Between SchoolMint and _____
(Company Name)

THE INTERLOCAL PURCHASING SYSTEM (TIPS), a Department of Texas Education Service Center Region 8 for TIPS RFP 200105 Technology Solutions, Products and Services

General Information

The Vendor Agreement (“Agreement”) made and entered into by and between The Interlocal Purchasing System (hereinafter referred to as “TIPS” respectfully) a government cooperative purchasing program authorized by the Region 8 Education Service Center, having its principal place of business at 4845 US Hwy 271 North, Pittsburg, Texas 75686. This Agreement consists of the provisions set forth below, including provisions of all Attachments referenced herein. In the event of a conflict between the provisions set forth below and those contained in any Attachment, the provisions set forth shall control unless otherwise agreed by the parties in writing and by signature and date on the attachment.

A Purchase Order, Agreement or Contract is the TIPS Member’s approval providing the authority to proceed with the negotiated delivery order under the Agreement. Special terms and conditions as agreed between the Vendor and TIPS Member should be added as addendums to the Purchase Order, Agreement or Contract. Items such as certificate of insurance, bonding requirements, small or disadvantaged business goals are some, but not all, of the addendums possible.

Terms and Conditions

Freight

All quotes to members shall provide a line item for cost for freight or shipping regardless if there is a charge or not. If no charge for freight or shipping, indicate by stating “No Charge” or “\$0”, “included in price” or other similar indication. Otherwise, all shipping, freight or delivery charges shall be passed through to the TIPS Member at cost with no markup and said charges shall be agreed by the TIPS Member unless alternative shipping terms are agreed by TIPS as a result of the proposal award.

Warranty Conditions

All new supplies equipment and services shall include manufacturer's minimum standard warranty unless otherwise agreed to in writing. Vendor shall be legally permitted to sell all products offered for sale to TIPS Members if the offering is included in the Request for Proposal category. All goods proposed and sold shall be new unless clearly stated in writing.

Customer Support

The Vendor shall provide timely and accurate customer support for orders to TIPS Members as agreed by the Parties. Vendors shall respond to such requests within a commercially reasonable time after receipt of the request. If support and/or training is a line item sold or packaged with a sale, support shall be as agreed with the TIPS Member.

Agreements

Agreements for purchase will normally be put into effect by means of a purchase order(s) executed by authorized agents of the TIPS Member participating government entities, but other means of placing an order may be used at the Member's discretion.

Tax exempt status

Most TIPS Members are tax exempt and the related laws and/or regulations of the controlling jurisdiction(s) of the TIPS Member shall apply.

Assignments of Agreements

No assignment of this Agreement may be made without the prior notification of TIPS. Written approval of TIPS shall not be unreasonably withheld. Payment for delivered goods and services can only be made to the awarded Vendor, Vendor designated reseller or vendor assigned company.

Disclosures

- Vendor and TIPS affirms that he/she or any authorized employees or agents has not given, offered to give, nor intends to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor or service to a public servant in connection with this Agreement.
- Vendor shall attach, in writing, a complete description of any and all relationships that might be considered a conflict of interest in doing business with the TIPS program.
- The Vendor affirms that, to the best of his/her knowledge, the offer has been arrived at independently, and is submitted without collusion with anyone to obtain information or gain any favoritism that would in any way limit competition or give an unfair advantage over other vendors in the award of this Agreement.

Term and Renewal of Agreements

The Agreement with TIPS is for three (3) years with an option for renewal for an additional one (1) consecutive year if both parties agree. TIPS may or may not exercise the one-year extension beyond the base three-year term and whether or not to offer the extension is at the sole discretion of TIPS. The scheduled Agreement termination date shall be the last date of the month of the last month of the agreement's legal effect. **Example:** *If the agreement is scheduled to end on May 23, the anniversary date of the award, it would actually be extended to May 31 in the last month of the last year the contract is active.*

Automatic Renewal Clauses Incorporated in Awarded Vendor Agreements with TIPS Members Resulting from the Solicitation and with the Vendor Named in this Agreement.

No Agreement for goods or services with a TIPS Member by the awarded vendor named in this Agreement that results from the solicitation award named in this Agreement, may incorporate an automatic renewal clause that exceeds month to month terms with which the TIPS Member must comply. All renewal terms incorporated in an Agreement by the vendor with the TIPS Member shall only be valid and enforceable when the vendor receives written confirmation by purchase order, executed Agreement or other written instruction issued by the TIPS Member for any renewal period. The purpose of this clause is to avoid a TIPS Member inadvertently renewing an Agreement during a period in which the governing body of the TIPS Member has not properly appropriated and budgeted the funds to satisfy the Agreement renewal. This term is not negotiable and any Agreement between a TIPS Member and a TIPS awarded vendor with an automatic renewal clause that conflicts with these terms is rendered void and unenforceable.

Shipments

The Vendor shall ship, deliver or provide ordered products or services within a commercially reasonable time after the receipt of the order from the TIPS Member. If a delay in said delivery is anticipated, the

Vendor shall notify TIPS Member as to why delivery is delayed and shall provide an estimated time for completion of the order. TIPS or the requesting entity may cancel the order if estimated delivery time is not acceptable or not as agreed by the parties.

Invoices

Each invoice or pay request shall include the TIPS Member's purchase order number or other identifying designation as provided in the order by the TIPS Member. If applicable, the shipment tracking number or pertinent information for verification of TIPS Member receipt shall be made available upon request.

