPS Member. If applicable, the shipment tracking number or pertinent information for verification of TIPS Member receipt shall be made available upon request.

### **Payments**

The TIPS Member will make payments directly to the Vendor, the vendor assigned dealer or as agreed by the Vendor and the TIPS Member after receiving invoice and in compliance with applicable payment statute(s), whichever is the greater time or as otherwise provided by an agreement of the parties.

### **Pricing**

Price increases will be honored according to the terms of the solicitation. All pricing submitted to TIPS shall include the participation fee, as provided in the solicitation, to be remitted to TIPS by the Vendor. Vendor will not show adding the fee to the invoice presented to TIPS Member customer.

### **Participation Fees and Reporting of Sales to TIPS by Vendor**

The Participation Fee that was published as part of the Solicitation and the fee published is the legally effective fee, along with any fee conditions stated in the RFP. Collection of the fees by TIPS is required under Texas Government Code §791.011 Et seq. Vendor or vendor assigned dealer agrees to pay the participation fee for all Agreement sales to TIPS on a monthly scheduled report or as otherwise agreed by the parties.

### **Reporting of Sales to TIPS by Vendor**

Vendor is required to report all sales under the TIPS contract to TIPS. If the TIPS Member entity requesting a price from the awarded Vendor requests the TIPS contract, Vendor must include the TIPS Contract number on any communications with the TIPS Member entity. To report sales, login to the TIPS Vendor Portal and click on the PO's and Payments tab. Pages 3-7 of the Vendor Portal User Guide will walk you through the process of reporting sales to TIPS. Please refer to the TIPS Accounting FAQ's for more information about reporting sales and if you have further questions, contact the Accounting Team at [accounting@tips-usa.com](mailto:accounting@tips-usa.com). The Vendor or vendor assigned dealers are responsible for keeping record of all sales that go through the TIPS Agreement and submitting same to TIPS. Failure to render the participation fee to TIPS shall constitute a breach of this agreement with our parent governmental entity, Texas Education Service Center Region 8, as established by the Texas legislature and shall be grounds for termination of this agreement and any other agreement held with TIPS and possible legal action. TIPS reserves all rights under the law to collect the fees due. Please contact TIPS at [tips@tips-usa.com](mailto:tips@tips-usa.com) or call (866) 839-8477 if you have questions about paying fees.

### **Indemnity**

The Vendor agrees to indemnify and hold harmless and defend TIPS, TIPS Member(s), officers and employees from and against all claims and suits by third parties for damages, injuries to persons (including death), property damages, losses, and expenses including court costs and reasonable attorney's fees, arising out of, or resulting from, Vendor's performance under this Agreement, including all such causes of action based upon common, constitutional, or statutory law, or based in whole or in part, upon allegations of negligent or intentional acts on the part of the Vendor, its officers, employees, agents, subcontractors, licensees, or invitees. Parties found liable shall pay their proportionate share of damages as agreed by the parties or as ordered by a court of competent jurisdiction over the case. **NO LIMITATION OF LIABILITY FOR DAMAGES FOR**

**PERSONAL INJURY OR PROPERTY DAMAGE ARE PERMITTED OR AGREED BY TIPS/ESC REGION 8.** Per Texas Education Code §44.032(f), and pursuant to its requirements only, reasonable Attorney's fees are recoverable by the prevailing party in any dispute resulting in litigation.

### **State of Texas Franchise Tax**

By signature hereon, the bidder hereby certifies that he/she is not currently delinquent in the payment of any franchise taxes owed the State of Texas under Chapter 171, Tax Code.

### **Miscellaneous**

The Vendor acknowledges and agrees that continued participation in TIPS is subject to TIPS sole discretion and that any Vendor may be removed from the participation in the Program at any time with or without cause. Nothing in the Agreement or in any other communication between TIPS and the Vendor may be construed as a guarantee that TIPS or TIPS Members will submit any orders at any time. TIPS reserves the right to request additional proposals for items or services already on Agreement at any time.

### **Purchase Order Pricing/Product Deviation**

If a deviation of pricing/product on a purchase order or contract modification occurs between the Vendor and the TIPS Member, TIPS must be notified within five (5) business days of receipt of change order.