Payments

The TIPS Member will make payments directly to the Vendor, the vendor assigned dealer or as agreed by the Vendor and the TIPS Member after receiving invoice and in compliance with applicable payment statute(s), whichever is the greater time or as otherwise provided by an agreement of the parties.

Pricing

Price increases will be honored according to the terms of the solicitation. All pricing submitted to TIPS shall include the participation fee, as provided in the solicitation, to be remitted to TIPS by the Vendor. Vendor will not show adding the fee to the invoice presented to TIPS Member customer.

Participation Fees and Reporting of Sales to TIPS by Vendor

The Participation Fee that was published as part of the Solicitation and the fee published is the legally effective fee, along with any fee conditions stated in the RFP. Collection of the fees by TIPS is required under Texas Government Code §791.011 Et seq. Vendor or vendor assigned dealer agrees to pay the participation fee for all Agreement sales to TIPS on a monthly scheduled report or as otherwise agreed by the parties.

Reporting of Sales to TIPS by Vendor

Vendor is required to report all sales under the TIPS contract to TIPS. If the TIPS Member entity requesting a price from the awarded Vendor requests the TIPS contract, Vendor must include the TIPS Contract number on any communications with the TIPS Member entity. To report sales, login to the TIPS Vendor Portal and click on the PO's and Payments tab. Pages 3-7 of the Vendor Portal User Guide will walk you through the process of reporting sales to TIPS. Please refer to the TIPS Accounting FAQ's for more information about reporting sales and if you have further questions, contact the Accounting Team at accounting@tips-usa.com. The Vendor or vendor assigned dealers are responsible for keeping record of all sales that go through the TIPS Agreement and submitting same to TIPS. Failure to render the participation fee to TIPS shall constitute a breach of this agreement with our parent governmental entity, Texas Education Service Center Region 8, as established by the Texas legislature and shall be grounds for termination of this agreement and any other agreement held with TIPS and possible legal action. TIPS reserves all rights under the law to collect the fees due. Please contact TIPS at tips@tips-usa.com or call (866) 839-8477 if you have questions about paying fees.

Indemnity

The Vendor agrees to indemnify and hold harmless and defend TIPS, TIPS Member(s), officers and employees from and against all claims and suits by third parties for damages, injuries to persons (including death), property damages, losses, and expenses including court costs and reasonable attorney's fees, arising out of, or resulting from, Vendor's performance under this Agreement, including all such causes of action based upon common, constitutional, or statutory law, or based in whole or in part, upon allegations of negligent or intentional acts on the part of the Vendor, its officers, employees, agents, subcontractors, licensees, or invitees. Parties found liable shall pay their proportionate share of damages as agreed by the parties or as ordered by a court of competent jurisdiction over the case. **NO LIMITATION OF LIABILITY FOR DAMAGES FOR**

PERSONAL INJURY OR PROPERTY DAMAGE ARE PERMITTED OR AGREED BY TIPS/ESC REGION 8. Per Texas Education Code §44.032(f), and pursuant to its requirements only, reasonable Attorney's fees are recoverable by the prevailing party in any dispute resulting in litigation.

State of Texas Franchise Tax

By signature hereon, the bidder hereby certifies that he/she is not currently delinquent in the payment of any franchise taxes owed the State of Texas under Chapter 171, Tax Code.

Miscellaneous

The Vendor acknowledges and agrees that continued participation in TIPS is subject to TIPS sole discretion and that any Vendor may be removed from the participation in the Program at any time with or without cause. Nothing in the Agreement or in any other communication between TIPS and the Vendor may be construed as a guarantee that TIPS or TIPS Members will submit any orders at any time. TIPS reserves the right to request additional proposals for items or services already on Agreement at any time.

Purchase Order Pricing/Product Deviation

If a deviation of pricing/product on a purchase order or contract modification occurs between the Vendor and the TIPS Member, TIPS must be notified within five (5) business days of receipt of change order.

Termination for Convenience of TIPS Agreement Only

TIPS reserves the right to terminate this agreement for cause or no cause for convenience with a thirty (30) days prior written notice. Termination for convenience is conditionally required under Federal Regulations 2 CFR part 200 if the customer is using federal funds for the procurement. All purchase orders presented to the Vendor, but not fulfilled by the Vendor, by a TIPS Member prior to the actual termination of this agreement shall be honored at the option of the TIPS Member. The awarded vendor may terminate the agreement with ninety (90) days prior written notice to TIPS 4845 US Hwy North, Pittsburg, Texas 75686. The vendor will be paid for goods and services delivered prior to the termination provided that the goods and services were delivered in accordance with the terms and conditions of the terminated agreement. This termination clause does not affect the sales agreements executed by the Vendor and the TIPS Member customer pursuant to this agreement. TIPS Members may negotiate a termination for convenience clause that meets the needs of the transaction based on applicable factors, such as funding sources or other needs.

TIPS Member Purchasing Procedures

Usually, purchase orders or their equal are issued by participating TIPS Member to the awarded vendor and should indicate on the order that the purchase is per the applicable TIPS Agreement number. Orders are typically emailed to TIPS at tipspo@tips-usa.com.

Request may be made by email to TIPS@TIPS-USA.COM

Supplemental Agreements

The TIPS Member entity participating in the TIPS Agreement and awarded vendor may enter into a separate Supplemental Agreement or contract to further define the level of service requirements over and above the minimum defined in this Agreement such as but not limited to, invoice requirements, ordering requirements, specialized delivery, etc. Any Supplemental Agreement or contract developed as a result of this Agreement is

exclusively between the TIPS Member entity customer and the Vendor. TIPS, its agents, TIPS Members and employees not a party to the Supplemental Agreement with the TIPS Member customer, shall not be made party to any claim for breach of such agreement unless named and agreed by the Party in question in writing in the agreement. If a Vendor submitting a Proposal requires TIPS and/or TIPS Member to sign an additional agreement, those agreements shall comply with the award made by TIPS to the Vendor. Supplemental Vendor's Agreement documents may not become part of TIPS's Agreement with vendor unless and until an authorized representative of TIPS reviews and approves it. TIPS review and approval may be at any time during the life of this Vendor Agreement. TIPS permits TIPS Members to negotiate additional terms and conditions with the Vendor for the provision of goods or services under the Vendor's TIPS Agreement so long as they do not materially conflict with this Agreement.

In order to ensure and confirm compliance with this agreement, TIPS shall have authority to conduct audits of Awarded Vendor's pricing or TIPS transaction documentation with TIPS Members with 30 days' notice unless the audit is ordered by a Court Order or by a Government Agency with authority to do so without notice. Notwithstanding the foregoing, in the event that TIPS is made aware of any pricing being offered to eligible entities that is materially inconsistent with the pricing under this agreement, TIPS shall have the ability to conduct the audit internally or may engage a third-party auditing firm to investigate any possible non-compliant conduct or may terminate the Agreement according to the terms of this Agreement. In the event of an audit, the requested materials shall be reasonably provided in the time, format and at the location acceptable to Region 8 ESC or TIPS. TIPS agrees not to perform a random audit the TIPS transaction documentation more than once per calendar year, but reserves the right to audit for just cause or as required by any governmental agency or court with regulatory authority over TIPS or the TIPS Member.

If by reason of Force Majeure, either party hereto shall be rendered unable wholly or in part to carry out its obligations under this Agreement then such party shall give notice and full particulars of Force Majeure in writing to the other party within a reasonable time after occurrence of the event or cause relied upon, and the obligation of the party giving such notice, so far as it is affected by such Force Majeure, shall be suspended during the continuance of the inability then claimed, except as hereinafter provided, but for no longer period,

and such party shall endeavor to remove or overcome such inability with all reasonable dispatch.

The parties agree that either or both of them may file a copy of this paragraph with any court as written evidence of the knowing, voluntary and freely bargained for agreement between the parties irrevocably to waive any objections to venue or to convenience of forum. If Resellers fail to report sales to TIPS under your Agreement, the awarded Vendor is responsible for their contractual failures and shall be billed for the fees. The awarded vendor may then recover the fees from their named reseller.

TIPS, or its representatives, reserves the right to inspect any project and audit the awarded Vendor's TIPS project files, documentation and correspondence related to the requesting TIPS Member's order. If there are confidentiality requirements by either party, TIPS shall comply to the extent permitted by law.

Incorporation of Solicitation

The TIPS Solicitation which resulted in this Vendor Agreement, whether a Request for Proposals, the Request for Competitive Sealed Proposals or Request for Qualifications solicitation, or other, the Vendor’s response to same and all associated documents and forms made part of the solicitation process, including any addenda, are hereby incorporated by reference into this Agreement as if copied verbatim.

Texas Education Code Chapter 22 Contractor Certification for Contractor Employees

Texas Education Code Chapter 22 Contractor Certification for Contractor Employees

Introduction: Texas Education Code Chapter 22 requires entities that contract with school districts to provide services to obtain criminal history record information regarding covered employees. Contractors must certify to the district that they have complied. Covered employees with disqualifying criminal histories are prohibited from serving at a school district.

Definitions: Covered employees: Employees of a contractor or subcontractor who have or will have continuing duties related to the service to be performed at the District and have or will have direct contact with students. The District will be the final arbiter of what constitutes direct contact with students. Disqualifying criminal history: Any conviction or other criminal history information designated by the District, or one of the following offenses, if at the time of the offense, the victim was under 18 or enrolled in a public school:

(a) a felony offense under Title 5, Texas Penal Code; (b) an offense for which a defendant is required to register as a sex offender under Chapter 62, Texas Code of Criminal Procedure; or (c) an equivalent offense under federal law or the laws of another state.

I certify that:

NONE (Section A) of the employees of Contractor and any subcontractors are covered employees, as defined above. If this box is checked, I further certify that Contractor has taken precautions or imposed conditions to ensure that the employees of Contractor and any subcontractor will not become covered employees. Contractor will maintain these precautions or conditions throughout the time the contracted services are provided.

OR

SOME (Section B) or all of the employees of Contractor and any subcontractor are covered employees. If this box is checked, I further certify that:

(1) Contractor has obtained all required criminal history record information regarding its covered employees. None of the covered employees has a disqualifying criminal history.

(2) If Contractor receives information that a covered employee subsequently has a reported criminal history, Contractor will immediately remove the covered employee from contract duties and notify the District in writing within 3 business days.