### **Termination for Convenience of TIPS Agreement Only**

TIPS reserves the right to terminate this agreement for cause or no cause for convenience with a thirty (30) days prior written notice. Termination for convenience is conditionally required under Federal Regulations 2 CFR part 200 if the customer is using federal funds for the procurement. All purchase orders presented to the Vendor, but not fulfilled by the Vendor, by a TIPS Member prior to the actual termination of this agreement shall be honored at the option of the TIPS Member. The awarded vendor may terminate the agreement with ninety (90) days prior written notice to TIPS 4845 US Hwy North, Pittsburg, Texas 75686. The vendor will be paid for goods and services delivered prior to the termination provided that the goods and services were delivered in accordance with the terms and conditions of the terminated agreement. This termination clause does not affect the sales agreements executed by the Vendor and the TIPS Member customer pursuant to this agreement. TIPS Members may negotiate a termination for convenience clause that meets the needs of the transaction based on applicable factors, such as funding sources or other needs.

### **TIPS Member Purchasing Procedures**

Usually, purchase orders or their equal are issued by participating TIPS Member to the awarded vendor and should indicate on the order that the purchase is per the applicable TIPS Agreement number. Orders are typically emailed to TIPS at tipspo@tips-usa.com.

Upon completion of work, the premises shall be left in good repair and an orderly, neat, clean and unobstructed condition.

**Preparation:** Awarded vendor shall not begin a project for which TIPS Member has not prepared the site, unless awarded vendor does the preparation work at no cost, or until TIPS Member includes the cost of site preparation in a purchase order.

Site preparation includes, but is not limited to: moving furniture, installing wiring for networks or power, and similar pre-installation requirements.

**Registered sex offender restrictions:** For work to be performed at schools, awarded vendor agrees that no employee of a sub-contractor who has been adjudicated to be a registered sex offender will perform work at any time when students are, or reasonably expected to be, present unless otherwise agreed by the TIPS Member. Request may be made by email to TIPS@TIPS-USA.COM

### **Supplemental Agreements**

The TIPS Member entity participating in the TIPS Agreement and awarded vendor may enter into a separate Supplemental Agreement or contract to further define the level of service requirements over and above the minimum defined in this Agreement such as but not limited to, invoice requirements, ordering requirements, specialized delivery, etc. Any Supplemental Agreement or contract developed as a result of this Agreement is

exclusively between the TIPS Member entity customer and the Vendor. TIPS, its agents, TIPS Members and employees not a party to the Supplemental Agreement with the TIPS Member customer, shall not be made party to any claim for breach of such agreement unless named and agreed by the Party in question in writing in the agreement. If a Vendor submitting a Proposal requires TIPS and/or TIPS Member to sign an additional agreement, those agreements shall comply with the award made by TIPS to the Vendor. Supplemental Vendor's Agreement documents may not become part of TIPS's Agreement with vendor unless and until an authorized representative of TIPS reviews and approves it. TIPS review and approval may be at any time during the life of this Vendor Agreement. TIPS permits TIPS Members to negotiate additional terms and conditions with the Vendor for the provision of goods or services under the Vendor's TIPS Agreement so long as they do not materially conflict with this Agreement.

### **Survival Clause**

The Attorney General has counseled that a contractually imposed obligation of indemnity creates a "debt" in the constitutional sense. Tex. Att'y Gen. Op. No. MW-475 (1982). Contract clauses which require the System or institutions to indemnify must be deleted or qualified with "to the extent permitted by the Constitution and Laws of the State of Texas." Liquidated damages, attorney's fees, waiver of vendor's liability, and waiver of statutes of limitations clauses should also be deleted or qualified with "to the extent permitted by the Constitution and laws of State of Texas."

Texas Education Code Chapter 22 Contractor Certification for Contractor Employees

**Texas Education Code Chapter 22 Contractor Certification for Contractor Employees**

Introduction: Texas Education Code Chapter 22 requires entities that contract with school districts to provide services to obtain criminal history record information regarding covered employees. Contractors must certify to the district that they have complied. Covered employees with disqualifying criminal histories are prohibited from serving at a school district.

Definitions: Covered employees: Employees of a contractor or subcontractor who have or will have continuing duties related to the service to be performed at the District and have or will have direct contact with students. The District will be the final arbiter of what constitutes direct contact with students. Disqualifying criminal history: Any conviction or other criminal history information designated by the District, or one of the following offenses, if at the time of the offense, the victim was under 18 or enrolled in a public school:

(a) a felony offense under Title 5, Texas Penal Code; (b) an offense for which a defendant is required to register as a sex offender under Chapter 62, Texas Code of Criminal Procedure; or (c) an equivalent offense under federal law or the laws of another state.

I certify that:

**NONE (Section A)** of the employees of Contractor and any subcontractors are covered employees, as defined above. If this box is checked, I further certify that Contractor has taken precautions or imposed conditions to ensure that the employees of Contractor and any subcontractor will not become covered employees. Contractor will maintain these precautions or conditions throughout the time the contracted services are provided.

**OR**

**SOME (Section B)** or all of the employees of Contractor and any subcontractor are covered employees. If this box is checked, I further certify that:

(1) Contractor has obtained all required criminal history record information regarding its covered employees. None of the covered employees has a disqualifying criminal history.

(2) If Contractor receives information that a covered employee subsequently has a reported criminal history, Contractor will immediately remove the covered employee from contract duties and notify the District in writing within 3 business days.

(3) Upon request, Contractor will provide the District with the name and any other requested information of covered employees so that the District may obtain criminal history record information on the covered employees.

(4) If the District objects to the assignment of a covered employee on the basis of the covered employee's criminal history record information, Contractor agrees to discontinue using that covered employee to provide services at the District.

Noncompliance or misrepresentation regarding this certification may be grounds for contract termination.

Required Confidentiality Claim Form

This completed form is required by TIPS. By submitting a response to this solicitation you agree to download from the “Attachments” section, complete according to the instructions on the form, then uploading the completed form, with any confidential attachments, if applicable, to the “Response Attachments” section titled “Confidentiality Form” in order to provide to TIPS the completed form titled, “CONFIDENTIALITY CLAIM FORM”. By completing this process, you provide us with the information we require to comply with the open record laws of the State of Texas as they may apply to your proposal submission. If you do not provide the form with your proposal, an award will not be made if your proposal is qualified for an award, until TIPS has an accurate, completed form from you.

**85 Choice of Law clauses with TIPS Members**

If the vendor is awarded a contract with TIPS under this solicitation, the vendor agrees to make any Choice of Law clauses in any contract or agreement entered into between the awarded vendor and with a TIPS member entity to read as follows: "Choice of law shall be the laws of the state where the customer resides" or words to that effect.

In the event of litigation or use of any dispute resolution model when resolving disputes with a TIPS member entity as a result of a transaction between the vendor and TIPS or the TIPS member entity, the Venue for any litigation or other agreed upon model shall be in the state and county where the customer resides unless otherwise agreed by the parties at the time the dispute resolution model is decided by the parties.

K–3 Foundational Reading Instruction  
K–6 Reading Intervention

“

*Reading Horizons has unlocked the door to reading and writing for our students! They now understand that words have patterns. Rather than laboring through each word, sound by sound, or guessing, more of their brain power is available to comprehend text—the ultimate goal of reading.”*

**Corey Triassi,**  
*Academic Coach, AZ*

COMBINING TEACHER TRAINING, DIRECT INSTRUCTION, AND INTERACTIVE SOFTWARE TO CREATE A PREDICTABLE PATH TO READING SUCCESS FOR EACH STUDENT

## OUR OBJECTIVE:

**to give all students the best opportunity for reading success from the start of their education.**

**R**eadng Horizons has helped schools reach new levels of reading performance for over 30 years. With our proven tools and strategies, you can prepare each student for a future of reading success. You can help struggling students reach benchmarks. You can help English Language Learners make quick gains in English—allowing them to feel more connected and confident around their peers. And, you can achieve the ideal: preventing students from falling behind in the first place by providing students with research-based reading instruction from the start of their education.

# OUR METHOD

To prepare students with the skills they need to become successful readers, Reading Horizons provides a research-based method for teaching foundational decoding skills, activities for transferring these skills into fluent reading, and tools that make implementation simple and practical.

## FOUNDATIONAL SKILLS

The Reading Horizons method begins with a simple, streamlined framework that can be used to decode the majority of words in the English language:

- *42 Sounds of the Alphabet*
- *5 Phonetic Skills*
- *2 Decoding Skills*

Our method is interactive—incorporating multisensory, Orton Gillingham principles of instruction and a unique marking system to maintain student engagement.

## SKILL TRANSFER

Decoding skills are a necessary foundation to successful reading, but they are just a

*I could eliminate a lot of spelling errors just by teaching the Five Phonetic Skills. Students would look at their own spelling and say, 'no, it can't be spelled that way.' I saw a lot of improvement in spelling and reading just with the first few basic concepts I taught."*

foundation. To help students transfer decoding skills into fluent reading, exercises that build vocabulary, spelling, grammar, fluency, and comprehension skills are layered into instruction.