(3) Upon request, Contractor will provide the District with the name and any other requested information of covered employees so that the District may obtain criminal history record information on the covered employees.

(4) If the District objects to the assignment of a covered employee on the basis of the covered employee's criminal history record information, Contractor agrees to discontinue using that covered employee to provide services at the District.

Noncompliance or misrepresentation regarding this certification may be grounds for contract termination.

7 **Texas Business and Commerce Code § 272 Requirements as of 9-1-2017**

4 SB 807 prohibits construction contracts to have provisions requiring the contract to be subject to the laws of another state, to be required to litigate the contract in another state, or to require arbitration in another state. A contract with such provisions is voidable. Under this new statute, a "construction contract" includes contracts, subcontracts, or agreements with (among others) architects, engineers, contractors, construction managers, equipment lessors, or materials suppliers. "Construction contracts" are for the design, construction, alteration, renovation, remodeling, or repair of any building or improvement to real property, or for furnishing materials or equipment for the project. The term also includes moving, demolition, or excavation. BY RESPONDING TO THIS SOLICITATION, AND WHEN APPLICABLE, THE PROPOSER AGREES TO COMPLY WITH THE TEXAS BUSINESS AND COMMERCE CODE § 272 WHEN EXECUTING CONTRACTS WITH TIPS MEMBERS THAT ARE TEXAS GOVERNMENT ENTITIES.

4** **Required Confidentiality Claim Form**

Required Confidentiality Claim Form

This completed form is required by TIPS. By submitting a response to this solicitation you agree to download from the “Attachments” section, complete according to the instructions on the form, then uploading the completed form, with any confidential attachments, if applicable, to the “Response Attachments” section titled “Confidentiality Form” in order to provide to TIPS the completed form titled, “CONFIDENTIALITY CLAIM FORM”. By completing this process, you provide us with the information we require to comply with the open record laws of the State of Texas as they may apply to your proposal submission. If you do not provide the form with your proposal, an award will not be made if your proposal is qualified for an award, until TIPS has an accurate, completed form from you.

Read the form carefully before completing and if you have any questions, email Rick Powell at TIPS at rick.powell@tjps-usa.com

85 **Choice of Law clauses with TIPS Members**
If the vendor is awarded a contract with TIPS under this solicitation, the vendor agrees to make any Choice of Law clauses in any contract or agreement entered into between the awarded vendor and with a TIPS member entity to read as follows: "Choice of law shall be the laws of the state where the customer resides" or words to that effect.

86 **Venue of dispute resolution with a TIPS Member**
In the event of litigation or use of any dispute resolution model when resolving disputes with a TIPS member entity as a result of a transaction between the vendor and TIPS or the TIPS member entity, the Venue for any litigation or other agreed upon model shall be in the state and county where the customer resides unless otherwise agreed by the parties at the time the dispute resolution model is decided by the parties.

87 **Automatic renewal of contracts or agreements with TIPS or a TIPS member entity**
This clause **DOES NOT** prohibit multiyear contracts or agreements with TIPS member entities. Because TIPS and TIPS members are governmental entities subject to laws that control appropriations of funds during their fiscal years for contracts and agreements to provide goods and services, does the Vendor agree to limit any automatic renewal clauses of a contract or agreement executed as a result of this TIPS solicitation award to not longer than "month to month" and at the TIPS contracted rate.

88 **Indemnity Limitation with TIPS Members**
Texas and other states restrict by law or state Constitution the ability of a governmental entity to indemnify others. TIPS requires that any contract entered into between a vendor and TIPS or a TIPS Member as a result of an award under this Solicitation limit the requirement that the Customer indemnify the Vendor by either eliminating any such indemnity requirement clauses in any agreements, contracts or other binding documents **OR** by prefacing all indemnity clauses required of TIPS or the TIPS Member entity with the following: "To the extent permitted by the laws or the Constitution of the state where the customer resides, ".
Agreement is a required condition to award of a contract resulting from this Solicitation.

89 **Arbitration Clauses**
Except for certain circumstances, TIPS forbids a mandatory arbitration clause in any contract or agreement entered into between the awarded vendor with TIPS or a TIPS member entity. Does the vendor agree to exclude any arbitration requirement in any contracts or agreement entered into between TIPS or a TIPS member entity through an awarded contract with TIPS?

90 **Required Vendor Sales Reporting**
By responding to this Solicitation, you agree to report to TIPS all sales made under any awarded Agreement with TIPS. Vendor is required to report all sales under the TIPS contract to TIPS. If the TIPS Member entity requesting a price from the awarded Vendor requests the TIPS contract, Vendor must include the TIPS Contract number on any communications with the TIPS Member entity. If awarded, you will be provided access to the Vendor Portal. To report sales, login to the TIPS Vendor Portal and click on the PO's and Payments tab. Pages 3-7 of the [Vendor Portal User Guide](#) will walk you through the process of reporting sales to TIPS. Please refer to the TIPS [Accounting FAQ's](#) for more information about reporting sales and if you have further questions, contact the Accounting Team at accounting@tips-usa.com. The Vendor or vendor assigned dealers are responsible for keeping record of all sales that go through the TIPS Agreement and submitting same to TIPS.