## IMPLEMENTATION

Along with teacher training, Reading Horizons offers user-friendly, age-appropriate products that make our approach simple and practical to implement:

- **Reading Horizons Discovery®** (Grades K–3)  
*Direct Instruction Materials and Software*
- **Reading Horizons Elevate®** (Grades 4–6)  
*Direct Instruction Materials and Software*

## SIMPLE & PRACTICAL IMPLEMENTATION

After attending an initial 2-day training, teachers use the following process to engage students in the Reading Horizons methodology:

### **ASSESS**

The assessment system provides a baseline reading level for each student and efficiently monitors progress throughout the course. Assessment data is recorded for each student in the administration system.

### **INSTRUCT**

Students learn strategies that fill gaps in foundational reading skills and builds pronunciation, spelling, vocabulary, fluency, and comprehension. Instruction can be delivered by a teacher or by the software—or a blend of the two.

### **ADAPT**

Assessment performance allows the software to create a differentiated experience for each student while providing teachers with the data to address specific student needs with targeted direct instruction.

*We used to think we had to provide lots of fun activities to hook kids into school. But what we found was, Reading Horizons did that better than any sport or arts activity we could provide for our kids. Once they started really learning how to read and mastering the English language, they couldn't get enough of school."*

# CHANGE THE STORY

## *for struggling readers and English Language Learners*

Helping struggling readers and English Language Learners learn to read is extremely important, but also very challenging. Because these students have always struggled, they often believe they always will. These students don't enjoy the classroom and either act out or avoid it altogether.

Aside from a lack of motivation, misbehavior, and absenteeism, these students are difficult to teach because they typically have a processing or language-based issue, making reading and language tasks extremely difficult.

Your students, and your school, can't afford to keep having the same reading problems year after year.

Research has found that struggling readers and English Language Learners have the most success learning to read when taught

with instruction that is explicit, systematic, and multi-sensory in nature.

The Reading Horizons method leverages the power of this research-based approach in a way that is practical for teachers to teach and simple for students to learn. The method provides students with an explicit step-by-step process that shows them exactly what they need to do to be able to read.

This simple, comprehensible process quickly provides students with many small successes that encourage them to keep trying and makes the classroom a safe and inviting environment.

By offering teacher training, interactive software, and scripted direct instruction materials, Reading Horizons can empower the teachers in your school or district to take control of reading performance. Learn how our proven and methodical process provides students with their best opportunity to achieve reading success.

## What is the Reading Horizons Approach?

Reading Horizons empowers teachers and students with a simple, streamlined approach to reading intervention. By learning the following concepts, students are provided with a framework that allows them to decode the majority of words in the English language:

- *42 Sounds of the Alphabet*
- *5 Phonetic Skills*
- *2 Decoding Skills*

Students learn these skills through an explicit, systematic, and multi-sensory approach that is based on Orton-Gillingham principles of instruction.

Reading Horizons focus on decoding is not an end in itself. Rather, decoding skills create a foundation so your students will easily master more advanced reading skills. While learning this framework, exercises are layered in to **build vocabulary, spelling, grammar, fluency, and comprehension skills.**

How effective is this approach? Upon completing the Reading Horizons program, most intervention students **gain 2–3 reading levels.** These students are able to experience success for the first time, and their future is expanded.

Reading Horizons is so confident in its products and method that each purchase is backed with a **two-year money back guarantee** when the program is implemented with fidelity.

# Simple and Practical Implementation

MINIMUM PREP TIME, MINIMUM CLASS TIME, MAXIMUM RESULTS

Every school has a unique combination of students, teachers, and resources. To meet your school's unique needs, Reading Horizons offers user-friendly tools (along with teacher training) that make the method simple and practical to implement in a variety of settings, including both traditional and blended learning classrooms:

## Interactive Software

The *Reading Horizons Elevate* software is the **simplest, most time-effective way** for students to receive high-quality, individualized reading instruction. Teachers simply have to:

- *set up each student in the software*
- *monitor student progress*
- *provide follow-up instruction for students who need additional help*

Once each student is set up, the software provides individualized instruction that automatically assesses student performance after each lesson, chapter, and comprehension exercise to adjust instruction and provide teachers with detailed information on each student's specific strengths and weaknesses.

To adjust to busy class and student schedules, the online version of the software can be accessed by students from home for makeup work or extra practice.

## Short, Scripted Lessons

The short, easy-to-follow, scripted lessons ensure that instructional integrity is maintained while requiring little preparation time. Each lesson takes between 20 and 30 minutes, with additional exercises and games that can be implemented as schedules allow.

These scripted lessons can be used as the sole mode of instruction, but most teachers prefer to use the software as the primary mode of instruction and use the assessment data to dictate direct instruction needs.

## Program Pacing

The best results are achieved when students spend 30–60 minutes per session, 3–5 days a week either with software or teacher-led instruction. The pacing of the program should be based on student proficiency.

## Interactive Software

Older students can easily and independently learn to read with the *Reading Horizons Elevate* software. The software is beneficial because it delivers effective instruction to struggling readers in a non-threatening, age-appropriate way—making them less resistant to instruction and more open to learning.

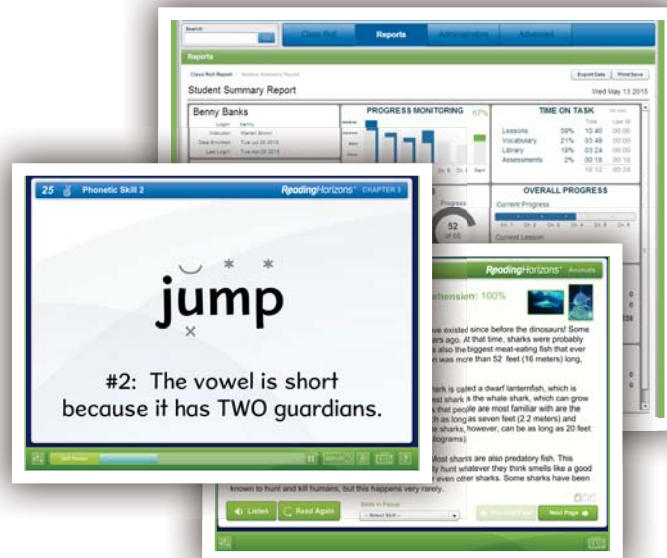

The software is designed to:

### **Deliver targeted instruction to each student.**

Prior to instruction, students are assigned a deeply targeted and customized lesson track in response to the Diagnostic Assessment. Then, in response to student performance, the *Reading Horizons Elevate* software continuously adjusts the pacing and depth of instruction to match student needs—expediting the progress of struggling readers.

### **Address a full range of reading deficits.**

The *Reading Horizons Elevate* software is divided into three sections: Lessons, Vocabulary, and the Library. Students learn reading skills through the interactive lessons. They practice those skills in the Vocabulary

section. Then they transfer those skills to comprehension tasks in the Library.

### **Provide progress monitoring for teachers and administrators.**

With detailed reports, educators can easily see where students are succeeding and where they are struggling. The reports also help teachers know exactly what each student needs to take the next step forward in their reading skills.

### **Reinforce skills taught by teachers.**

When used with the direct instruction materials as a blended learning solution, the *Reading Horizons Elevate* software can be used to pre-teach, reinforce, or review lesson material.

## **Reading Library Assessment**

**Powered by the Lexile® Framework for Reading**

*The Reading Library Assessment was created in partnership with MetaMetrics® to monitor a student's Lexile measure within the Reading Horizons Elevate software.*

*I teach resource reading at an at-risk urban school. Reading Horizons makes sense to my students and they tell me it is really helping them feel more confident in their reading.”*

### **Direct Instruction**

Direct instruction is beneficial for every intervention student because it offers high-engagement activities that activate many areas of the brain during participation—a key to helping struggling students.

The teacher materials are designed to:

#### **Build teachers’ confidence and skill.**

Through an easy-to-follow, scripted manual, teachers can be confident they have taught each skill as explicitly and as succinctly as possible. This helps reduce confusion and helps students quickly grasp each skill.

#### **Provide a broad range of student activities.**

Teacher kits have a wealth of games, exercises, and activities that can be used with each lesson. Included are activities that develop writing, spelling, vocabulary, fluency, and comprehension skills.

#### **Work effectively one on one, in small groups, or in a whole-class setting.**

It would be ideal for every struggling reader to receive regular one-on-one instruction from a teacher, but small-group or whole-class instruction is often more realistic. *Reading Horizons Elevate* direct instruction materials are flexible and can be used for any class size or setting.