PROPOSED GOODS AND SERVICES

SchoolMint Overview

SchoolMint’s solution enables schools and districts to interact with families in a 21st-century, customer service-oriented manner by bringing historically paper processes online. SchoolMint helps districts attract families by showcasing the various schools and programs offered in the district. Once families have made decisions about their desired schools and programs, they can apply online, while admins can manage application data with robust verification and reporting tools. Families can then register or re-enroll easily on mobile devices, and admins can utilize built-in workflows to verify data and send out communications to families. Finally, SchoolMint’s climate and culture tool, Hero, helps retain students by promoting positive culture in schools.

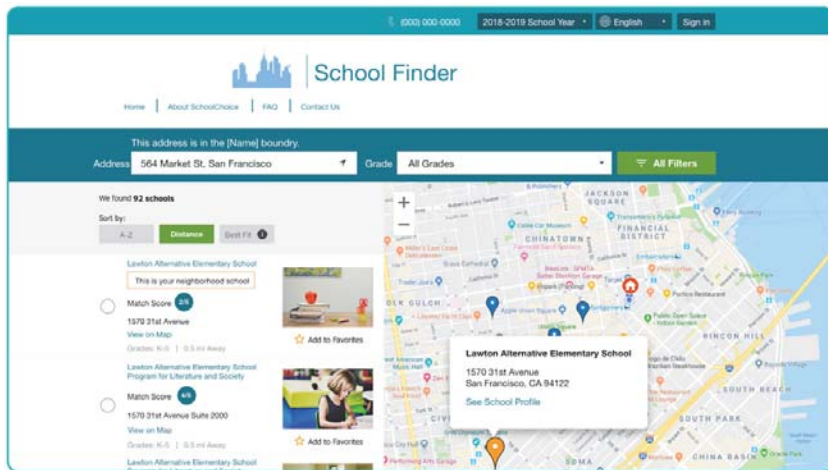

Attract

SchoolFinder, Event Management and RSVPs, Interest Tracker

In an environment of increased school choice options and competition for students, SchoolMint’s Attract module helps schools get the most from their student outreach and marketing efforts. In particular, they can showcase the unique programs available to students; track open houses and events; manage event RSVPs, attendance, and surveys; and generate reports to assess how specific recruitment events translate to new enrollments. These features help schools to optimize limited resources for family outreach while better predicting enrollment.

SchoolFinder:

Districts have the opportunity to shape the narrative about their school and program offerings with the SchoolFinder tool. The SchoolFinder serves as an information hub for families; families can explore all of the school and program options in the district, search for their neighborhood school, or proceed through a guided search to find their best-fit school.

Event Management & RSVPs:

Using SchoolMint Events & RSVP Tracker, TIPS schools and districts will have the ability to invite families to any number of upcoming events. These activities can include things like open houses, tours, and other events, and parents can RSVP right from their smartphones. Administrators can track and manage RSVPs to better plan for event attendance numbers.

Interest Tracker:

SchoolMint's Interest Tracker empowers schools to track interest from prospective families before the enrollment process even begins. In particular, it provides a short form that guardians can fill out from their laptops or mobile devices, indicating which schools and/or events are of interest to them.

Administrators can generate reports to analyze how successful different recruitment events (or sources) have been in driving applications. Ultimately, these data help them to identify effective outreach and marketing strategies and improve decision-making around recruitment, enrollment, budgeting, etc.

Apply

Application Management: Choice Applications, Transfers, Lottery & Assignments, Waitlists

For districts that manage a student application process (e.g., for transfers or choice programs) and for charter/magnet school systems, SchoolMint provides an end-to-end application and lottery management system. From a single account, families can submit applications for multiple children to multiple schools, rank their preferences, track application statuses, respond to offers, and fill out additional enrollment forms. Meanwhile, schools can view all submitted applications, configure rules around admission priorities, assign (automatically or manually) and approve priorities to submitted applications, complete applications on behalf of parents, edit existing applications, manage applicant data, view insights into applicant demographics, and much more.

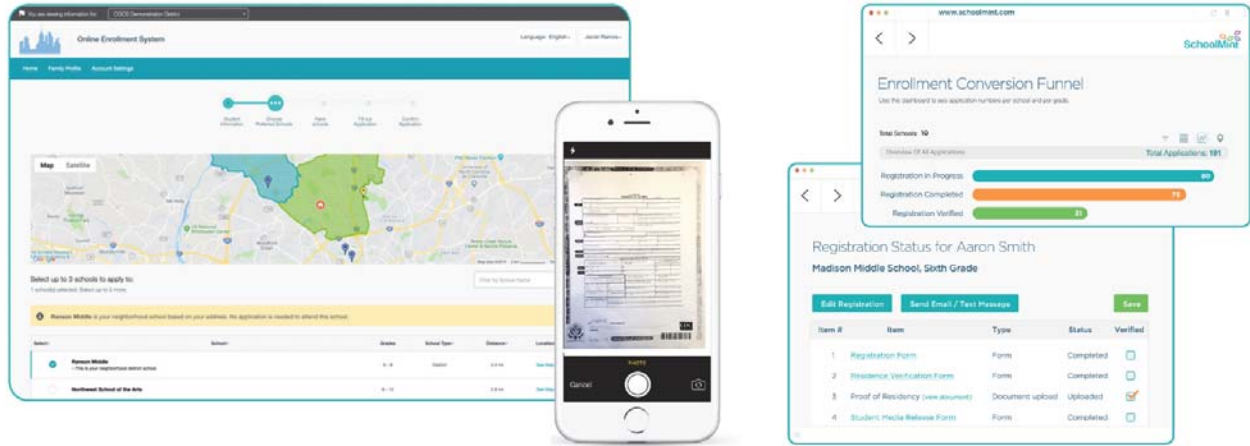

SchoolMint’s lottery, assignment, and waitlist tools make it easy for schools to design and configure multiple lotteries that take into account various lottery preferences, rules, timelines, and seat availability. Lotteries are run through a SchoolMint algorithm configured for each school system based on their preferences.

Waitlists are dynamically updated and managed using set preferences, automatically assigning open seats and populating the waitlist. Applicants are automatically moved up and down the list based on the pre-established rules and priorities. Schools can see which applicants are eligible for an offer and easily send them a notification with a click of a button.

Registration Management: New and Returning Students

SchoolMint’s Registration Management solution enables TIPS schools and districts to bring their entire registration process for new and returning students online, saving countless hours of registration packet assembly and manual data entry. As a result, our customers benefit from dramatically lower printing and mailing costs; better access to accurate, real-time registration data; and a more positive, streamlined registration experience for families and staff.

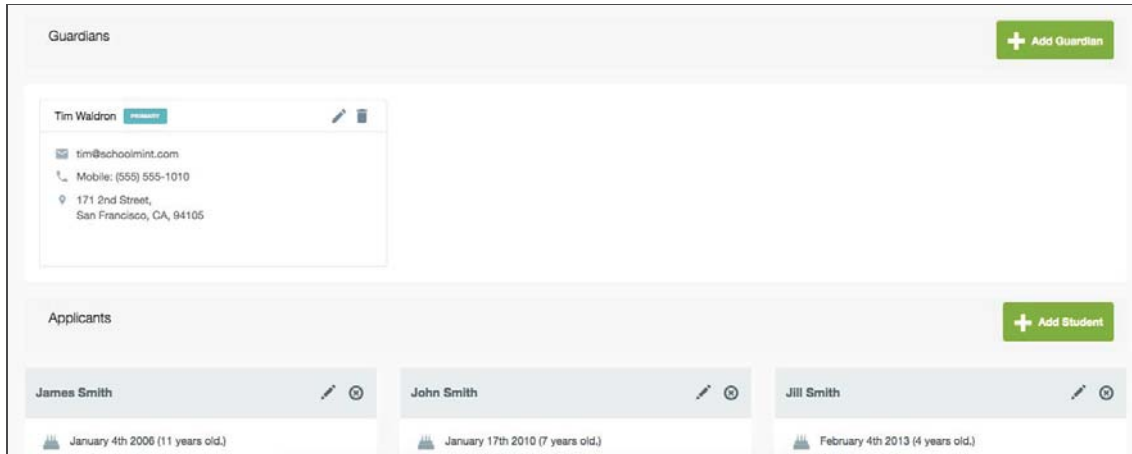

Parent / Guardian Workflows:

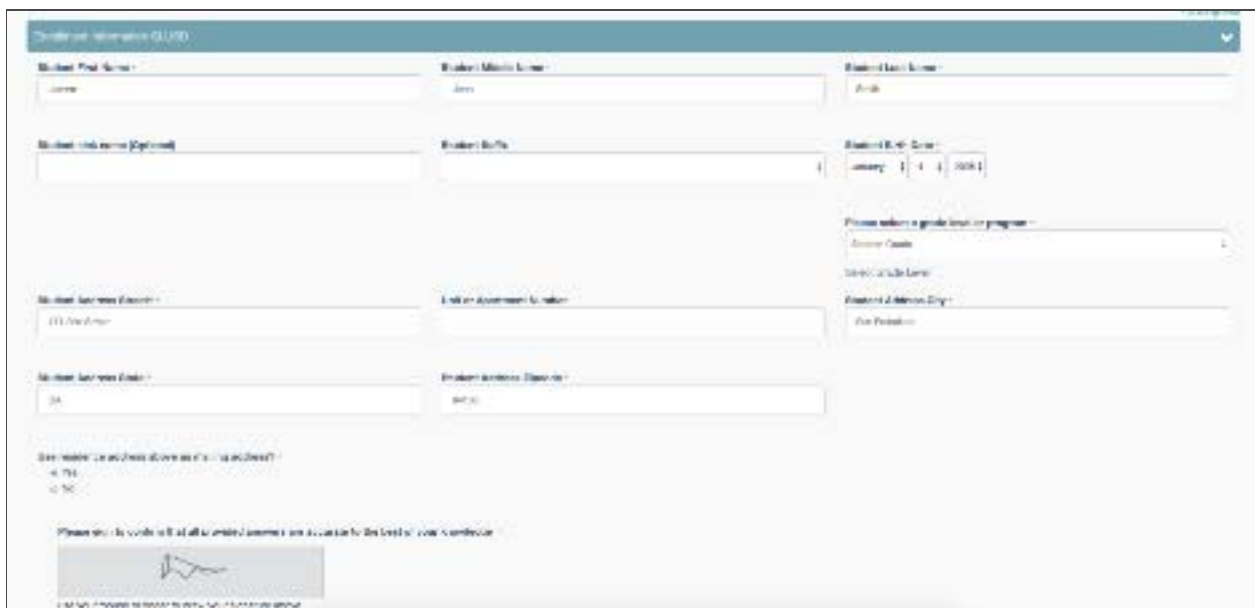

Guardians begin by logging into or signing up for a SchoolMint account, using either an email address or phone number (per their preference). The interface they view can be customized with a district’s logo and colors and translated into a variety of languages, including English and Spanish by default.

Once they have created an account, guardians can set up their family profile, add one or more additional guardians, and create profiles for multiple children [see family profile below].

Next, guardians can complete registration forms for all of their children in just minutes. Forms are entirely customizable and can be adapted for new versus returning students, by school, by grade level, etc. Through SchoolMint’s Intelligent “Form Builder” technology, standard information entered (e.g. name, address, birthdate) can be set to auto-populate into the relevant forms to avoid duplicate entry [see an example of a sample registration form below].

If document uploads are required as part of a district/school’s registration process, then guardians can complete them in seconds by taking a picture on their smartphone or uploading a scanned image from their desktop. Signatures can also be completed on a smartphone screen or using a computer mouse or trackpad.

Guardians can then access the Parent Portal, where they can check the status of registrations, manage communications settings, upload documents, and edit their address or other fields.

To serve a wide range of families, SchoolMint offers several options to meet guardians where they are most comfortable—on desktop (Google Chrome, Safari, Firefox, Internet Explorer 9+), iPhone, iPad, or Android devices. Mobile is an essential part of SchoolMint’s Online Registration Solution, particularly for families who do not have home internet access. SchoolMint makes it easy for guardians to complete every step of the registration process from their phones, making school registration more accessible, and ensuring that parents do not have to skip work to pick up paper forms or go to the library to use a computer.

Administrator Workflows:

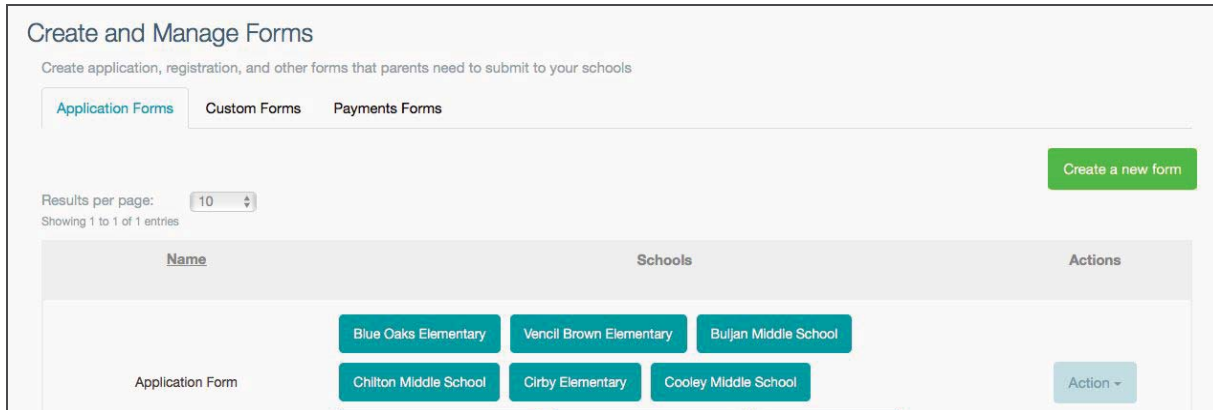

SchoolMint’s administrator portal is designed to make day-to-day administrative functions seamless. In addition to a configurable user interface that fits the branding of a school or district, SchoolMint provides an array of features that put school administrators in control, including the ability to quickly look up student/guardian information or enter registration details on behalf of families. SchoolMint’s administrator tools include robust functionality to create customizable registration forms and packets, track registration progress, generate a range of reports and analyses, communicate with families, and complete SchoolMint-SIS integrations.

Configure accounts:

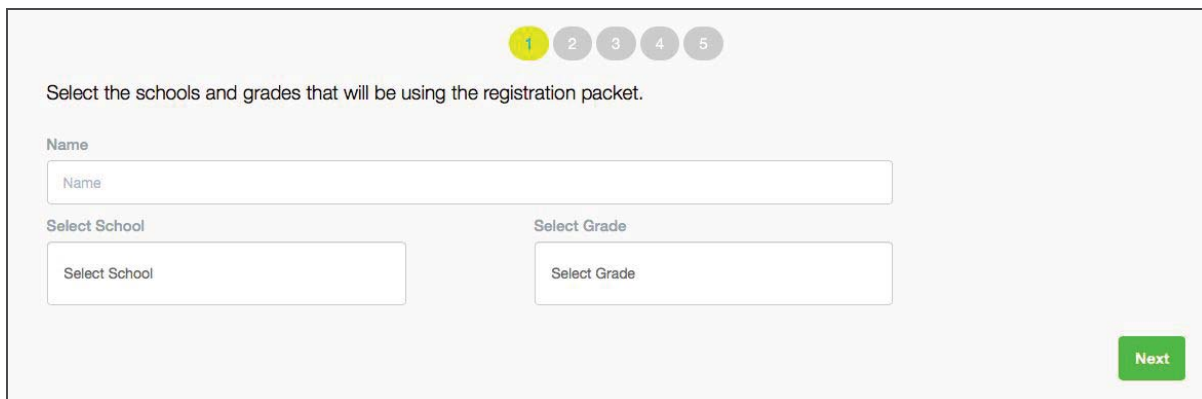

To start, TIPS’ member school/district administrators can set up their accounts to meet their needs, including adding multiple schools and users and setting user permissions. They can also input basic information about their registration process (e.g., cut-off birthdates for grade eligibility) and deadlines (e.g., registration period start and close dates) within the SchoolMint system. This information will allow SchoolMint to automatically flag registration forms down the line that do not meet age cut-offs or have arrived after a specified deadline.

Create registration forms and packets:

Once their accounts are configured, administrators can create and launch registration forms easily and flexibly. They can use or revise past registration forms (if available), or create entirely new forms using standard and custom fields. As mentioned previously, these forms can include image and document uploads and e-signature fields, among other options.

In addition, administrators can assemble registration packets containing all of the forms needed from new and/or returning students entering a particular school and/or grade. These packets make it easy for administrators to track exactly which forms should be submitted for each student, while helping guardians to find everything in one place.

Manage student registrations:

Once parents have submitted registration forms, SchoolMint offers a range of tools for administrators to track and manage their progress. First, administrators can view and manage all student registrations for new and returning students, filtering by grade level, school, and/or current registration status. For an individual student, administrators can use the query box or filters to find a student’s account, then click in to view or edit their profile and registration forms. For multiple students or groups (e.g. a particular grade level or registration status), administrators can take a range of “bulk” actions that will apply to every account selected. These include printing forms/uploads, generating zip files, or drafting email/text communications to families.

Registration dashboard - Conversion Funnel view:

The Conversion Funnel takes a real-time snapshot of how families are progressing through each step of the enrollment process. With these data in hand, administrators can understand exactly where students drop off in the registration flow, identify families that need more support, and gain insight into where their processes can be improved. The Funnel also helps administrators to fine-tune enrollment and budget forecasts and generate enrollment reports.

In addition, a number of other reports — including a Demand Summary report, Age/Grade Inconsistency report, Duplicate/Multiple Registrations report, Unconfirmed Address report, and others — are designed to help administrators pull records that might require further review.

Communications

SchoolMint is proud to make it easier than ever to communicate with guardians throughout the registration process. Administrators can communicate with families individually or through “bulk” actions to ask questions, notify them about status changes, or send reminders. Updates and/or requests can be delivered via email or text, per a guardian’s preference, so that families never miss important announcements from schools.

Year-Round Engagement: Year-Round Forms & General Packets

Outside of the enrollment period, SchoolMint supports customizable general forms and packets that can strengthen family-district interactions throughout the entire school year. These forms can be designed by school administrators for any purpose, but common uses include athletic and field trip forms, permission slips, etc. Administrators can easily combine forms into packets and share those with selected groups of families, as they would with a registration packet.

Student Engagement:

Consistent with Positive Behavior Support Systems, Hero provides for a digital token economy system to reward students who are meeting school-wide expectations and build relationships with staff rooted in positivity.

Accountability:

Hero by SchoolMint allows staff to automatically generate lists and log attendance of students who are carrying out their assigned action (e.g., progressive discipline or academic support). This eliminates the needs for numerous reports, additional spreadsheets, and parent communication. Hero allows for those tasks to be automatic, consistent, and equitable.

Student Compliance:

Through the compliance portal within Hero, staff can easily monitor when students have followed through with the assigned action (e.g., restorative practice, detention, or tutoring). By searching an individual student's name, all outstanding actions will appear to staff who can simply click when the student follows through with the action.

Services Overview

Technical Support

SchoolMint provides support to schools, districts, and families by phone and email to address any questions about our solutions. SchoolMint's Customer Success team provides close and dedicated support to schools throughout the implementation process. At the start of each project, SchoolMint will provide TIPS member districts with a designated Project Manager who will work them to configure their preferred solution/s for a successful implementation. The Project Manager will work closely with SchoolMint's Design, Product, and Engineering teams to understand each partner's requirements and ensure their needs are continually met and exceeded.

Once the solution is configured, SchoolMint's Project Managers will work with TIPS customers to provide training resources suited to the needs of their administrative teams and families. In the past, we have offered:

- Check-Ins: In the months after implementation, each SchoolMint Project Manager is on-hand to offer live sessions via conference call.
- Training Webinars: Our Customer Success Team leads a series of webinars to help school/district staff explore and master different parts of the SchoolMint solution. These interactive webinars are tailored to each school/district's needs, and allow attendees to ask their questions in real-time. Webinars are recorded so that those who cannot attend live can view a recording at their convenience.
- Training for Reporting and Insights: The SchoolMint system includes numerous, powerful reporting features that come baked-into the system. SchoolMint Project Managers can help train administrators on when and how to use these reports, and what insights can be gleaned from them.

In addition to these high-touch Customer Success trainings, SchoolMint also offers various help and support resources that are available 24/7 to customers. We pride ourselves on creating an easy-to-use product, but we recognize that customers will encounter questions and issues along the way. Questions can be submitted at any time through our ZenDesk Portal, which is monitored by our award-winning Customer Support team.

Regardless of the source of a customer inquiry, SchoolMint's Support Team will be responsive within one business day, or faster for critical issues. Our responses are friendly, timely, and provide details that will keep administrators up to date and able to anticipate next steps. Our general support hours are 9 AM-5 PM CST.
